Item XV: City Administrator/Staff Reports

- City Administrator (*City Administrator Ryan Hunt*)
 - *None*
- Finance (*Finance Director Cathy Bowden*)
 - *None*
- City Clerk (*City Clerk Chenéy Parrish*)
 - *None*
- Community Development (*Community Development Director Ken Murphy*)
 - *Community Development Director Ken Murphy shared that the Eastern Jackson County Yard Waste Facility is open every Saturday from 8:00 a.m. – 4:00 p.m. through November 26, 2016.*
- Parks & Recreation Department (*Parks & Recreation Director Shannon Davies*)
 - *Parks and Recreation Director Shannon Davies gave an update on a request received from Alderman Palecek, in regards to providing transportation to elderly and/or disabled residents of Grain Valley. Many communities have transportation agreements with OATS, providing scheduled days and times for busses to provide transportation services. The City may charge fares or co-pays, and can determine if only local transportation is provided or if out of town services may be included. There are many options available for consideration. City Administrator Hunt shared that the City of Blue Springs provides OATS transportation on Tuesdays and Thursdays from 10:00 a.m. to 2:00 p.m. at a cost of \$11,100 per year. He also explained that there are grant opportunities available for transportation, including opportunities under Section 5310 funding through MARC. Funding has not been budgeted for the 2016 Fiscal Year, so the Board would need to convene to amend the budget for this year, or discuss budgeting funds in the next fiscal year.*
 - *Mayor Todd asked about ridership numbers; Parks and Recreation Director Davies stated he does not have that information at this time. He also explained that more than one bus would be available if scheduling demands were high enough to warrant the extra bus.*
 - *Alderman Johnston asked if the schedule is set regardless of the need. Parks and Recreation Director Davies confirmed that the schedule would be set.*

- Police (*Chief of Police David Starbuck*)
 - *Chief of Police David Starbuck gave an update on the nuisance ordinance. The passage of this ordinance has allowed him to assign one officer to investigations in areas where nuisances and recurring crimes have been a problem. To date, the officer has served notices at seven residences – 5 being rental properties and 2 privately owned. The residents and landlords have been given a timeframe to correct the problems. He is seeing positive results from this new ordinance.*
 - *Chief of Police Starbuck also reported that over the past 4 – 6 weeks his department has worked with other agencies to inspect every business licensed to sell liquor in Grain Valley. Two stores and two restaurants were cited for serving minors.*
 - *Alderman Johnston asked if action is being taken against these businesses or if they are getting warnings. Chief Starbuck shared that employees were issued tickets and have been or will be going to court. The State Division of Liquor Control has also been notified.*

TREASURER'S REPORT:

- a. REVIEW OF ACCOUNTS PAYABLE/EXPENDITURES/REVENUES: Shannon highlighted and explained the more notable expenditures in the summary report.
 - i. We will soon have the ability to turn lights on/off remotely at Armstrong Park.
 - ii. Up-to-date reports will be emailed out to members.

CITIZEN COMMENTS: none

COMMITTEE REPORTS:

- a. Veterans' Tribute update
 - i. Kick-off event for Legacy Plaza to be in the next month or so.

OLD BUSINESS:

- a. Capital Improvements Program (CIP) – Group Discussion
 - i. Will remove PR-6 (Main St. trail) and PR-8 (EE Kirby) from the list as both now have either sidewalk or multi-use trail running parallel.
 - ii. Split out PR-10 to account for Greystone development.
 - iii. Explore solar lighting for Butterfly Trail.
 - iv. Patrons do ask about basketball courts, so we discussed possible locations within the park system.
- b. 2016 Trails Project – Group Discussion
 - i. The bridge over Blue Branch Creek at Cross Creek Park is to be donated by David Flick, but there may be expenses associated with the project with regard to the installation.

