ITEM X: NEW BUSINESS

- Discussion about 2020 Grain Valley Fair
 - *Mike Todd from the Grain Valley Fair Association and Tasha Lindsey from the Grain Valley Partnership discussed the 2020 Grain Valley Fair; the fair will not have a carnival this year due to COVID-19; the carnival company they use has not had a single carnival this year; there will also be no parade due to social distancing and County guidelines; Looking to host on September 11 & 12 with having various food vendors Friday night; Ms. Lindsey shared she wants to still have a beer garden, but the concerts are still not allowed per guidelines and watching numbers to make sure they can meet numbers; may have a DJ; September 12 would have food vendors and non-food vendors while maintaining social distancing and no one in the grass areas this year and no large tent; they will rename it from “fair” to something else*
- Discussion about Food Truck Fridays extending
 - *Mr. Todd shared the original Food Truck Fridays was approved in June and was initially cut off at August 7; they have had a lot of attendees; requesting approval from the board to extend; around 7k-9k food sales every Friday night; there have been people coming out from out of the city to visit the food trucks; the concept is now being repeated in other cities; asking to extend to the fair weekend at least; they would like to move it from the location by the post office to behind the community center and pool to give more room for spacing out of trucks and customers; people could utilize the parks to eat; Ms. Lindsey said there has been a tremendous response from our citizens*
 - *Mayor Johnston shared he doesn't have an issue with the food trucks moving behind the community center as it doesn't have competition for parking like it does by the post office; Parks Director Mr. Davies voiced concern about ball games occurring in the space behind the community center and there would be potential issues if it extends past the fair with parking on Friday nights; Once the ordinance is approved for food trucks it most likely wouldn't take effect until the next license cycle*
- *Alderman Headley made a Motion to allow Fair board to sell alcohol on City property during the fair 9/11 & 9/12*

MEMORANDUM

FROM: Khalilah Holland, Human Resources Administrator
TO: Mayor & Board of Aldermen
CC: Ken Murphy, City Administrator
DATE: August 17, 2020
SUBJECT: 2020 Employee Handbook Update

The 2014 Employee Handbook (revised August 2015) was reviewed and updated by Littler Law. The update to the employee handbook includes addressing inconsistencies within the current handbook, updating reference to employment laws, standards, policies and procedures to be compliant with Federal law and State statutes and updates/revision to policies not included in the current handbook.

An RFP was issued and advertised in the Examiner in January 2020. The City received two responses. The response received from Littler Law was received on-time and in accordance with the RFP guidelines set forth. The second response received was not in accordance with the guidelines of the RFP.

After a thorough review by Administration, the Department Head team and Human Resources, a summary of comments were provided to Littler Law for consideration. Littler Law prepared an updated employee handbook with comments provided by the City, recommended missing or inconsistent legal compliance policies and verified accordance with the Police Officer and Sergeant labor agreements.

The following specific policies were added or updated: disability insurance, the service awards program, Christmas Eve holiday, sick leave donation policy, smoking/vaping and the dress standards.

The City approved a group short-term disability benefit in March 2018. A service awards program was implemented in February 2016. The Christmas Eve holiday was approved November 25, 2019. The sick leave donation policy was updated to reduce the number of hours an employee may request from fellow employees. With the approved employee handbook, smoking/vaping will only be allowed in designated areas during breaks or lunch periods. The dress and grooming standards have been updated to provide employees with a guide to be consistent with a business casual work environment.

Staff has provided a mark-up and a clean version of the handbook.

ACKNOWLEDGMENT PURPOSE OF EMPLOYEE HANDBOOK

This Handbook has been provided to communicate general policies and practices at the City of Grain Valley. While we follow the policies set out in this Handbook, the City of Grain Valley reserves the right to revise, delete, and add to the provisions of this Employee Handbook. All such revisions, deletions, or additions must be in writing. No oral statements or representations can change the provisions of this Employee Handbook. ~~deviate from, modify, revoke, suspend, terminate, or change any or all such policies, procedures, benefits, in whole or in part, at any time, with or without notice. As changes are made, however, we shall do everything possible to make sure they are well communicated and understood. If you do not understand them, or if you have questions not answered in this Handbook, you are urged to consult with your Supervisor, Department Head, or Human Resources.~~

This Handbook does not constitute a contract for employment or a guarantee of continued employment for any employee, and the policies shall apply to all City positions including management positions, unless otherwise specifically provided for. Except where some other standard is established under a collective bargaining agreement or individual employment contract, there is nothing in this Handbook or any other policy or communication that changes the fact that you are an “at will” employee. ~~Being an “at will” employee means that you are employed for an indefinite period of time and you may terminate your employment at any time. It also means that the City of Grain Valley may terminate your employment at any time.~~

~~The City of Grain Valley recruits, selects and places applicants from both inside and outside the organization, so that the best qualified applicant is chosen without regard to an individual’s ethnicity, race, color, creed, gender, age, veteran status, physical disability, national origin, sexual orientation, religion, marital or familial status, genetic information, or any other protected class in accordance with applicable laws.~~

This Handbook supersedes all previously published ~~handbooks, manuals, and other written or orally communicated policies and procedures and all past practices~~ Employee Handbooks. Not all of the City of Grain Valley’s policies and procedures are set forth in this Employee Handbook. We have summarized only some of the more important ones. It is your responsibility to read and understand all of the information contained in this Handbook. Any questions or concerns about this Employee Handbook or any other policy or procedure should be directed to your ~~S~~Supervisor, Department Head, or Human Resources. The City Administrator shall be charged with the responsibility for the administration of these policies and procedures.

~~To confirm receipt of this Handbook, you will be required to sign a receipt confirmation. Employee Handbooks remain the property of the City of Grain Valley and must be returned upon termination.~~

Nothing in this Handbook or in any other document or policy is intended to violate any local, state or federal law. Nothing in this Handbook is intended to limit any concerted activities by employees relating to their wages, hours or working conditions, or any other conduct protected by the Constitution of the State of Missouri. The personnel policies and procedures contained within this handbook are subject and subordinate to Federal law, State statute, and lawfully promulgated policies of the Court. In the event of conflict, applicable Federal law, State statute, or Court order, shall prevail.

