properties will not affect the current uses. They can continue in their current state per sections 400.270, 400.271, 400.272, 400.273, 400.274, 400.275 and 400.276 of the Grain Valley Municipal Code. Since the proposed end use for these properties is mini-storage, the applicant will still have to apply for a conditional use permit per section 400.240 if the zone change request is approved by the Planning & Zoning Commission and the Board of Aldermen. Per code, mini (convenience) storage can only occur in C-3 or M-1 zoned districts. Conditional use permit applications require public hearings at the Planning & Zoning Commission and the Board of Aldermen.

This process is a little more complicated than most requests that we see because it involves a use that is only allowed through a conditional use permit. Adding to that, one of the conditions of getting a conditional use permit for this particular use is that the property must be zoned either C-3 or M-1 which means that prior to the permit application the applicant must go through the zone change process. Another layer to this request is that it involves multiple parcels and there are multiple uses found on those parcels even though they are zoned R-1 single family. Per the preliminary site plan, the applicant is proposing a three phase mini (convenience) storage project and a pad site area fronting SW Eagles Parkway. The current bar (Charley's Roadhouse) is proposed to go away in phase three. As this process plays out it is important that consideration must be given to not negatively impact the residential properties along Broadway and Garden. Lighting and a buffering are two of those things to consider. In looking at the future land use map, the properties are shown as commercial so the plan has always been for the use to be commercial and not residential moving forward. The important part is to make sure that the commercial use is appropriate for that particular area.

- There were four citizens at the meeting to give their thoughts on the requests. John and Evelyn Beck, Rose McGloughlin and the owner of 126 SW Eagles Parkway. A variety of questions were asked concerning the affect it would have on their property values and whether this was the right kind of commercial project for the area. Everyone understood that this area is shown as commercial on the future land use map. There was also concern over the operation of the mini storage with respect to lighting, screening and hours of operation. Ken Murphy

let everyone know that this request was simply for a zone change and that conditions specific to the operation of the business would be dealt with when and if the applicant pursued the conditional use permit. He also stated that would require more public hearings and public notice.

- Chad Risinger (applicant) stated that he wanted to work with the neighbors and would be happy to meet with them. He also said that he would entertain limiting the hours that the lot could be accessed and wanted to move along as quickly as possible based off how quickly the units were leased. His initial thought was phase one would be immediate and hopefully phases two and three would be within a year of the completion of the first phase.

ITEM VI: ACTION ITEMS

- Zone Change – R-1 Single Family to C-3 Highway Commercial (parcels: 37-830-07-09-01-4-00-000, 37-830-07-36-01-0-00-000, 37-830-07-06-02-0-00-000, 37-830-07-14-00-0-00-000, 37-830-07-28-02-0-00-000, 37-830-07-28-01-0-00-000, 37-830-07-11-00-0-00-000 and 37-830-07-36-02-0-00-000)
 - Justin Tyson motioned to approve the requested zone change; the motion was seconded by Shea Bass; Craig Shelton stated he was concerned with granting approval of the zone change because of the pretense that it was for convenience storage; Commission approved 6-1 which Craig Shelton being the no vote.

ITEM VIII: NEW BUSINESS

ITEM VI: ACTION ITEMS

- Final Plat – Rosewood Hills- 9th Plat, Phase A
 - Rick Arroyo gave an overview of the request and discussed how this phase meets the outline of the preliminary plat and that several additional phases are expected, one to the north and possibly two others to the east.
 - Craig Shelton asked if the extents of the phase was only along Hickorywood Court, Rick Arroyo confirmed that its only the area along Hickorywood Drive.
 - Elijah Greene asked if Crestwood Drive would have a turn around. Rick Arroyo discussed that the final plat would not include the temporary turn-around, but it is shown on the preliminary during construction.
 - Rick Arroyo discussed that the City required two crossings across the creek to the unplatted section shown across the creek.
 - Justin Tyson motioned to approve the Final Plat of Rosewood Hills 9th Plat, Phase A; the motion was seconded by Kevin Browning. Commission approved 7-0 to approve the Final Plat of Rosewood 9th Plat, Phase A.

ITEM VII: PREVIOUS BUSINESS

- Debbie Saffell commented that she heard from many residents from all over Grain Valley who were not in favor of storage units as discussed at the previous meeting but the residents did not provide feedback on what type of development they would like to see; Bob Headley mentioned that at the last Board of Aldermen meeting an existing storage unit owner was not in favor of additional storage units in the City due to the current occupancy rate of the existing storage units within the City. Justin Tyson mentioned that he had heard some in favor of a nice better regulated storage development; Rick Arroyo mentioned that the variance application had not been completed and may be submitted by the next meeting. Kevin Browning asked if the area was outside the Overlay District, Rick Arroyo discussed that it was just outside the Overlay District. Rick Arroyo discussed that the Commission can consider restrictions when it appears in front of them.

