Memorandum

To: Board of Aldermen/Ken Murphy

From: Richard Arroyo, P.E.

Date: 07/31/17

Re: 2017 Street Maintenance

In continuing our search for reducing costs associated with roadway maintenance, staff recommends teaming again with Jackson County on a street maintenance contract. Like last season, Grain Valley will again benefit from lower asphalt bid cost due to the economy of scale when compared with Jackson County's asphalt repair quantities.

Under this agreement Jackson County has bid asphalt road maintenance items and selected Superior Bowen Asphalt Co, LLC as the low bidder identified in the Jackson County bid tab. The selected contractor will extend all contractual prices and warranties associated with their current bid to the City of Grain Valley. The City would be responsible for inspections. Staff recommends we move forward with utilizing Jackson County's 2017 Pavement Maintenance contract to complete this year's overlay projects.

This year's CIP street maintenance program anticipates the edge milling and overlaying of approximately 1,500 linear feet of OOIDA Drive and RD Mize, approximately 1400 linear feet along Herford Drive, 800 linear feet of Ridgeview Drive, an 1100 linear feet of Harvest Drive. Work will also be completed around the traffic circle at Sni-A-Bar and Cross Creek Drive. City crews will be repairing curbs and sidewalks in preparation of the roadway work.
