**ITEM X: NEW BUSINESS**

- Request to approve 2016-2017 liquor license renewals
  - Mayor Todd read the list of liquor license renewals and opened the floor for questions from the Aldermen. Alderman Arnold asked if issues regarding underage sales have been resolved. Chief of Police David Starbuck shared that one case has been disposed and three are pending with the court. City Attorney Jim Cook explained that one violation should not affect relicensing. The court takes into consideration how many convictions, whether it was a mistake, if the seller was remorseful or if there is an ongoing pattern.

**-MOTION APPROVED: 6-0-**

- New liquor license application
  - Steve Whiteside of Steve's, LLC was present for introduction to the Board of Aldermen. Mr. Whiteside has purchased Bodee's from Alicia Niccum and has applied for a liquor license. He will take over the business July 15, 2016. All required documentation has been provided to process his application, with the exception of fingerprinting, which will be scheduled with Chief of Police Starbuck. City Clerk Chené Parrish explained that the license will be brought to the Board for their consideration at the next regular meeting on July 11, 2016.

# Memorandum

**To:** Mayor Todd & Members of the Board of Aldermen

**From:** Ryan Hunt, City Administrator

**Date:** 06/27/2016

**Re:** Addition of Communications Manager

---

At the direction of the Board of Aldermen, I have proceeded with the creation of a Communications Manager position. The purpose of the position is to enhance public outreach and communication, with both internal and external patrons. In this memorandum, you will find the target responsibilities and goals for the Communications Manager, the methodology used to identify the salary range of the position, and directions on the next steps for approving the position.

While drafting the job description, special attention was given to the areas identified as growth opportunities. Accordingly, the job description has clearly defined boundaries and includes roles that City Administration and the Board of Aldermen have identified as key outreach methods. Attached to this memo, you will see the job description that identifies job roles and responsibilities.

Based on the City's Code of Ordinances, the approval of a job description and hiring of a specific candidate is an administrative function of the City Administrator. The BOA must "create" the position by adding the job title to the compensation plan. The compensation plan was most recently approved with the adoption of ordinance number 2374. This ordinance approved and set the 2016 Budget for the City. Since the compensation plan was approved by ordinance, an amendment to the plan must be approved via the same legislative action.

The position pay grade was determined after performing a comprehensive analysis of 62 area public entities. Once the information was catalogued, the positions were sorted by title. To be sure that the sample group was reflective of the actual market conditions, the positions that were identified as "outlier" salary ranges were removed from the analysis. Simply put, the positions with the highest and lowest salary range were removed from the sample group. Although they are excluded from the calculation, they are still shown and identified as "Outliers."

Outliers (Top & Bottom Earning Positions in Survey)				
PLEASANT VALLEY	COMMUNICATIONS OFFICER	\$ 19,760.00	\$ 37,419.00	\$ 26,184.00
OLATHE	COMMUNICATIONS DIRECTOR	\$ 104,676.00	\$ 163,724.00	\$ 121,818.00

Below, I have included a table from the analysis, but will highlight some key points of the study. The market analysis indicated that the actual salary for Communications Officers range from \$28,398-\$69,912 per annum. Further review indicated that the salary grade range is \$24,876-\$82,972. *N.B.* the range is made up of the lowest value in the “Range Min” and the highest value in the “Range Max.” This is not to be confuse with the mean “Range Min”, “Range Max” or “Actual” salaries, as the mean only shows the average salaries from the entire study.

WARRENSBURG	PUBLIC INFORMATION/MRKTG	\$ 28,908.00	\$ 44,556.00	\$ 36,228.00
	<b>Mean Salary</b>	<b>\$ 38,358.60</b>	<b>\$ 57,890.10</b>	<b>\$ 49,585.56</b>

When considering a salary range based off of a large sampling pool, it is important to understand the full range is not always the most appropriate range. In this case if the City set the range based off of the overall spread in the KC Metro area, there would be a \$58,096 gap between the minimum and maximum salary. To avoid such drastic spreads in the range, we employ the 25<sup>th</sup>-75<sup>th</sup> percentile method of setting the range. To illustrate how this is applied, you must look at the minimum salary as being the 0 percentile and the maximum being the 100<sup>th</sup> percentile. As you can see in the table below, if we use the 25%-75% it narrows the range to \$39,400-\$68,448.

Range & Percentiles Within the Range	
Minimum Salary	\$ 24,876.00
25th Percentile	\$ 39,400.00
50th Percentile	\$ 53,924.00
75th Percentile	\$ 68,448.00
Maximum Salary	\$ 82,972.00

By using the consolidated range, we are able to compare and set the range in the compensation plan. To do that we simply find the pay grade that most closely matches the range we've assigned to the position. As you can see below, this position will be assigned to the compensation plan as a Grade 7 position.

Based on the analysis performed at the direction of the Board of Aldermen, the next steps for creating the position are as follows:

- June 27, 2016 - BOA 1<sup>st</sup> read and approval of the updated compensation plan
- July 11, 2016 - BOA 2<sup>nd</sup> read and approval of the updated compensation plan
- July 12, 2016 - Advertise the position and collect applications
- August 1, 2016 - Begin interviewing and select the new employee (if identified)
- August 29, 2016 - Start date

It should be noted that the funding for this position will require no additional allocation in FY 2016. Between the left over funding from the Public Information Officer contract and turnover during the year, the position will be paid for with funds that have already been programmed for 2016 salaries. Additionally, my intention is to hire this as a part time position (approximately 32 hours per week) for the remainder of 2016. In 2017, if the need exists, the position can be switched to a full time assignment. Regardless of the work status, the job will be an hourly position.

In conclusion, I would like to thank the Board of Aldermen for consideration of this position. One of the largest areas of citizen dissatisfaction has been communication of City information and events. This area of concern has been routinely raised by citizens, elected officials and City staff. Due to the consistent feedback, this has been a high priority under my administration. As you know, when citizens voice concerns we must listen. When citizens consistently complain about the same issue, we must act. Approving this position via the compensation plan will be the most effective step to take action in response to what the citizens have requested.

Please let me know if you have any questions regarding the position, compensation analysis, or hiring process.

**Re:** 2016 Street Maintenance

---

In continuing our search for reducing costs associated with roadway maintenance, staff recommends teaming again with Jackson County on a street maintenance contract. Like last season, Grain Valley will again benefit from lower asphalt bid cost due to the economy of scale when compared with Jackson County's asphalt repair quantities.

Under this agreement Jackson County has bid asphalt road maintenance items and selected Superior Bowen Asphalt Co, LLC as the low bidder identified in the Jackson County bid tab. The selected contractor will extend all contractual prices and warranties associated with their current bid to the City of Grain Valley. The City would be responsible for inspections. Staff recommends we move forward with utilizing Jackson County's 2016 Pavement Maintenance program to complete this year's overlay projects.

This year's CIP street maintenance program anticipates the edge milling and overlaying of approximately 1,400 linear feet of Golfview drive and a portion of Long Drive approximately 950 linear feet along Butterfly Park. City crews will be repairing curbs and sidewalks in preparation of the roadway work. This contract will also provide asphalt work on Cannon Street, Gregg, Young, Broadway, Concord, South, Front, Harris, Elizabeth, Yennie, Willow, and Garden Street. A portion of Eagles Parkway from Sni-A-Bar to Minter will also be included. Rust Road is anticipated to be a micro seal with patching to extend the life of the pavement.