- City Administrator Hunt shared that staff, per the Board of Aldermen’s direction, are beginning a review of Chapter 600; Class M (3AM) liquor licenses have continued to be a polarizing topic and accordingly this resolution issues a moratorium on the issuance of Class M licenses until the Board of Aldermen can review the revisions staff recommend
- Alderman Totton asked if those with a current Class M licenses would be allowed to keep the license; those who have a current Class M license will be allowed to maintain and be eligible for renewal of that license during the moratorium; this will eliminate any new licenses issued from this point forward; staff have proactively reached out to new operators of Whiskey Tango to let them know a moratorium would be discussed and to explain the intent of the moratorium
- *Resolution No. R18-43 was voted upon with the following voice vote:*
 - *Aye: Bamman, Coleman, Headley, Stratton, Totton, West*
 - *Nay: None*
 - *Abstain: None*

ITEM I: CALL TO ORDER

- The Board of Aldermen of the City of Grain Valley, Missouri, met for a Budget Workshop on October 29, 2018 at 6:07 p.m. in the Winona Burgess room located at Grain Valley Community Center
- The meeting was called to order by Mayor Mike Todd

ITEM II: ROLL CALL

- City Clerk Theresa Osenbaugh called roll
- *Present: Bamman, Coleman, Headley, Stratton, Totton, West*
- *Absent: None*

-QUORUM PRESENT-

ITEM III: DISCUSSION

- 2019 Fiscal Year Budget
 - Mr. Hunt presented the Comprehensive Fee Schedule; the only changes were slight increases to rental fees and security deposits in the Parks and Recreation Fee schedule
 - Mr. Hunt presented the 2019 Compensation Plan; this document is current at the moment; Springsted will present findings of the current compensation study to the Board of Aldermen on November 13th
 - Reserve Trends:
 - Ending unrestricted balances over the past several years were presented; 2018 and 2019 balances are only estimates at this time; reserves are built so projects can be funded without adding debt; City's fund balance continues to climb which is positive but at some point it is important to tighten expenditures and revenues; the total unrestricted cash balance reserves are currently at 86.75% of our annual expenses; GASB Reserve Policy Requires 25% of the budget be maintained in reserves; water and sewer fund are being withheld for the construction of a future water tower and transportation dollars are set aside for construction projects
 - Budget being reviewed is an operational budget only; presented budget doesn't address merit increase, COLA increase, salary survey or personnel changes which are being recommended; staff have put together a budget with the needs while leaving room to make the Human Resources changes that are needed
 - Revenue and Expenditure Trends
 - Revenues have posted increases since FY 2010

- Presented budget anticipates a 4% increase in revenues; this is less of an increase than previous years as the Board authorized the rollback in the tax levy; expected areas of the top revenue increases include development fees, sales tax and property taxes
- Expenditures are difficult to trend due to fluctuations in capital outlay; adjusting for an outlay, the trend shows a slight increase in operations and a noticeable increase in personnel expense which is appropriate considering the City is growing
- Mr. Hunt highlighted the revenues and expenditures as well as proposed transfers to accommodate those expenditures
- Key Personnel Expenses
 - 2018 Salary study is nearing completion; Springsted will provide several recommendations to the Board of Aldermen on November 13th; Preliminary results indicate a notable gap between what should be considered a competitive market rate and our existing salary and benefits package; salary is a bigger problem than the benefits
 - Employees did not receive a salary increase in 2018; City did offer short and long term disability to employees in 2018 (short term is City paid, long term is voluntary and paid 100% by the employee at no cost to the City)
 - Alderman Bamman asked how many employees took advantage of the long term option; 10-15% enrolled in long term; Alderman Bamman asked how many employees have utilized the benefit; one employee has used the benefit so far
 - Alderman West asked what the current benefit to salary percentage is; the current percentage of benefits vs salary is 30.1%; last year the percentage was 27% before the amount of benefits the City covered was increased
 - Staff is recommending a City wide salary increase but the amount will depend on the results of the salary study; COLA is 2.6% for the year with no merit included; City Administrator Hunt provided the total varying costs for salary increases of 1-5% ; Alderman Headley asked if a COLA was already in the budget; COLA or merit increases are not in the provided budget; numbers presented for the potential increases do include what would happen to FICA and retirement
 - Alderman West asked if the compensation study set a target or if ratios would level off; specific numbers haven't been given

regarding the percentage of benefits to salary that should be used; preliminary findings are that both are low with benefits being slightly low and salary further off

- City Administrator Hunt gave an overall review of the balanced budget:
 - Total Revenues are budgeted at \$15,159,765; Total Expenditures are budgeted at \$14,324,571; this leaves a surplus of \$835,194; this surplus is not intended to be the final amount as further discussions regarding personnel and other needs are coming; Alderman Bamman clarified that the budget does not take into account any anticipated salary increases; due to the timing of the salary study, this budget does not include any potential increases; City Administrator Hunt provided document from Springsted with potential options to move forward with a new salary structure;
 - City Administrator Hunt presented each department's revenues and expenditures:
 - General Fund revenues are projected at \$4,051,133 which has increased since the previous year; expenditures are budgeted at \$3,918,000; \$25,000 of funds are transferred to the Parks Department, leaving a surplus of \$107,000
 - Alderman West asked for clarification on why the City has only received 68% of the sales tax projected for 2018 but an increase in sales tax for 2019 is being projected; Sales tax is received 2 months after it is collected so numbers shown tonight only capture collection through August
 - City Administrator Hunt reviewed Capital Projects (over \$5,000 in cost):
 - General Fund:
 - \$6,000 firewall replacement
 - HVAC at the acquired building on Gregg Street will cost \$3,600- this has been a phased approach
 - HVAC at the City building used to be under a maintenance contract, however, companies are offering these programs less often and the HVAC has to be brought up to new standards before anyone will maintain it; approach moving forward is to budget money for repairs as needed