MISSION STATEMENT

MISSION
STATEMENT

The mission of the City of Grain Valley is to provide residents, businesses and visitors with the highest level of service by providing professional municipal management in the areas of Public Safety, Parks & Recreation, Community and Economic Development, Water, Sewer, Transportation and the Stewardship of Public Funds.

OPEN DOOR POLICY

OPEN DOOR POLICY

We recognize that employees may have suggestions for improving our workplace, as well as complaints about the workplace. We all recognize that the accumulation of unspoken, unanswered problems, grievances, complaints and questions can result in dissatisfaction and can affect the work environment. It is to everyone's advantage to bring these matters out in the open.

COMPLAINT PROCEDURE

If you have a suggestion, problem, or complaint, please review it with your supervisor/~~manager or email it to your~~ Department Head, or ~~the~~ Human Resources ~~Director~~ Administrator ~~within one (1) working day at the earliest possible time.~~

While we provide employees with this opportunity to communicate their views, please understand that not every complaint can be resolved to the employee's satisfaction. Even so, we believe that open communication is essential to a successful work environment and all employees should feel free to raise issues of concern without fear of reprisal.

Please note that some City policies, such as the Equal Employment Opportunity Policy, and other policies prohibiting discrimination, harassment, and retaliation contain specific reporting procedures that should be followed. Employees should utilize this Open Door policy for reports and ideas that are not addressed through the City's specific reporting procedures.

EMPLOYMENT AT WILL

DEFINITION

Your employment with the City of Grain Valley is on an “at will” basis, except where some other standard is established under a collective bargaining agreement or individual employment contract, signed by the Mayor.

This means that your employment is for an indefinite period of time and may be terminated by you or the City of Grain Valley at any time, for any reason or for no reason, with or without cause or notice by the employee or by the City.

NOT AN EMPLOYMENT CONTRACT

Neither this Handbook nor any other City of Grain Valley communication, unless specified as an employment contract or agreement, creates an employment contract or limits the right to terminate at-will.

No employee rights are conferred upon the City of Grain Valley by this Handbook; and its contents should not give rise and legitimize expectations of continued employment.

COLLECTIVE BARGAINING AGREEMENTS

REPRESENTED EMPLOYEES

Certain City employees are represented by a labor organization. For these represented groups (known as “bargaining units”), the City will endeavor in good faith to establish a collective bargaining agreement with the relevant labor organization. Where a collective bargaining agreement is in effect, it will serve as the primary source for establishing wages, benefits, and terms or conditions of employment for the individuals employed within the bargaining unit.

CONFLICTING PROVISIONS INVALID

If there is any conflict between this Handbook and a collective bargaining agreement, the provisions of the collective bargaining agreement will be controlling. If this Handbook provides greater or lesser benefits, or more or less favorable terms or conditions of employment than appear in a collective bargaining agreement, the differing provisions of this Handbook shall be inapplicable to employees in the bargaining unit, and the collective bargaining agreement will be controlling. However, to the extent provisions of this Handbook address topics not covered in a collective bargaining agreement, or provide further details about matters that are addressed in a collective bargaining agreement without creating any conflict, the provisions of this Handbook shall apply to represented employees on the same basis as they apply to all other City employees.

Any inquires about the status of your complaint should be directed to ~~the~~ Human Resources ~~Administrator~~.

If a complaint of prohibited harassment or discrimination is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from harassment.

CONFIDENTIALITY

Confidentiality will be maintained to the extent practical and permitted by law. Investigations will be conducted as confidentially as possible and related information will only be shared with others on a need-to-know basis.

MANAGER'S

AGAINST
RETALIATION

Retaliation is prohibited against any person by another employee or by the City of Grain Valley for using this complaint procedure, reporting proscribed harassment, objecting to such conduct or filing, testifying, assisting or participating in any manner in any investigation, proceeding or hearing conducted by a governmental enforcement agency. Prohibited retaliation includes, but is not limited to, termination, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions or otherwise denying any employment benefit.

Individuals who believe they have been subjected to retaliation, or believe that another individual has been subjected to retaliation, should report this concern to any supervisor, Department Head, or to Human Resources. Any report of retaliatory conduct will be investigated in a thorough and objective manner. If a report of retaliation prohibited by this policy is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from retaliation.

GOOD FAITH

The initiation of a good faith complaint of harassment or retaliation will not be grounds for disciplinary action, even if the allegations cannot be substantiated. If it is determined, after investigating any complaint of harassment or unlawful discrimination, that the complaint was not made in good faith, or that an employee intentionally or recklessly provides false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave the false information.

AMERICANS WITH DISABILITIES ACT (ADA) AND AMERICANS WITH DISABILITIES AMENDMENTS ACT (ADAAA) DISABILITY AND ACCOMMODATION

POLICY

~~To comply with applicable laws ensuring equal employment opportunities for individuals with disabilities, the City of Grain Valley will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result. The Americans with Disabilities Act (ADA) and the Americans with Disabilities Amendments Act, known as the ADAAA, are federal laws that require employers to not discriminate against applicants and individuals with disabilities; and, when needed, to provide reasonable accommodations to applicants and employees who are qualified for a job, with or without reasonable accommodations, so that they may perform the essential job duties of the position.~~

~~It is the policy of the City of Grain Valley to comply with all federal and state laws concerning the employment of persons with disabilities and act in accordance with regulations and guidance issued by the Equal Employment Opportunity Commission (EEOC). Furthermore, it is the City's policy not to discriminate against qualified individuals with disabilities in regard to application procedures, hiring, advancement, discharge, compensation, training or other terms, conditions and privileges of employment.~~

REASONABLE
ACCOMMODATION

Any employee who requires an accommodation in order to perform the essential functions of their job, enjoy an equal employment opportunity, and/or obtain equal job benefits should contact Human Resources to request such an accommodation. Human Resources will communicate with the employee and engage in an interactive process to determine the nature of the issue and what, if any, reasonable accommodation(s) may be appropriate. In some cases, this interactive process may be triggered without a request from the employee, such as when the City receives notice from its own observation or another source that a medical impairment may be impacting the employee's ability to perform essential job functions.