- ii. Shannon and Rick Arroyo met with Jim Ross with Bartlett & West (engineering/architect) who is putting together a scope of services with cost estimates for the trail adjacent to Dillingham Road. This should be ready by our April meeting. He is looking into signals for the crossing on Duncan. We should have multiple options to consider.
- c. **Park Board Roles & Authority/Memorandum of Understanding (MOU) – Group Discussion**
 - i. Matt Geary (legal) is expected to come to the next Park Board meeting for discussion.
- d. **Grant Funding for Parks – Shannon Davies**
 - i. March 25 is the deadline for the STP Set-aside grant formerly known as TAP. Shannon will be applying for funding for the bridge and some trail work at Cross Creek Park.
- e. **Park Board Applications (Update) – Shannon Davies**
 - i. One application is in, and another person has shown interest. The board decided to extend the deadline one more month to try and get more applicants. We expect to review applications next month and make a recommendation to the mayor.

NEW BUSINESS:

- a. **Parks Master Plan – Shannon Davies**
 - i. Discussion on proceeding with master planning once Cross Creek trails are closer to being installed. There is a need to have an established Parks Master Plan completed.

BILL NUMBER	R16-23	
AGENDA TITLE	A RESOLUTION BY THE BOARD OF ALDERMEN OF THE CITY OF GRAIN VALLEY, MISSOURI TO ENTER INTO AN AGREEMENT WITH THE MISSOURI DEPARTMENT OF TRANSPORTATION FOR GRANT FUNDED OVERTIME FOR DWI ENFORCEMENT AND HAZARDOUS MOVING VIOLATION ENFORCEMENT	
REQUESTING DEPARTMENT	Police Department	
PRESENTER	David Starbuck, Chief of Police	
FISCAL INFORMATION	Cost as recommended:	Not Applicable
	Budget Line Item:	Not Applicable
	Balance Available	\$4,608 - DWI Enforcement \$2,304 - Hazardous Moving Violations
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
PURPOSE	To enhance traffic safety and enforcement on roadways in the City of Grain Valley, Missouri	

BACKGROUND	<p>The City of Grain Valley has been receiving these grants for the past ten years. The grants have been, and will continue to be, used for DWI enforcement and hazardous moving violations such as speed, careless driving, red light and stop sign violations. These grants have had an overall positive impact on the safety of Grain Valley citizens, especially in the area of significant traffic accident reduction over the past year, via the initiative set forth by the Board of Aldermen in relation to these grants.</p> <p>This grant is 100% funded by the State with no matching funds from the City. Grain Valley police officers will work overtime for DWI and hazardous moving violation enforcement with overtime paid by the City. The State will then reimburse the City for 100% of the overtime worked by police officers with no matching funds required by the City. Funds will be distributed from State of Missouri to Grain Valley, upon the City's request.</p>
SPECIAL NOTES	This agreement requires signatures from all elected officials of the City of Grain Valley, Missouri for each separate grant.

PROBLEM IDENTIFICATION

Alcohol and other drugs contribute substantially to traffic crashes on Missouri's roads, particularly those resulting in death or serious injury. In the 2012-2014 period, 414,163 traffic crashes occurred in the state. Of those, 0.5% resulted in a fatality and 2.9% involved someone being seriously injured. During the same time period, there were 19,160 traffic crashes where one or more drivers, pedestrians, and/or bicyclists were under the influence of intoxicants and in the opinion of the investigating officer their intoxicated condition was a contributing factor to the crash. In these crashes where drivers, pedestrians or bicyclists were impaired by alcohol or other drugs, 688 people were killed and another 2,448 were seriously injured. It also is important to note that substance-impaired driving is under-reported as a contributing factor in traffic crashes. This under-reporting is due to drivers undergoing injuries sustained from crashes without being tested for blood alcohol content. Also, some forms of drug impairment may not be apparent to officers on the scene. As a result, it is an even greater problem than these statistics would indicate. In addition, 86.0% of substance-impaired drivers killed also failed to wear a safety belt further compounding the problem of substance-impaired driving.