- Roof Repair at City Hall is budgeted for \$5,000; roof has leaks and ongoing maintenance is needed to keep it from progressing
- Mobile A/C Evacuate and Recharge which allows work on systems for the fleet is budgeted at \$4,000; Evaporation Cooler is for the fleet maintenance building where there is no air conditioning
- Five vehicles are on the VERP to be replaced this year; four of those vehicles are in good enough condition to continue being used; the one vehicle being replaced was on the VERP several years ago but now has come to the critical point of needing to be replaced; Alderman West asked for a copy of the VERP; a comprehensive fleet analysis will be completed to see if standards are reasonable and if the vehicles owned are sufficient for the staff without having too many
- Laser Ammo Smokeless Range Use of Force Simulator is requested to provide officers with POST CEUS; this provides realistic situations and can also be used to provide training classes at a cost to outside agencies; training happens 3 times per year and before Target Time closed, the City paid \$1,500 for officers to be able to practice on their own
- Investigative Equipment DJU Drone is being requested by the Police Department; drone comes highly recommended for law enforcement and has night vision and a heat simulator which can track missing people; drone outlines shapes of object such as backpacks or weapons; drone can also be used to survey areas, assist with natural disasters and barricade situations; can reduce officers that have to be called in to work; City can use it for promotional videos; two officers and one person from the City Hall would be certified in the operation of the drone; certification is an FAA certification at \$150 per person; Alderman Bamman asked if the additional costs in the line item were part of the drone; Alderman Stratton thought it was a better idea than putting peoples lives at risk to get a better

idea of a situation; Mayor Todd wants to be sure that night vision and heat sensors were part of the drone for real life situations

- Ballistic Shields are budgeted; speed signs budgeted are a set; handheld radar guns need to be updated; radio equipment is included as there are no backup radios currently; two lidar guns are being requested; additional MBT units are being budgeted; 12 new COBAN and MDT units are included in the budget- State Bank would be providing the financing
 - Parks and Recreation Capital Funds were reviewed:
 - Commercial Mower and a 1-ton truck are due for replacement; truck was actually up for replacement last year; 9 foot snow plow is included in the truck price
 - Park Entrance Signs are being requested for Armstrong and Butterfly Trail as well as Monkey Mountain
 - Picnic Table shelters are being requested for Monkey Mountain and Butterfly Trail and picnic tables for the pavilion are being requested; pavilion picnic tables will be perforated steel plastic which will last longer and be easier to clean
 - \$148,000 is budgeted for the Dillingham Trail Connector which will connect Rosewood to the existing Dillingham Trail; there is currently not pedestrian connectivity between the two trails
 - Community Center is requesting the replacement of 30 tables; 2 treadmills are also requested for replacement-treadmills are full throughout the day and used the most consistently
 - Entrance sign for the Community Center is being budgeted; Alderman Headley questioned if the money for those signs should be deferred until the move to the new property; options are being reviewed for signs that can be relocated; Mayor Todd would not be in favor of spending money on signs that couldn't be relocated;
 - Alderman West asked when the Community Center debt will be completed; Expires in 2020
 - Pool deck loungers are being budgeted for replacement; a small amount are replaced each year so they don't need to be replaced at once; slide at the pool is a critical replacement
 - Mayor Todd asked what playground equipment would cost at butterfly trail; the 5-12 year old playground purchased for Monkey Mountain in 2008 was around \$30,000 and the 2-5 year old

playground was between \$15,000-\$18,000 with volunteers installing the equipment; another consideration is that the designated park land only extends about 15 feet so there isn't a lot of room for a play structure unless more land is dedicated to parks; it is important to put in play equipment for both ages which adds to the cost; Mayor Todd thought it might be good for the Board to consider designating additional land to the Park Board; Alderman Bamman asked if this was the same property where it was discussed extending the road through; this is the same land and right now the only access to trail is off Long Drive; a parking lot that is more centralized and bigger would also need to be considered; Mayor Todd also noted that the City will eventually need to acquire land further North for a park due to growth in Rosewood, Hoot Owl, and other developments as there is currently no park North of I70; Alderman Headley asked if developers could be encouraged to donate land; green space can be encouraged but it is more helpful to have an actual plan to present to a developer at the time discussions begin

- Public Works Capital Fund Projects were reviewed:
 - Most of these items are split between water, sewer and transportation
 - Skid Steer Lease, Brush Hog, and the Silverado (Engineer Inspector) are all split
 - 2019 CIP overlays are based off of the annual Capital Improvement Plan which the board approves; roadways for mill and overlay were reviewed
 - Alderman Coleman asked if Prop D passes how much money would the City anticipate receiving; approximately \$220,000 with a phased approach that wouldn't be seen until 2020 likely; Alderman Coleman would like to consider putting this money into roads as this is what citizens are interested in
 - City Administrator Hunt noted a sizeable reserve in the transportation fund; surplus is almost \$300,000; once other items are finalized there is a possibility to add additional roads or escalate the CIP
 - Alderman Headley asked for more information about the skid steer brush hog; brush hog isn't a new piece of equipment-this is a replacement; the brush hog is able to get into harder spots