Employees who believe they need an accommodation must specify, preferably in writing, what barriers or limitations prompted the request. The City will evaluate information obtained from the employee, and possibly the employee's health care provider or another appropriate health care provider, regarding any reported or apparent barriers or limitations, and will then work with the employee to identify possible accommodations, if any, that will help to eliminate or otherwise address the barrier(s) or limitation(s). If an identified accommodation is reasonable and will not impose an undue hardship on the City and/or a direct threat to the health and/or safety of the individual or others, the City will generally make the accommodation, or it may propose another reasonable accommodation which may also be effective.

The City will also consider requests for reasonable accommodations for medical conditions related to pregnancy, childbirth and lactation where supported by medical documentation and/or as required by applicable federal, state or local law.

Employees who wish to request unpaid time away from work to accommodate a disability should speak to Human Resources.

Formatted: Space After: 6 pt

Formatted: Font:

MEDICAL
INFORMATION

Employees are required to cooperate with this process by providing all necessary documentation supporting the need for accommodation, and being willing to consider alternative accommodations when applicable. You may be requested to provide medical information or to submit to a medical examination by a physician chosen by the City of Grain Valley to assist the City in evaluating and accommodating your disability.

It is your responsibility to assure that your physician provides the necessary medical information to support the accommodation you are requesting.

RELIGIOUS ACCOMMODATION

POLICY

The City of Grain Valley will provide reasonable accommodation for employees' religious beliefs, observances, and practices when a need for such accommodation is identified and reasonable accommodation is possible. A reasonable accommodation is one that eliminates the conflict between an employee's religious beliefs, observances, or practices and the employee's job requirements, without causing undue hardship to the City.

The City has developed an accommodation process to assist employees, supervisors, and Human Resources. Through this process, the City establishes a system of open communication between employees and the City to discuss conflicts between religion and work and to take action to provide reasonable accommodation for employees' needs. The intent of this process is to ensure a consistent approach when addressing religious accommodation requests. Any employee who perceives a conflict between job requirements and religious belief, observance, or practice should bring the conflict and request for accommodation to the attention of Human Resources to initiate the accommodation process. The City requests that accommodation requests be made in writing, and in the case of schedule adjustments, as far in advance as possible.

WORKPLACE VIOLENCE POLICY

PURPOSE The safety and security of employees is of vital importance to the City of Grain Valley. Therefore, the City has adopted a zero-tolerance policy concerning workplace violence. The purpose of this policy is to minimize the potential risk of personal injuries to employees at work and to reduce the possibility of damage to City property.

POLICY Threats or acts of violence – including intimidation, bullying, physical or mental abuse and/or coercion – that involve or affect City employees or that occur on City premises, by an employee or anyone else against an employee, supervisor, or Department Head will not be tolerated.

The prohibition against threats and acts of violence applies to all persons involved in the operation of the City, including, but not limited to, City employees, supervisors, Department Heads, and other personnel, contractors, customers, vendors, and visitors.

Violations of this policy by an employee will result in disciplinary action, up to and including termination from employment.

REPORTING PROCEDURE Employees should help maintain a violence-free workplace. To that end, employees are encouraged to immediately report any incident that violates this policy. If you receive or overhear any threatening communications from an employee or outside third party, report it to your supervisor or Department Head/Supervisor at once.

Do not engage in either physical or verbal confrontation with a potentially violent individual.

If you encounter an individual who is threatening immediate harm to an employee or visitor to our premises, contact an emergency agency (such as 911) immediately.

CONFIDENTIALITY All reports of work-related threats will be kept confidential to the extent possible, investigated and documented.

EMPLOYEE RESPONSIBILITY You are expected to report and participate in an investigation of any suspected or actual cases of workplace violence, and will not be subjected to disciplinary consequences for such reports or cooperation.

FAILURE TO REPORT Violations of this policy, including your failure to report or fully cooperate in the City's investigation, may result in disciplinary action, up to and including termination.

SUBSTANCE ABUSE POLICY

POLICY

The City of Grain Valley strives to provide a safe environment for employees and others and to minimize the risk of accidents and injuries. Accordingly, each employee has a responsibility to co-workers and the public to deliver services in a safe and conscientious manner. Continuing research and practical experience have proven that even limited quantities of illegal drugs, abused prescription drugs or alcohol can impair reflexes and judgment. This impairment, even when not readily apparent, can have catastrophic consequences. Moreover, studies have shown that impairment by controlled substances may last long after the user believes the effects to have worn off. For these reasons, the City of Grain Valley has adopted a policy that all employees must report to work and remain completely free of illegal drugs, abused or nonprescribed prescription drugs and alcohol. The City of Grain Valley will not tolerate any alcohol or drug use that imperils your health and well being or threatens the delivery of the highest quality of services to its customers.

Please note that the City is required to comply with certain government mandated testing under U.S. Department of Transportation (“DOT”) drug and alcohol rules and comparable state laws with respect to certain applicants and employees. The City has implemented this Substance Abuse Policy independent of those rules. Applicants and employees who are subject to government mandated testing and federal and state DOT drug and alcohol rules must comply with this Policy as well as the City’s requirements under any such federal or state rules, including the Federal Motor Carrier Safety Administration’s Drug and Alcohol Clearinghouse.

PROHIBITED
CONDUCT

The City of Grain Valley prohibits the use, possession, sale, attempted sale, purchase, attempted purchase, transfer, manufacture, and/or distribution of ~~alcohol and~~ illegal drugs/controlled substances or other unlawful intoxicants, and/or drug-related paraphernalia on City of Grain Valley premises or while performing duties for the City of Grain Valley while away from City of Grain Valley premises, and/or during working hours. “Illegal drugs” means all drugs whose use or possession is regulated or prohibited by federal, state or local law. This includes prescription medication that is used in a manner inconsistent with the prescription or for which the individual does not have a valid prescription. Marijuana remains illegal as a matter of federal law and therefore the use of marijuana and marijuana products is prohibited by this policy. The City will accommodate individuals who are medically certified to use marijuana to the extent permitted by law, but in no case may an employee use or possess marijuana or marijuana products at work or during work time or work while impaired.

The City of Grain Valley also prohibits employees from using, possessing, distributing, or dispensing of alcohol while at work or during work time and from coming onto the City of Grain Valley’s premises, reporting to work, or working with alcohol in their systems. Furthermore, lawful off-duty alcohol use, while generally not prohibited by this policy, must not interfere with an employee’s job performance.