A common misconception is that substance-impaired drivers are primarily injuring and killing themselves. While that is often true, a substantial number of people killed and seriously injured in these crashes were not intoxicated by alcohol or other drugs. Their actions in these incidents probably did not contribute to the cause of the collision. Of the 688 people killed in alcohol and other drug-related traffic crashes, 71.5% were the substance-impaired drivers/pedestrians/bicyclists and 28.5% were some other involved party. Of the 2,448 seriously injured, 62.2% were the substance-impaired drivers/pedestrians/bicyclists while 37.8% were other persons in the incidents.

Grain Valley is located in eastern Jackson County, Missouri along Interstate 70 and also accessible via US 40 Highway, State Route AA and State Route BB Highways. Recent estimates (2014) show that Grain Valley has a population of 13,236 and is roughly 6 square miles in size. Considered a residential community, there has been an increase in businesses locating to Grain Valley and currently there are 2 bars in town which are open until 3:00 am - one of which boasts to be the largest bar in the area.

According to Missouri State Highway Patrol statistics, there were 346 traffic crashes in Grain Valley during 2012, 2013, and 2014. Of those accidents, 26 crashes have been alcohol related - 10 reported personal injuries.

During this same time period - 553 DWI arrests have been made through grant funded enforcement and routine patrol.

High crash days and times are Saturday followed by Friday with accident times ranging between midnight and 4:00 am.

In looking at the reports from our Records Management System, there were a total of 46 accidents that occurred in Grain Valley between 2012 and 2014 with Alcohol or Drugs as the contributing factor. Luckily many were single car with no injury or property damage.

GOALS/OBJECTIVES

Goal: To decrease fatalities involving drivers with .08 BAC or greater to:

- 267 by 2013
- 255 by 2014
- 243 by 2015
- 230 by 2016

Performance Measure:

Number of fatalities involving drivers with .08 BAC or greater

Benchmark:

2012 fatalities involving drivers with .08 BAC or greater = 280
(246 in 2013, 204 in 2014)

Objectives:

1. Participate in the National Impaired Driving Crackdown campaign
2. Participate in the quarterly impaired driving enforcement campaigns
3. Develop and implement a high visibility DWI enforcement plan involving saturation patrols and/or sobriety checkpoints

PROJECT DESCRIPTION

Project Description information is captured in the supplemental section.

SUPPLEMENTAL INFORMATION

<u>Question</u>	<u>Answer</u>
You must answer the following questions.	
1 Does your agency have and enforce an internal safety belt policy for all personnel?	Yes
2 Does your agency report racial profiling data annually?	Yes
3 Does your agency report to STARS?	Yes
4 Does your agency report UCR information annually?	No
5 Please explain any NO answer(s) to questions 1-4: Our agency does submit MIBRS reports monthly to the Highway Patrol	
6 Have any of your officers/personnel been debarred and are therefore not eligible to receive federal funds for reimbursement of salary, fringe benefits, or overtime?	No
7 Have you completed a manpower assessment to ensure your agency is able to expend all funds requested in your proposed project?	Yes
8 If NO, please explain	
9 Have any significant changes occurred with your agency within the last year that would affect performance, including personnel or system changes?	Yes
10 If YES, please explain. December of 2014 Grain Valley PD hired a new Chief and promoted 3 new Sergeants because of vacancies. Throughout 2015 we were down by 8 officers due to injury and officers resigning. We are now almost fully staffed with only 2 officer positions left to fill. It was difficult to use funds in 2015 because of this shortage, however, the new full time officers and reserves are willing and able to work these grants.	
11 Are you aware of any fraud, waste or abuse on grant projects in your office/agency within the last 5 years?	No
12 If YES, please explain.	
13 Did your agency receive more than 80% of its annual gross revenues in Federal Awards in your preceding fiscal year?	No
14 Did your agency receive \$25,000,000 or more in Federal Awards in your preceding fiscal year?	No
15 If you answered NO to either question 13 and 14, DO NOT answer this question. If you answered YES to both question 13 and 14, and the public does not have access to this information, list the names and compensation amounts of the five most highly compensated employees in your business or organization (the legal entity to which the DUNS number it provided belongs).