- Mayor Todd asked the Board to consider adding a utility vehicle for Public Works and directed staff to bring quotes back to the Board for consideration; this can be used for water leaks, locating manholes, etc. instead of the time it takes to walk and locate the areas
- Dillingham CIP project is a water extension that is parallel to the trail discussed earlier; there is a gap in Rosewood and to make sure proper fire protection and pressures are in place it is important to make sure there is more than one water line north and south; recommendation came from the Water Study recently completed
- City Administrator Hunt opened up the meeting for questions from the Board of Aldermen:
 - Alderman West asked if the pool management company was the same that had been used in the past; pool management goes out for bid every 3 years; Midwest Pool Management has been with the City for many years
- Mayor Todd brought forth a discussion regarding the Grain Valley YES program; there is no line item for GV YES in the budget and it is getting to a point where it will be launched
 - Truman Heartland can administer the fund so a separate 501C3 is not necessary; would like the City to consider seed money to get the program off the ground with the hopes that fundraising will support the program in the future
 - Ideas have included an Explorer program with the Police Department, outfitting the Nichols building for youth activities. basketball goals in the City, etc.; City Administrator Hunt noted discussions have also been occurring around increased availability of mental health counseling in Eastern Jackson County
 - City Administrator Hunt suggested \$5,000-\$10,000 for the first year which could come from the Public Health Fund which has 116% reserve
 - Alderman West asked for the resources that the school system has; school will probably take the lead on the mental health portion of the program; Dr. Welle and Mr. Hunt have/are meeting with Children's Mercy, St. Mary's and HCA; City is leading with mentorships

Eagle Convenient Storage

114 SW Eagle's Parkway

Grain Valley, MO 64029

Description

ESC is a 4 acre development project encompassing several properties along Eagle's Parkway in Grain Valley. The first two phases will consist of the construction of approximately 255 convenient storage units and two future commercial pad sites. The first phase will include the construction of approximately 197 storage units, office, infrastructure and storm water detention basin for the entire project. Phase two will consist of the demolition of the Charley's Roadhouse dba CW's Saloon and the construction of an additional 58 storage units. The remaining road frontage property of 260'x175' deep will be left alone for future development into a phase three retail, office or casual dining development. The two residential rental houses will remain until the redevelopment of phase three begins.

Eagle Convenient Storage

Special/Conditional Use Permit Details

Hours of Operation: 6am to 10pm, 7 days a week. Gated Entrance. Key Code Access Only. Onsite Office.

- Lighting: LED wall pack lighting will be installed on all exterior walls located on the interior of the development. (37 Watt, 3000 Lumens) Directional LED lighting pointed inwards at the development will be installed at the end of the buildings that back up to residential areas. (15 Watt, 3000 Lumens) In addition, there will be evergreen landscaping at each of those locations to significantly reduce any possible light pollution from the development. A privacy fence will be installed from building to building near the northwest corner of the property, which directly borders the residents at 124 SW Eagle's Parkway. (as discussed at the meet and greet with neighbors)
- Security: 2K IP Outdoor Security Camera System 4MP HD IP Night Vision Cameras. Cameras will be installed throughout the development. Recordings will be kept for 7 days and will be available to law enforcement if needed.
- Landscaping: Trees and shrubs along the back and sides of the development will be strategically placed. Both to reduce visibility in to the development and to reduce any potential light pollution from leaving the development. Landscaping along Eagle's Parkway will provide an aesthetically pleasing combination of trees, shrubs and plants to complement all of the seasons. 2" Autumn Blaze Maple, 1.5" Royal Raindrop Ornamental Tree,
- Signage: Back Lit Monument Sign. Located near the entrance.
- Timing: Construction for the entire project will begin as soon as the permit is approved. The property known as Charley's Roadhouse will continue to do business under the current liquor license. Charley's Roadhouse **WILL NOT** be seeking a June 2019 Liquor License Renewal. The Charley's Roadhouse property will be developed per the developer's future construction schedule.
- Exterior Elevations: The exterior walls on the south, west and east elevations of buildings 1 and 14 will consist of; LP SmartSide Cedar Strand Lap Siding on the gable and upper wall section. The lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. The west elevation of building 2 will consist of LP SmartSide Cedar Strand Lap Siding on the gable and upper wall section. The lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. The covered porch will have 6x6 Cedar Posts, 4x4 cedar cross post and 4x4 cedar wagon wheel at the end of the gable. The south, west and east elevations of building 13 will consist of LP SmartSide Cedar Strand Lap Siding on the upper wall section and the lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. All other metal surfaces will consist of 26 gauge PBR screw down metal siding. Wall color will be Sage Brush (tan). The roof color will be Burnish Slate (dark brown)
- Interior Columns, Girts, and Purlins will be galvanized cold form double C channel.
- Roof pitch on building 1,2,3 and 14 will be 4/12.
- The roof pitch on all other buildings will be ½ /12
- The building height for all buildings will be 9'6" from finish grade to the top of the wall section.
- Garage doors will be 9'x8'

BOARD OF ALDERMEN AGENDA ITEM**

MEETING DATE	11/13/2018	
BILL NUMBER	B18-18	
AGENDA TITLE	AN ORDINANCE CHANGING THE ZONING FOR CERTAIN LAND IN GRAIN VALLEY FROM R-1 SINGLE FAMILY TO R-3 MULTI FAMILY PLANNED UNIT DEVELOPMENT	
REQUESTING DEPARTMENT	Administration	
PRESENTER	Ken Murphy, Assistant City Administrator	
FISCAL INFORMATION	Cost as recommended:	\$0
	Budget Line Item:	N/A
	Balance Available	\$0
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
PURPOSE	To allow the area to be developed as an age restricted senior development, similar to Blue Branch Manor in Grain Valley	
BACKGROUND	The applicant is the owner of this parcel and is the developer of the seven lots directly south of this parcel where single family homes are being constructed. The land between Walnut and Yennie Avenue along the east side of EE Kirby had been vacant/undeveloped for decades prior to Mr. Wolff buying the land and building single-family homes along the north side of Walnut.	