USE OF LEGAL AND
PRESCRIPTION
DRUGS

You may continue to work for the City of Grain Valley while taking ~~prescription-lawfully prescribed~~ drugs at the direction of a doctor for the treatment of an illness or over the counter drugs used for the purposes and in the manner intended, provided the medication does not adversely affect your ability to perform your work in a safe and efficient manner.

EMPLOYEE
RESPONSIBILITY

An employee taking medication should consult with a health care professional or review dosing directions for information about the medication’s effect on the employee’s ability to work safely, and promptly disclose any work restrictions to a supervisor, Department Head, or Human Resources. Employees are not required to reveal the name of the medication or the underlying medical condition. ~~If you are taking any prescription or over the counter drugs that could have side effects and affect your job performance, you must advise your supervisor or Department Head of the drug being taken and the potential side effects.~~

CITY OF GRAIN VALLEY'S RESPONSIBILITY

If you are receiving legal medication, the City of Grain Valley has the right to transfer, reassign, place on leave of absence or take other appropriate action regarding any employee during the time the employee uses medication that may affect the ability to perform safely. The City will comply with all requirements pertaining to providing reasonable accommodations to the extent required by applicable law. ~~determine whether you should be allowed to continue working during your treatment due to possible safety and/or performance problems that could arise from certain legal drug use.~~

CONVICTION OR PROBATION UNDER A CRIMINAL DRUG LAW

You must notify your supervisor or Department Head within five (5) days of any conviction or entry of a guilty plea resulting in incarceration or probation under any criminal drug statute, law, regulation, or ordinance.

DEFINITIONS

“Child” for purposes of Bonding Leave and Family Care Leave, means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that Family and Medical Leave is to commence. “Child,” for purposes of Military Emergency Leave and Military Caregiver Leave, means a biological, adopted or foster child, stepchild, legal ward, or a child for whom the person stood in loco parentis, and who is of any age.

“Parent” for purposes of this policy, means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the person. This term does not include parents-in-law. For Military Emergency leave taken to provide care to a parent of a deployed military member, the parent must be incapable of self-care as defined by the FMLA.

“Covered Active Duty” means (1) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (2) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty (or notification of an impending call or order to active duty) in support of a contingency operation as defined by applicable law.

“Covered Servicemember” means (1) a member of the Armed Forces, including a member of a reserve component of the Armed Forces, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform their military duties, or (2) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a “veteran” as defined by the Department of Veteran Affairs), and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran.

“Spouse” means the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into, or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This includes common law marriage and same sex marriage in places where these marriages are recognized.

“Key employee” means a salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

LENGTH OF LEAVE

The maximum amount of FMLA Leave will be 12 workweeks in any 12-month period when the leave is taken for: (1) Bonding Leave; (2) Family Care Leave; (3) Serious Health Condition Leave; and/or (4) Military Emergency Leave. However, if both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 12 workweeks off between the two of them when the leave is for Bonding Leave or to care for a parent using Family Care Leave. The applicable "12-month period" utilized by the City is the 12-month period measured backward from the date the leave was requested.

The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of 26 workweeks in a single 12-month period. A "single 12-month period" begins on the date of the employee's first use of such leave and ends 12 months after that date.

If both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury or illness or by a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

INTERMITTENT OF
REDUCED
SCHEDULE LEAVE

Under some circumstances, employees may take FMLA Leave intermittently, which means taking leave in blocks of time, or by reducing the employee's normal weekly or daily work schedule. An employee may take leave intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Leave taken intermittently may be taken in increments of no less than one ~~hour~~ quarter. Employees who take leave intermittently or on a reduced work schedule basis for a planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt the City's operations. Please contact Human Resources ~~Division~~ prior to scheduling planned medical treatment. If FMLA Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, we may require employees to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

If an employee's request for intermittent leave is approved, the City may later require employees to obtain recertification of their need for leave. For example, the City may request recertification if it receives information that casts doubt on an employee's report that an absence qualifies for FMLA Leave.

NOTICE AND
CERTIFICATION

BONDING, FAMILY
CARE, SERIOUS
HEALTH CONDITION
AND MILITARY
CAREGIVER LEAVE
REQUIREMENTS
PROVIDING NOTICE

Employees are required to provide:

- When the need for the leave is foreseeable, 30 days advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day);
- When the need for leave is not foreseeable, notice within the time prescribed by the City's normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical;
- When the leave relates to medical issues, a completed Certification of Health-Care Provider form within 15 calendar days (for Military Caregiver Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health-Care Provider form);
- Periodic recertification (upon request); and
- Periodic reports during the leave.

Certification forms are available from Human Resources ~~Division~~. At our expense, we may require a second or third medical opinion regarding the employee's own serious health condition or the serious health condition of the employee's family member. In some cases, we may require a second or third opinion regarding the injury or illness of a Covered Service Member. Employees are expected to cooperate with the City in obtaining additional medical opinions that we may require.

When leave is for planned medical treatment, employees must try to schedule treatment so as not to unduly disrupt the City's operations. Please contact Human Resources ~~Division~~ prior to scheduling planned medical treatment.

You are required to provide 30 day advance notice of the need to take FMLA leave when the need is foreseeable and such notice is practicable.

If leave is foreseeable less than 30 days in advance, you must provide notice as soon as practicable—generally, either the same or next business day.

Formatted: No widow/orphan control

SERVICE MEMBER
FAMILY
LEAVE RECERTIFICA
TIONS AFTER
GRANT OF LEAVE

In addition to the requirements listed above, if an employee's Family and Medical Leave is certified, the City may later require medical recertification in connection with an absence that the employee reports as qualifying for Family and Medical Leave. For example, the City may request recertification if (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly (e.g., employee absences deviate from the duration or frequency set forth in the previous certification; employee's condition becomes more severe than indicated in the original certification; employee's encounter complications); or (3) the City receives information that casts doubt upon the employee's stated reason for the absence. In addition, the City may request recertification in connection with an absence after six months have passed since the employee's original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by the City will be at the employee's expense. If you are the spouse, son, daughter, parent, or next of kin of a covered service member, you shall be entitled to twenty six (26) workweeks of leave during a twelve (12) month period to care for the service member injured in active duty.