The following information explains the strategies your agency will use to address the traffic crash problem. This information is considered to be the Project Description and should be specific to the crash problem.

41 Identify primary enforcement locations.

Enforcement will be city wide with emphasis on US 40 Highway, State Route AA and Route BB

42 Enter the number of enforcement periods your agency will conduct each month.

1

43 Enter the months in which enforcement will be conducted.

Enforcement will be conducted every month through the grant period. Months with the highest number of alcohol related crashes include April, May, July, August, September and October (not in order of crash numbers).

44 Enter the days of the week in which enforcement will be conducted.

Saturdays showed the largest number of alcohol related crashes followed by Friday. Therefore, enforcement will be conducted primarily on Saturday to try and reduce the number of crashes.

45 Enter the time of day in which enforcement will be conducted.

Most DWI arrests occur between the hours of 10:00 pm and 5:00 am with many of those arrests happening between 3:00 and 5:00 am due to the closing time of our local bars. Between 2013 and 2014, the greatest amount of alcohol related accidents occurred from 2:00 and 4:00 am. Therefore our goal will be to perform extra enforcement between 10:00 pm and 4:00 am or 11:00 pm and 5:00 am.

46 Enter the number of officers assigned during the enforcement period.

PROJECT EVALUATION

The MHTC will administratively evaluate this project. Evaluation will be based, at a minimum, upon the following:

1. Law enforcement compliance with state UCR, Racial Profiling, and STARS reporting requirements (law enforcement contracts only)
2. Timely submission of monthly reimbursement vouchers and appropriate documentation to support reimbursement for expenditures (i.e., personal services, equipment, materials)
3. Timely submission of periodic reports (i.e., monthly, quarterly, semi-annual) as required
4. Timely submission of the Year End Report of activity (due within 30 days after contract completion date)
5. Attaining the Goals set forth in this contract*
6. Accomplishing the Objectives* established to meet the project Goals, such as:
 - Enforcement activities (planned activities compared with actual activities)
 - Programs (number and success of programs held compared to planned programs, evaluations if available)
 - Training (actual vs. anticipated enrollment, student evaluations of the class, student test scores on course examinations, location of classes, class cancellation information)
 - Equipment purchases (timely purchase of equipment utilized to support and enhance the traffic safety effort ; documentation of equipment use and frequency of use)
 - Public awareness activities (media releases, promotion events, incentive items or education materials produced or purchased)
 - Other (any other information or material that supports the Objectives)
7. The project will be evaluated by the Traffic and Highway Safety Division through annual crash analysis .

Evaluation results will be used to determine:

- The success of this type of activity in general and this particular project specifically ;
- Whether similar activities should be supported in the future; and
- Whether grantee will receive funding for future projects.

*Evaluation and requests to fund future projects will not be based solely on attaining Goals and/or Objectives if satisfactory justification is provided.

PROBLEM IDENTIFICATION

Hazardous Moving Violations (HMV) also known as aggressive driving is a serious problem on Missouri's roadways and has contributed substantially to traffic crashes, especially crashes resulting in death. Aggressive drivers are defined within Missouri's Blueprint to SAVE MORE LIVES as, "drivers of motorized vehicles who committed one or more of the following violations which contributed to the cause of a traffic crash: speeding; driving too fast for conditions; and/or following too close."

Aggressive drivers not only put their own lives at risk, but the lives of others as well. Of the 930 people killed, 67.4% were the aggressive driver and the other 32.6% were some other party in the incident. Of the 5,266 seriously injured, slightly more than one-half (53.9%) were the aggressive drivers and nearly one-half (46.1%) being some other person involved.

Grain Valley is located in eastern Jackson County, Missouri along Interstate 70 and also accessible via US 40 Highway, State Route AA and State Route BB Highways. Recent estimates (2014) show that Grain Valley has a population of 13,236 and is roughly 6 square miles in size.