SPECIAL NOTES	This is a Planned Unit Development (PUD), and therefore, the approval process is different than normal zoning procedures. The rezoning and site plans are approved concurrently because one is dependent on the other. A PUD is used when the normal zoning regulations don't work for a development. One of the problems with trying to follow normal zoning procedures is that you have to abide by setbacks for each lot and consider access for each building. With this development, staff and the developer felt that a PUD was the way to go to ensure that everything could be laid out as efficiently as possible. If approved by the Commission there will be a public hearing before the Board of Aldermen. If approved there, the final plan will be submitted to the Commission for approval and then the Board of Aldermen again.
ANALYSIS	This project consists of twelve residential structures, and an office building. The residential structures will be a mixture of one and two bedroom units. This development is designed to accommodate the senior population in Grain Valley and will be similar to the Blue Branch Manor development located at SW Eagles Parkway and Minter Road. Staff believes that there is a definite need for senior housing in Grain Valley and are excited about this project. It also seems like a good fit for the multi-family designation because the airport is to the west, Bristol Park Apartments are to the north and there are multi-family units to the east. Improvements will be made along the south side of Yennie Ave and detention will be contained in tract A.
PUBLIC INFORMATION PROCESS	Notice was given as required by statute.
BOARD OR COMMISSION RECOMMENDATION	The Planning & Zoning Commission recommended approval of the zoning designation by a 6-0 vote.
DEPARTMENT RECOMMENDATION	Staff Recommends Approval

	Balance Available	\$0
	New Appropriation Required:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
PURPOSE	To respond to the applicant's request for an approval of a conditional use permit to operate a convenience storage facility	
BACKGROUND	The applicant, Mr. Risinger obtained a change of zoning to C-3 highway commercial for the property, which is one of the two allowable zoning classifications where convenience storage facilities can be located.	
SPECIAL NOTES	Per Municipal Code, convenience storage facilities are only allowed with a conditional use permit. This is the final step in that approval process. There were public hearings with the Planning & Zoning Commission and Board of Aldermen to change the zoning to C-3. There was also a public hearing in front of the Planning & Zoning Commission for the conditional use permit. The public hearing before the Board of Aldermen meeting and approval of the ordinance is the last step.	

ANALYSIS	Staff has looked at this area as future commercial with its location near the intersection of Main Street and SW Eagles Parkway as well as being across from Old Towne Marketplace. Specific uses were not outlined in the Comprehensive Plan. Mr. Risinger's plan is to have convenience storage on the land that is currently empty as well as the land where the bar is currently located. The two lots with homes on them will be pad sites for future commercial development
PUBLIC INFORMATION PROCESS	Notice was given as required by statute.
BOARD OR COMMISSION RECOMMENDATION	The Planning & Zoning Commission recommended approval of the zoning designation by a 6-0 vote.

Eagle Convenient Storage

114 SW Eagle's Parkway

Grain Valley, MO 64029

Description

ESC is a 4 acre development project encompassing several properties along Eagle's Parkway in Grain Valley. The first two phases will consist of the construction of approximately 255 convenient storage units and two future commercial pad sites. The first phase will include the construction of approximately 197 storage units, office, infrastructure and storm water detention basin for the entire project. Phase two will consist of the demolition of the Charley's Roadhouse dba CW's Saloon and the construction of an additional 58 storage units. The remaining road frontage property of 260'x175' deep will be left alone for future development into a phase three retail, office or casual dining development. The two residential rental houses will remain until the redevelopment of phase three begins.

Eagle Convenient Storage

Special/Conditional Use Permit Details

Hours of Operation: 6am to 10pm, 7 days a week. Gated Entrance. Key Code Access Only. Onsite Office.

- Lighting: LED wall pack lighting will be installed on all exterior walls located on the interior of the development. (37 Watt, 3000 Lumens) Directional LED lighting pointed inwards at the development will be installed at the end of the buildings that back up to residential areas. (15 Watt, 3000 Lumens) In addition, there will be evergreen landscaping at each of those locations to significantly reduce any possible light pollution from the development. A privacy fence will be installed from building to building near the northwest corner of the property, which directly borders the residents at 124 SW Eagle's Parkway. (as discussed at the meet and greet with neighbors)
- Security: 2K IP Outdoor Security Camera System 4MP HD IP Night Vision Cameras. Cameras will be installed throughout the development. Recordings will be kept for 7 days and will be available to law enforcement if needed.
- Landscaping: Trees and shrubs along the back and sides of the development will be strategically placed. Both to reduce visibility in to the development and to reduce any potential light pollution from leaving the development. Landscaping along Eagle's Parkway will provide an aesthetically pleasing combination of trees, shrubs and plants to complement all of the seasons. 2" Autumn Blaze Maple, 1.5" Royal Raindrop Ornamental Tree,
- Signage: Back Lit Monument Sign. Located near the entrance.
- Timing: Construction for the entire project will begin as soon as the permit is approved. The property known as Charley's Roadhouse will continue to do business under the current liquor license. Charley's Roadhouse **WILL NOT** be seeking a June 2019 Liquor License Renewal. The Charley's Roadhouse property will be developed per the developer's future construction schedule.
- Exterior Elevations: The exterior walls on the south, west and east elevations of buildings 1 and 14 will consist of; LP SmartSide Cedar Strand Lap Siding on the gable and upper wall section. The lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. The west elevation of building 2 will consist of LP SmartSide Cedar Strand Lap Siding on the gable and upper wall section. The lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. The covered porch will have 6x6 Cedar Posts, 4x4 cedar cross post and 4x4 cedar wagon wheel at the end of the gable. The south, west and east elevations of building 13 will consist of LP SmartSide Cedar Strand Lap Siding on the upper wall section and the lower wall section will be similar to the Choctaw Tumbled 2-3" Stacked Stone. PURPOSE	To sell approximately 16 acres of land acquired in the 2013 purchase of property with Habitat-Missouri, LLC	
BACKGROUND	The City has looked at different options for the land and decided that it is best served as residential. The land is bordered on the east, west and south by residential and the land to the north is conservation land. The Board of Aldermen directed staff to put out an RFP for purchase and development of the land for residential development.	
SPECIAL NOTES	The zoning of the property was established as R-1 single family by the Planning & Zoning Commission and the Board of Aldermen so the land is ready to be platted. There were wetland issues that the City was not aware of prior to bids being received which caused a delay in the sale process.	