MILITARY
EMERGENCY LEAVE
REQUIREMENTS
USAL LEAVE

Employees are required to provide:

As much advance notice as is reasonable and practicable under the circumstances;

A copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and

A completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from Human Resources Division.

Spouses employed by the City of Grain Valley are limited in the amount of family leave they may take

1. for the birth and care of a newborn child
2. for placement of a child for adoption or foster care
3. to care for a parent who has a serious health condition

to a combined total of 12 workweeks (or 26 workweeks if leave to care for a covered service member with a serious injury or illness is also used).

FAILURE TO PROVIDE CERTIFICATION AND TO RETURN FROM LEAVE

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave. If an employee fails to return to work at leave's expiration and has not obtained an extension of the leave, the City may presume that the employee does not plan to return to work and has voluntarily terminated their employment. Under some circumstances, you may take FMLA leave intermittently—taking leave in separate blocks of time for a single qualifying reason—or on a reduced leave schedule—reducing your usual weekly or daily work schedule.

When leave is needed for planned medical treatment, you must make a reasonable effort to schedule treatment so as not to unduly disrupt the City's operation.

MEDICAL CERTIFICATION COMPENSATION DURING LEAVE

Generally, FMLA Leave is unpaid. However, the City will require employees to use accrued paid leave to cover all of the FMLA leave, using personal leave first, then sick leave, then vacation leave prior to any unpaid leave. The use of paid benefits will not extend the length of a FMLA Leave. If you request FMLA leave, you must supply appropriate medical certification from the applicable health care provider.

When you request FMLA, you will be notified of the requirement for medical certification and when it is due (generally within 15 days after the City requests medical certification).

Failure to provide requested medical certification in a timely manner may result in denial of leave until the certification is provided. The City of Grain Valley may require subsequent medical re-certification on a reasonable basis.

Continued on Next Page

BENEFITS DURING LEAVE

The City will continue making contributions to employee group health benefits during their leave on the same terms as if employees had continued to actively work. This means that if employees want their benefits coverage to continue during their leave, they must also continue to make the same premium payments that they are now required to make for themselves or their dependents. Employees taking Bonding Leave, Family Care Leave, Serious Health Condition Leave, and Military Emergency Leave will generally be provided with group health benefits for a 12 workweek period. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 workweeks. In some instances, the City may recover premiums it paid on the employee's behalf to maintain health coverage if the employee fails to return to work following a FMLA Leave.

The employee's length of service as of the leave will remain intact, but accrued benefits such as vacation and sick leave will not accrue while on an unpaid FMLA Leave.

JOB
REINSTATEMENT

Under most circumstances, employees will be reinstated to the same position they held at the time of the leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. However, employees have no greater right to reinstatement than if they had been continuously employed rather than on leave. For example, if an employee would have been laid off if they had not gone on leave or, if the employee's position was eliminated during the leave, then the employee will not be entitled to reinstatement.

CONFIDENTIALITY

Documents relating to medical certifications, recertifications or medical histories of employees or employees' family members will be maintained separately and treated by the City as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors and managers, first aid and safety personnel or government officials.

FRAUDULENT USE

NONDISCRIMINATION

The City takes its FMLA obligations very seriously and will not interfere, restrain or deny the exercise of any rights provided by the FMLA. We will not terminate or discriminate against any individual for opposing any practice, or because of involvement in any proceeding related to the FMLA. If an employee believes their FMLA rights have been violated in any way, they should immediately report the matter to Human Resources.

WORKERS' COMPENSATION

POLICY

When work-related accidents, injuries or illnesses occur, employees may be eligible for workers' compensation insurance benefits. The City provides a comprehensive workers' compensation insurance program at no cost to employees and in accordance with applicable state law. This program covers most injuries or illnesses, sustained in the course of employment, that require medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits or, if the employee is hospitalized, treatment immediately.

Employees who sustain a work-related injury or illness should inform their supervisor or Department Head immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage. Any work-related accident regardless of how minor they may seem must be reported immediately to your a supervisor or Department Head.

This procedure must be followed whether the accident occurred on or off City of Grain Valley premises.

FAILURE TO REPORT AN ACCIDENT OR INJURY

Failure to report immediately any accident involving a work-related injury or ~~property damage~~illness will ~~may~~ result in discipline, up to and including termination of employment.

Should you be required to perform a post-accident drug/alcohol test, under no circumstances are you allowed to drive yourself to the medical facility performing the test.

NO DISCRIMINATION OR RETALIATION The City of Grain Valley does not discriminate or retaliate against employees for having filed Workers' Compensation claims.

RETURN TO WORK/ LIGHT-DUTY COMPENSATION Employees who are ready to return to work following a workers' compensation-related leave of absence must supply a certification from a health care provider confirming the employee's ability to return to work.

To ensure that employees are able to perform their duties safely, the City may require individuals to undergo both post-job offer and post-employment medical examinations for certain positions or under certain circumstances. Such examinations will comply with applicable law, including the requirements of the Americans with Disabilities Act and FMLA

If you are placed on light duty or part-time duty, as determined by ~~your assigned physician~~ health care provider, and you perform assigned work duties for the City of Grain Valley, your time will be recorded as actual time worked and you will be paid accordingly.

ATTENDANCE & PUNCTUALITY

INTRODUCTION Prompt and regular attendance is key to the efficient operation of the City of Grain Valley; and is considered an essential function of every employee's job.

When you are absent, schedules and customer commitments fall behind, and other employees must assume added workloads. To limit problems caused by employees' unapproved absences, we have adopted the following policy.

Employees are expected to report to work as scheduled, be on time and be prepared to start work. Employees are also expected to remain at work for their entire work schedule, except for meal or break periods, or when required to leave on authorized City business or other authorized reason. Unapproved late arrivals, early departures or other absences from scheduled hours are disruptive and must be avoided.

NOTIFICATION Notification of an absence or tardiness should occur as soon as you know you will not be able to attend work or will be late.

In any event, if an employee is unable to report for work on any particular day, they ~~You~~ must notify ~~your~~ ~~their~~ supervisor or Department Head ~~by telephone or in person~~ at least thirty (30) minutes prior to the scheduled start time of your shift (unless it is impossible to do so, in which case you must call as soon as possible thereafter). Employees who need to leave early must notify their supervisor or Department Head as soon as they learn that they will not be able to complete their scheduled shift. The City may inquire about the general reason for an absence, tardiness or early departure.