According to Missouri State Highway Patrol statistics, there were 346 traffic crashes in Grain Valley during 2012, 2013, and 2014. Of those accidents, 65 reported minor injuries and 11 reported disabling injuries. High crash days and times are Monday, Wednesday, Friday, and Saturday with accident times ranging between 7:00 and 9:00 am then 2:00 and 7:00 pm.

Contributing circumstances included the following:

- Failed to Yield - 18% of accidents reported
- Distracted / Inattentive drivers - 16% of accidents reported
- Too Fast for Conditions - 11% of accidents reported
- Following too Close - 10% of accidents reported
- Alcohol / Drugs combined - 9% of accidents reported

GOALS/OBJECTIVES

In 2012-2014, there were 414,163 traffic crashes in Missouri - 15.1% involved speeding. Correlating with the national data, Missouri's problem is also more significant when examining fatal crashes—of the 2,143 fatal crashes, 37.5% involved drivers who were speeding.

Goal #1:

To decrease HMV/aggressive driving related fatalities to:

- 314 by 2013
- 299 by 2014
- 288 by 2015
- 270 by 2016

Performance Measure:

Number of HMV/aggressive driving-related fatalities

Benchmark:

2012 aggressive driving-related fatalities = 328
(308 in 2013, 287 in 2014)

Goal #2:

To decrease speed-related fatalities to:

- 299 by 2013
- 285 by 2014
- 272 by 2015
- 258 by 2016

Performance Measure:

Number of speed-related fatalities

Benchmark:

2012 speed-related fatalities = 313
(308 in 2013, 267 in 2014)

Objective:

Develop and implement a plan that focuses on hazardous moving violations (such as speeding, following too closely, driving too fast for conditions, red-light running, improper lane changes, and failure to yield) at high crash locations and corridors.

43 Enter the months in which enforcement will be conducted.

Throughout the majority of the year accidents were pretty evenly distributed while April and May showed the least number of accidents. We would like to run at least one enforcement each month with a second enforcement during the months of June through November (highest number of accidents). Therefore there would be 18 enforcements during the grant period.

44 Enter the days of the week in which enforcement will be conducted.

Report statistics show that the highest number of accidents occur on the following days: Monday, Wednesday, Friday, and Saturday. These are the days to focus our enforcement on.

45 Enter the time of day in which enforcement will be conducted.

Report statistics show that most accidents occur in Grain Valley during 2 windows of time: 7:00 and 9:00 am then 2:00 and 7:00 pm. Most traffic enforcements will focus on the afternoon and evening time either 2:00 until 6:00 pm or 3:00 to 7:00 pm. Our agency would like to also try traffic enforcement during the morning commute between the hours of 6:00 to 10:00 am.

Gentlemen,

Attached is the bid for the softball field project (and a baseball water connection) from Pat Williams at Performance Sports Fields, Inc. The only piece of the project that is not included in the bid is moving in and replacing the backstop (which Gary is getting alternative bids for a better price). Let me know if you need anything else.

Shannon,

Have you received confirmation of the \$7000 from this year's budget and \$3000-\$4000 from next year's budget?

Dear Mr. Hunt:

Please be advised that City of Blue Springs has contacted the Missouri Highways and Transportation Commission (MHTC) to request the voluntary annexation of highway rights of way. The request specifically includes the highway rights of way of Route U.S. Highway 40 Eastbound from the western most development line for Indigo Hills subdivision to SW Bowlin Rd.

This annexation would allow a clearly defined western edge for the City of Blue Springs' city limits which will line up with the western edge of Indigo Hills subdivision.

The MHTC requires a letter from each city within a five (5) mile radius of the property to be annexed stating that the city has no objection and no knowledge of any controversy or objection regarding the proposed annexation. If you are aware of any controversy or objection the letter should include specifics of the controversy or objection.

I would greatly appreciate if you would provide a letter to my attention by May 13 regarding the proposed annexation. Should you have any questions, please contact me at (816) 220-4583. You may also send comments to the address shown below.

Sincerely,

Nancy Yendes