ANALYSIS	After bids were received from the RFP that was issued for purchase and development, L and L's bid was found to be the highest. After that was established, City staff and the bidder addressed issues related to wetland mitigation. After going through that process, a negotiated sale price of \$320,000 was agreed upon.

REAL ESTATE SALE CONTRACT

THIS CONTRACT is made and entered into by and between Grain Valley, Missouri, a municipal corporation ("Seller"), and L & L Development, LLC, a Missouri limited liability corporation ("Buyer").

W I T N E S S E T H:

In consideration of the mutual covenants, promises and agreements contained herein, the mutual covenants, promises and agreements contained in the real estate sale contract entered into by Seller and Buyer and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1. **Grain Valley Property.** Subject to the terms, provisions and conditions hereinafter set forth, Grain Valley hereby agrees to sell, transfer and deliver to L & L Development, and L & L Development hereby agrees to purchase and acquire from Grain Valley, on the hereinafter stated Closing Date (as defined in this Contract), all of the right, title and interest of Grain Valley in and to the following described property:

a. That certain real estate (the "Property") located in Jackson County, Missouri, and is legally described in Exhibit "A" attached hereto and incorporated herein by reference.

2. **Exceptions.** Seller shall convey the Property to Buyer free and clear of all liens, encumbrances, restrictions, easements and other matters affecting good marketable title, with the exception of the Permitted Exceptions as defined in this Contract, zoning ordinances and laws.

3. **Purchase Price.** The purchase price ("Purchase Price") to be paid by Buyer to Seller for the Property shall be Three Hundred Twenty Thousand and 00/100 Dollars (\$320,000.00). The Purchase price shall be paid by the Terms of the Real Estate Contract.

4. **Prorations.** The rents, income and expenses from the Property, shall be prorated between Seller and Buyer as of Closing. Seller shall pay all general real estate taxes levied and assessed against the Property, if any, and all installments of special assessments, if any, for the years prior to the calendar year of Closing. All such taxes and installments of special assessments becoming due and accruing during the calendar year of Closing shall be prorated between Seller and Buyer on the basis of such calendar year, as of Closing. If the amount of any tax or special assessment cannot be ascertained at Closing, pro-ration shall be computed on the amount for the preceding year's tax or special assessment, if any. Buyer shall assume and pay all such taxes and installments of special assessments accruing after the Closing.

All items to be prorated between Seller and Buyer, as well as other charges and credits reflected on the closing statements of the parties, shall be based upon the best information available to the parties at the time of Closing. In the event, following Closing, either party discovers that any item prorated, charged, or credited pursuant to the provisions of this section was erroneous, or

was based upon an inaccurate estimate, then such party shall notify the other party of such error and an appropriate adjustment shall be made between the parties so that any such item will be correctly and accurately prorated, charged or credited between the parties. Any such amount shall be due and payable ten (10) days following demand for payment thereof accompanied by such documents as may reasonably be required to establish the accuracy of such adjustment. The provisions of this paragraph shall survive the Closing.

5. **Closing.** Subject to all the provisions of this Contract, the closing of this Contract (the "Closing") shall take place at the offices of Stewart Title Guaranty Company, 700 Northeast R.D. Mize Road, Suite 100 ("Escrow Agent") in Blue Springs, Missouri no later than December 28, 2018.

6. **Title Commitment.** Seller shall, as soon as possible and not later than twenty (20) days after the Effective Date of this Contract, cause to be furnished to Buyer, at Seller's cost and expense, a current ALTA Owner Title Insurance Policy in the amount of the Purchase Price, issued by Stewart Title (the "Title Company"), insuring a merchantable fee simple title in Buyer as of the date of recording of Seller's Warranty Deed (the "Deed"), subject only to the Permitted Exceptions, as defined below and all building or zoning ordinances and laws affecting the Property. Seller shall pay the cost of the Title Commitment and Owner's Title Policy provided for above (except that, other than as provided specifically above, Buyer shall pay for any title endorsements it requests or requires of the Title Company).