Failure to ~~do so could~~ provide the notification required by this Policy may result in disciplinary action up to and including termination of employment.

EMPLOYEE RESPONSIBILITY Except in cases of emergency, you are responsible for reporting unscheduled absences yourself rather than having family or friends do so for you.

You must speak to your supervisor or Department Head to properly notify the City of your absence.

ABSENCES
EXTENDING MORE
THAN ONE DAY

~~Unless extenuating circumstances exist, employees must call in on each and every scheduled day on which they will not report to work, unless they are on an approved leave of absence. You are expected to maintain contact with your supervisor or Department Head during all absences that extend beyond one (1) day, except in cases where you have provided medical certification covering a specific period.~~

~~The frequency of contacts during an absence shall be agreed upon between you and your supervisor/Department Head.~~

ABSENCES IN
EXCESS OF THREE
(3) CONSECUTIVE
DAYS

Any absence in excess of three (3) or more days may require a doctor's release to return to work.

~~Consecutive day's absences are counted as one absence.~~

Continued on Next Page

EXCESSIVE
ABSENTEEISM &
TARDINESS

Excessive absenteeism or tardiness may result in disciplinary action up to and including termination of employment, unless the absence or tardiness is excused or approved. The following are examples of types of time off that will not be considered grounds for disciplinary action under this policy:

- Time off that was previously approved, including vacation and sick leave;
- Approved state and federal leaves of absence, including but not limited to jury duty leave, military leave, leave protected under the Family and Medical Leave Act or similar state laws, and time off or leave specifically approved by the City as an accommodation under the Americans with Disabilities Act or similar state laws; and/or
- Time off due to a work-related injury that is covered by workers' compensation.

Each situation of absenteeism, tardiness or early departure will be evaluated on a case-by-case basis. Even one unexcused absence or tardiness may be considered excessive, depending upon the circumstances. However, the City will not subject employees to disciplinary action or retaliation for an absence, tardiness or early departure for which discipline may not be imposed under applicable law. If the employee believes that an absence, tardiness or early departure is (or should be) excused pursuant to applicable law, the employee should notify their supervisor, Department Head, or Human Resources of this fact as soon as possible, but no later than at the time of the absence, tardiness or early departure. (For the required timing of an employee's notice of the need for a foreseeable leave of absence, see the applicable leave policy). If an employee believes they have mistakenly been subject to disciplinary action for an absence, tardiness or early departure that the employee believes is or should be excused/approved, the employee should promptly discuss the matter with their supervisor, Department Head, or Human Resources. The City will investigate the situation and any errors will be corrected.

NO CALL/NO SHOW An employee's failure to report for work without any notification (No Call/No Show) Not reporting to work and not calling to report the absence is a no call/no show and is a serious matter.

An employee who fails to report for work without any notification to their supervisor or Department Head will be subject to disciplinary action, up to and including termination, on the first occasion of any such absence. An employee who fails to report for work without any notification to their supervisor or Department Head and whose absence continues for a period of two (2) days will be considered to have abandoned and voluntarily terminated their employment, absent extraordinary circumstances.

UNEXCUSED ABSENCE An unexcused absence for non-exempt employees is defined as any time off from a regularly scheduled shift that has not been approved seventy-two (72) hours in advance as an excused absence.
Consecutive day's absences are counted as one absence.

ADDITIONAL INFORMATION Employees should contact ~~the~~ Human Resources ~~Division~~ with any questions about this Policy.

HOSPITALIZATION OR ABSENCE OF FIVE (5) CONSECUTIVE DAYS

~~Following hospitalization or absence of five (5) consecutive days or more because of illness or injury, written documentation from the attending physician that you are able to return to work and resume your duties will be required before you will be allowed to return to work.~~

~~You will be responsible for any charges made by the physician for this documentation.~~

INTRODUCTION

~~Not reporting to work and not calling to report the absence is a no call/no show and is a serious matter.~~

ACTION**

~~The first instance of a no call/no show will result in a final written warning.~~

~~The second separate offense may result in termination of employment with no additional disciplinary steps.~~

MILITARY LEAVE

POLICY A military leave of absence will be granted to employees who are absent from work because of service in accordance with the Uniformed Services Employment and Re-employment Rights Act (“USERRA”) and applicable state laws.

The City provides unpaid military leaves of absence to employees who serve in the uniformed services as required by USERRA and applicable state laws. The uniformed services are defined as the Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or national emergency. The uniformed services also include participants in the National Disaster Medical System when activated to provide assistance in response to a public health emergency, to be present for a short period of time when there is a risk of a public health emergency, or when they are participants in authorized training.

Service consists of performing any of the following on a voluntary or involuntary basis: active duty, active duty for training, initial active duty, inactive duty training, full time National Guard duty, absence from work for an examination to determine fitness for such duty, and absence for performing funeral honors duty. Total military leave time may not exceed five years during employment, except in certain, defined circumstances.

ADVANCE NOTICE Advance notice of military service is required, preferably in writing, unless military necessity prevents such notice or it is otherwise impossible or unreasonable _(which is defined by the United States Department of Defense). When notice is required, employees must provide their supervisor or Department Head with as much advance notice as possible of any anticipated leave of absence for military service.

PAY If you are required to fulfill an annual military service obligation, you will be granted time off, and the City of Grain Valley shall pay the difference in wages between the active duty pay and your regular income for a period of up to one-hundred twenty (120) hours.

REINSTATEMENT

In order to be eligible for reinstatement, an employee must have provided advance notice of the need for military leave (where required) and have completed service on a basis that is not dishonorable or otherwise prohibited under USERRA.

Employees whose military service will be for fewer than 31 days must report to back to work at the beginning of the first full, regularly scheduled work day following completion of service, after allowing for a period of safe travel home and eight hours of rest.

Employees whose military service will be for more than 30 days, but fewer than 181 days must apply for re-employment within 14 days after completing service.

Employees whose service is greater than 180 days must apply for re-employment within 90 days after completing service.

As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in loss of reemployment rights. Full details regarding reinstatement are available from Human Resources.