Buyer shall have fifteen (15) days (the "Review Period") after receipt of said commitment to raise any objections or exceptions in writing to the title commitment. If Buyer raises any objections or exceptions to the Title Commitment, Seller shall have a reasonable time but not to exceed twenty (20) days in which to rectify the title and, in such case, the time of Closing shall be extended accordingly, if necessary. In the event such title objections cannot be satisfied within twenty (20) days, Buyer may elect, in writing, to waive such objections, or to extend the time, in writing, to cure such objections. In the event that Buyer does not waive such objections or extend the time to cure such objections, this Contract shall terminate. Upon termination, the parties shall be released from any further liability or obligation hereunder. The title commitment shall describe the Property, name Buyer or its designee as the party to be insured thereunder and commit to insure good and marketable title in Buyer or its designee upon recording of the Grain Valley's Warranty Deed on the then current ALTA Form B policy form, in the amount of the Purchase Price.

As use herein, the term "Permitted Exceptions" shall mean the following: (i) any matters which are set forth in the Title Commitment and to which Buyer does not object within the Review Period; (ii) those items relating to the title to the Property or the Title Commitment which are waived by Buyer as a result of the objection and cure provisions set forth in this paragraph; (iii) taxes that are a lien but not yet due and payable, and for subsequent years; (iv) liens and encumbrances that will be removed at or prior to Closing and Seller may use closing proceeds to effectuate such removal; and (v) all building or zoning ordinances affecting the Property.

7. **Inspections:** Seller shall grant Buyer reasonable access to the Property for thirty (30) days after the Buyer's receipt of the Title Commitment (the "Inspection Period") for the purpose of inspecting the physical conditions of the Property. Buyer's inspection rights shall include performing soil tests, environmental tests or audits, foundation and mechanical inspections and such other inspections or surveys as the parties may reasonably request. Buyer agrees to repair any damage to the Property arising from these inspections and to indemnify, defend and hold the other party harmless from and against all claims, costs, demands and expenses, including without limitation, reasonable attorney's fees, court costs and other legal expenses, resulting from these inspections. Buyer's obligations imposed by this paragraph shall survive termination of this Contract. Buyer agrees to provide Seller with a copy of any written reports resulting from such inspections, within ten (10) days of the completion of said inspections. If Buyer determines, in its sole and absolute discretion, that the Property or any aspect thereof is not suitable or satisfactory to Buyer, Buyer shall be entitled to terminate the Contract by delivering written notice of termination to Seller on or before the end of the Inspection Period and that in that event, this Contract shall terminate. Buyer shall be deemed to be thoroughly acquainted and satisfied with the physical condition of the Property, other than as set forth in the paragraph entitled "Insurance; Maintenance; Casualty; Condemnation; Change of Condition" of this Contract. In addition, Buyer may re-inspect the Property before Closing upon reasonable notice to the other party.

8. **Due Diligence.** Buyer will have Thirty (30) days after Buyer's receipt of the Title Commitment to perform due diligence (the "Due Diligence Period") for the purpose of exploring and obtaining approval for the intended purpose of the Property. If Buyer determines that it cannot use the respective property for that party's intended purpose prior to expiration of the Due Diligence Period, Buyer may deliver written notification to Seller to cancel this Contract and this Contract will be terminated. In the absence of such termination notice, the Inspections and Due Diligence shall be deemed to be satisfactory to the Buyer.

9. **Condition of Property.** Seller is selling and Buyer is purchasing the Property in its present "AS IS" Condition without representations or warranties of any kind or nature. Buyer acknowledges that Buyer has been given a reasonable opportunity to inspect and investigate the Grain Valley Property and all improvements thereon, either independently or through agents of their choosing and that in purchasing the Property Buyer is not relying on Seller, or its agents, as to the condition or safety of the Property and/or any improvements thereon including, but not necessarily limited to electrical, plumbing, heating, sewage, roof, air, conditioning, if any, foundations, soils and geology, lot size or suitability of the Property and/or improvements for particular purposes, or that any appliances, if any, plumbing and/or utilities are in working order, and/or that the improvements are structurally sound and/or in compliance with any city, county, state and/or Federal statutes, codes or ordinances. Seller does not warrant the suitability of the Property for their intended use. Buyer assumes responsibility to check with appropriate planning authority for intended use and hold Seller harmless as to suitability for Buyer's intended use. Buyer agrees that Seller shall bear no liability or responsibility for any actions, problems or damages surrounding the platting of said Property or any causing arising from or coming out said platting. Buyer further states that they are relying solely upon their own inspection of Property and not upon any representation made to them by any person whomsoever, and is purchasing Property in the

condition in which it now is, without any obligation on the part of the Seller to make any changes, alterations, or repair thereto. Seller is not transferring any personal property and gives no warranties or representations regarding such personal property that may exist on the Property. The closing of this transaction shall constitute as an acknowledgment by the Buyer that the Property was accepted without representation or warranty of any kind or nature and its present "AS IS" condition based solely on the Buyer's own inspections.

10. **Insurance; Maintenance; Casualty; Condemnation; Change of Condition.** The Parties agree that Seller is not required to maintain fire and extended coverage insurance for the Property. Seller shall do ordinary and necessary maintenance, upkeep and repair to the Property through Closing. If, before Closing, all or any part of the Property is taken by eminent domain, or if a condemnation proceeding has been filed or is threatened against the Property or any part thereof, or if all or any part of the Property is destroyed or materially damaged after the Inspection Period, Seller shall promptly provide written notice to the Buyer of any such event. Upon notice of such occurrence, Buyer may re-inspect the Property and may, by written notice to the Seller within ten (10) days after receiving the party's notice, terminate this Contract. Unless this Contract is so terminated, it shall remain in full force and effect, and the Seller shall, at Closing, assign and transfer to the Buyer all Seller's right and interest in and to any awards that may be made for any taking and any insurance proceeds payable on account of casualty. If a non-material change in condition occurs with respect to the Property, Seller shall remedy such change before Closing. The provisions of this paragraph shall survive Closing or termination of this Contract.