In general, an employee returning from military leave will be re-employed in the position and seniority level that the employee would have attained had there been no military leave of absence. If necessary, the City will provide training to assist the employee in the transition back to the workforce.

Vacation benefits do not continue to accrue during a military leave of absence. An employee returning from military leave is entitled to any unused, accrued vacation benefits the employee had at the time the military leave began minus any vacation benefits the employee chose to use during the leave. Upon reinstatement, the employee will begin to accrue vacation benefits at the rate they would have attained if no military leave had been taken.

If you are on military leave for up to thirty (30) days, you are required to return to work for the first regularly scheduled shift after the end of service, allowing reasonable travel time.

If you are on a longer military leave, you must apply for reinstatement in accordance with USERRA and all applicable state laws.

When you return from military leave, you will be placed in the position you would have attained had you remained continuously employed or a comparable one depending on the length of military service in accordance with USERRA and applicable state laws.

You will be treated as though you were continuously employed for purposes of determining benefits based on length of service.

WELCOME TO THE CITY OF GRAIN VALLEY!

We are excited to have you as part of our team. You were hired because we believe that you have the knowledge, skills, abilities, and character to contribute to the success of our City and share our commitment to being the best community in the Kansas City metropolitan area.

At the City of Grain Valley, we strive to provide the highest level of service to our residents, businesses, and visitors. The primary goal of the City of Grain Valley, and yours as one of its employees, is to live up to our mission statement in everything we do. We can only achieve this through hard work and commitment from every employee. You and every other employee are essential to our success in that endeavor.

We know that joining a new organization requires some adjustment; you will meet new people, work in different surroundings, and need to become familiar with new policies, procedures, practices and benefits. This employee handbook contains the key policies, goals, benefits, and expectations of the City of Grain Valley. You should use it as a ready reference as you pursue your career with us.

Welcome aboard! We look forward to working with you and wish you continued success.

PURPOSE OF EMPLOYEE HANDBOOK

This Handbook has been provided to communicate general policies and practices at the City of Grain Valley. While we follow the policies set out in this Handbook, the City of Grain Valley reserves the right to revise, delete, and add to the provisions of this Employee Handbook. All such revisions, deletions, or additions must be in writing. No oral statements or representations can change the provisions of this Employee Handbook.

This Handbook does not constitute a contract for employment or a guarantee of continued employment for any employee, and the policies shall apply to all City positions including management positions, unless otherwise specifically provided for. Except where some other standard is established under a collective bargaining agreement or individual employment contract, there is nothing in this Handbook or any other policy or communication that changes the fact that you are an “at will” employee.

This Handbook supersedes all previously published Employee Handbooks. Not all of the City of Grain Valley’s policies and procedures are set forth in this Employee Handbook. We have summarized only some of the more important ones. It is your responsibility to read and understand all of the information contained in this Handbook. Any questions or concerns about this Employee Handbook or any other policy or procedure should be directed to your supervisor, Department Head, or Human Resources. The City Administrator shall be charged with the responsibility for the administration of these policies and procedures.

Nothing in this Handbook or in any other document or policy is intended to violate any local, state or federal law. Nothing in this Handbook is intended to limit any concerted activities by employees relating to their wages, hours or working conditions, or any other conduct protected by the Constitution of the State of Missouri.

OPEN DOOR POLICY

OPEN DOOR POLICY

We recognize that employees may have suggestions for improving our workplace, as well as complaints about the workplace. We all recognize that the accumulation of unspoken, unanswered problems, grievances, complaints and questions can result in dissatisfaction and can affect the work environment. It is to everyone's advantage to bring these matters out in the open.

COMPLAINT PROCEDURE

If you have a suggestion, problem, or complaint, please review it with your supervisor, Department Head, or Human Resources at the earliest possible time.

While we provide employees with this opportunity to communicate their views, please understand that not every complaint can be resolved to the employee's satisfaction. Even so, we believe that open communication is essential to a successful work environment and all employees should feel free to raise issues of concern without fear of reprisal.

Please note that some City policies, such as the Equal Employment Opportunity Policy, and other policies prohibiting discrimination, harassment, and retaliation contain specific reporting procedures that should be followed. Employees should utilize this Open Door policy for reports and ideas that are not addressed through the City's specific reporting procedures.

EMPLOYMENT AT WILL

DEFINITION

Your employment with the City of Grain Valley is on an “at will” basis, except where some other standard is established under a collective bargaining agreement or individual employment contract, signed by the Mayor.

This means that your employment is for an indefinite period of time and may be terminated by you or the City of Grain Valley at any time, for any reason or for no reason, with or without cause or notice by the employee or by the City.

NOT AN EMPLOYMENT CONTRACT

Neither this Handbook nor any other City of Grain Valley communication, unless specified as an employment contract or agreement, creates an employment contract or limits the right to terminate at-will.

No employee rights are conferred upon the City of Grain Valley by this Handbook; and its contents should not give rise and legitimize expectations of continued employment.

COLLECTIVE BARGAINING AGREEMENTS

REPRESENTED EMPLOYEES

Certain City employees are represented by a labor organization. For these represented groups (known as “bargaining units”), the City will endeavor in good faith to establish a collective bargaining agreement with the relevant labor organization. Where a collective bargaining agreement is in effect, it will serve as the primary source for establishing wages, benefits, and terms or conditions of employment for the individuals employed within the bargaining unit.

CONFLICTING PROVISIONS INVALID

If there is any conflict between this Handbook and a collective bargaining agreement, the provisions of the collective bargaining agreement will be controlling. If this Handbook provides greater or lesser benefits, or more or less favorable terms or conditions of employment than appear in a collective bargaining agreement, the differing provisions of this Handbook shall be inapplicable to employees in the bargaining unit, and the collective bargaining agreement will be controlling. However, to the extent provisions of this Handbook address topics not covered in a collective bargaining agreement, or provide further details about matters that are addressed in a collective bargaining agreement without creating any conflict, the provisions of this Handbook shall apply to represented employees on the same basis as they apply to all other City employees.

If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from harassment.

CONFIDENTIALITY

Confidentiality will be maintained to the extent practical and permitted by law. Investigations will be conducted as confidentially as possible and related information will only be shared with others on a need-to-know basis.