11. **Real Estate Broker.** Seller and Buyer state that there are no real estate brokers who are entitled to any broker's, finders or other fee or commission. Any party to this Contract through whom a claim to any broker's, finder's or other fee or commission is made, contrary to the representations made above in this paragraph, shall indemnify, defend and hold harmless the other party to this Contract from any other loss, liability, damage, cost or expense, including without limitation, reasonable attorney's fees, court costs and other legal expenses paid or incurred by the other party, that is in any way related to such a claim. The provisions of this paragraph shall survive Closing or termination of this Contract.

12. **Delivery of Deed; Payment; Disbursement of Proceeds.** At or before Closing, Seller agrees to properly execute and deliver into escrow the Deed, and all other documents and funds necessary to complete the Closing. The Deed shall convey to Buyer marketable fee simple title to the Property, free and clear of all liens and encumbrances, other than any easement, right of way, license or other obligation provided for in the Permitted Exceptions.

13. **Termination.** If this Contract is terminated by either party pursuant to a right expressly given in this Contract, neither party shall have any further rights or obligations under this Contract.

14. **Default and Remedies.** Seller or Buyer shall be in default under this Contract if either fails to comply with any material covenant, agreement or obligation within any time limits required by this Contract.

a. If Seller defaults, Buyer may (i) specifically enforce this Contract and recover damages suffered by Buyer as a result of the delay in the transfer of the property; or (ii) terminate this Contract by written notice to Seller and, at Buyer's option, pursue any remedy and damages available at law or in equity. Notwithstanding anything contained herein to the contrary, Seller shall not be liable for any special, indirect, incidental or consequential damages incurred by Buyer.

b. If Buyer defaults, Seller may (i) specifically enforce this Contract and recover damages suffered by Seller as a result of the delay in the transfer of the Property; or (ii) terminate this Contract by written notice to Buyer and, at Seller's option, pursue any other remedy and damages available at law or in equity. Notwithstanding anything contained herein to the contrary, Buyer shall not be liable for any special, indirect, incidental or consequential damages incurred by Seller.

c. If, as a result of a default under this Contract, either Seller or Buyer employs an attorney to enforce its rights, the defaulting party shall, unless prohibited by law, reimburse the non-defaulting party for all reasonable attorneys' fees, court costs, and other legal expenses incurred by the non-defaulting party in connection with the default.

15. **Disposition of Funds and Documents.** The Title Company shall not distribute escrowed funds or documents, once deposited, notwithstanding any other terms of this Contract providing for forfeiture, without the written consent of all parties to this Contract.

16. **Entire Agreement.** This Contract, including the Exhibits hereto, constitute the entire agreement between the parties pertaining to the subject matter hereof and supersedes all prior agreements and understandings of the parties in connection therewith, and no modifications or changes hereof shall be binding on either party hereto unless set forth in writing, duly executed by the parties hereto.

17. **Assigns.** This Contract shall inure to the benefit of, and shall be binding upon, the parties hereto and their respective successors, heirs and assigns. This Contract may not be transferred or assigned by either party without the express written consent of the other party. In the event of any assignment hereof by either party hereto, any reference herein to such party shall refer to such party's assignee.

18. **Governing Law.** This Contract shall be governed by and construed in accordance with the laws of the State of Missouri.

19. **Counterparts.** It is expressly agreed that this Contract may be executed in one or more counterparts, all of which shall be taken together to constitute but one and the same instrument and shall be binding upon each party who may sign a counterpart of this instrument.

20. **Terminology.** The captions beside the section numbers of this Contract are for reference only and shall not modify or affect this Contract in any manner whatsoever. Wherever required by the context, any gender shall include any other gender, the singular shall include the plural, and the plural shall include the singular.

21. TIME IS OF THE ESSENCE OF THIS CONTRACT.

22. **Effective Date.** The Effective Date shall be the latest date on which either Seller or Buyer executes this Contract.

23. **Invalid Provisions.** If any one or more of the provisions of this Contract, or the applicability of any such provision to a specific situation, shall be held invalid or unenforceable, such provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Contract and all other applications of any such provision shall not be affected thereby.

24. **Further Acts.** In addition to the acts recited in this Contract to be performed by Seller and Buyer, Grain Valley and Seller agree to perform or cause to be performed at the Closing or after the Closing any and all such further acts as may be reasonably necessary to consummate the transactions contemplated hereby.

25. **Not Construed Against Drafter.** This Contract was negotiated by the Parties who had the opportunity to consult with legal counsel. All of the Parties have cooperated and participated in the drafting and preparation of this Agreement. Accordingly, the Parties agree that this Agreement shall not be construed or interpreted in favor or against any party by virtue of the identity of its preparer.

26. **Authorization to Execute.** The Parties executing this contract represent and warrant that they are legally authorized to execute this contract.

IN WITNESS WHEREOF, the undersigned have executed this Contract as of the date first above written.