MANAGER'S
RESPONSIBILITY

All supervisors and managers are responsible for:

- Implementing this policy, which includes, but is not limited to, taking steps to prevent harassment and retaliation;
- Ensuring that all employees under their supervision have knowledge of and understand this policy;
- Promptly reporting any complaints to Human Resources so they may be investigated and resolved in timely manner;
- Taking and/or assisting in prompt and appropriate corrective action when necessary to ensure compliance with this policy; and
- Conducting themselves, at all times, in a manner consistent with this policy.

Failure to meet these responsibilities may lead to disciplinary action, up to and including termination.

PROTECTION
AGAINST
RETALIATION

Retaliation is prohibited against any person by another employee or by the City of Grain Valley for using this complaint procedure, reporting proscribed harassment, objecting to such conduct or filing, testifying, assisting or participating in any manner in any investigation, proceeding or hearing conducted by a governmental enforcement agency. Prohibited retaliation includes, but is not limited to, termination, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions or otherwise denying any employment benefit.

Individuals who believe they have been subjected to retaliation, or believe that another individual has been subjected to retaliation, should report this concern to any supervisor, Department Head, or to Human Resources. Any report of retaliatory conduct will be investigated in a thorough and objective manner. If a report of retaliation prohibited by this policy is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from retaliation.

GOOD FAITH

The initiation of a good faith complaint of harassment or retaliation will not be grounds for disciplinary action, even if the allegations cannot be substantiated. If it is determined, after investigating any complaint of harassment or unlawful discrimination, that the complaint was not made in good faith, or that an employee intentionally or recklessly provides false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave the false information.

DISABILITY AND ACCOMMODATION

POLICY

To comply with applicable laws ensuring equal employment opportunities for individuals with disabilities, the City of Grain Valley will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result.

REASONABLE ACCOMMODATION

Any employee who requires an accommodation in order to perform the essential functions of their job, enjoy an equal employment opportunity, and/or obtain equal job benefits should contact Human Resources to request such an accommodation. Human Resources will communicate with the employee and engage in an interactive process to determine the nature of the issue and what, if any, reasonable accommodation(s) may be appropriate. In some cases, this interactive process may be triggered without a request from the employee, such as when the City receives notice from its own observation or another source that a medical impairment may be impacting the employee's ability to perform essential job functions.

Employees who believe they need an accommodation must specify, preferably in writing, what barriers or limitations prompted the request. The City will evaluate information obtained from the employee, and possibly the employee's health care provider or another appropriate health care provider, regarding any reported or apparent barriers or limitations, and will then work with the employee to identify possible accommodations, if any, that will help to eliminate or otherwise address the barrier(s) or limitation(s). If an identified accommodation is reasonable and will not impose an undue hardship on the City and/or a direct threat to the health and/or safety of the individual or others, the City will generally make the accommodation, or it may propose another reasonable accommodation which may also be effective.

The City will also consider requests for reasonable accommodations for medical conditions related to pregnancy, childbirth and lactation where supported by medical documentation and/or as required by applicable federal, state or local law.

Employees who wish to request unpaid time away from work to accommodate a disability should speak to Human Resources.

MEDICAL INFORMATION

Employees are required to cooperate with this process by providing all necessary documentation supporting the need for accommodation, and being willing to consider alternative accommodations when applicable.

RELIGIOUS ACCOMMODATION

POLICY

The City of Grain Valley will provide reasonable accommodation for employees' religious beliefs, observances, and practices when a need for such accommodation is identified and reasonable accommodation is possible. A reasonable accommodation is one that eliminates the conflict between an employee's religious beliefs, observances, or practices and the employee's job requirements, without causing undue hardship to the City.

The City has developed an accommodation process to assist employees, supervisors, and Human Resources. Through this process, the City establishes a system of open communication between employees and the City to discuss conflicts between religion and work and to take action to provide reasonable accommodation for employees' needs. The intent of this process is to ensure a consistent approach when addressing religious accommodation requests. Any employee who perceives a conflict between job requirements and religious belief, observance, or practice should bring the conflict and request for accommodation to the attention of Human Resources to initiate the accommodation process. The City requests that accommodation requests be made in writing, and in the case of schedule adjustments, as far in advance as possible.

POLICY Threats or acts of violence – including intimidation, bullying, physical or mental abuse and/or coercion – that involve or affect City employees or that occur on City premises, will not be tolerated.

The prohibition against threats and acts of violence applies to all persons involved in the operation of the City, including, but not limited to, City employees, supervisors, Department Heads, and other personnel, contractors, customers, vendors, and visitors.

Violations of this policy by an employee will result in disciplinary action, up to and including termination from employment.

FAILURE TO REPORT Violations of this policy, including your failure to report or fully cooperate in the City’s investigation, may result in disciplinary action, up to and including termination.

SUBSTANCE ABUSE POLICY

POLICY

The City of Grain Valley strives to provide a safe environment for employees and others and to minimize the risk of accidents and injuries. Accordingly, each employee has a responsibility to co-workers and the public to deliver services in a safe and conscientious manner. Continuing research and practical experience have proven that even limited quantities of illegal drugs, abused prescription drugs or alcohol can impair reflexes and judgment. This impairment, even when not readily apparent, can have catastrophic consequences. Moreover, studies have shown that impairment by controlled substances may last long after the user believes the effects to have worn off. For these reasons, the City of Grain Valley has adopted a policy that all employees must report to work and remain completely free of illegal drugs, abused or nonprescribed prescription drugs and alcohol.

Please note that the City is required to comply with certain government mandated testing under U.S. Department of Transportation (“DOT”) drug and alcohol rules and comparable state laws with respect to certain applicants and employees. The City has implemented this Substance Abuse Policy independent of those rules. Applicants and employees who are subject to government mandated testing and federal and state DOT drug and alcohol rules must comply with this Policy as well as the City’s requirements under any such federal or state rules, including the Federal Motor Carrier Safety Administration’s Drug and Alcohol Clearinghouse.

PROHIBITED
CONDUCT

The City of Grain Valley prohibits the use, possession, sale, attempted sale, purchase, attempted purchase, transfer, manufacture, and/or distribution of illegal drugs or other unlawful intoxicants, and/or drug-related paraphernalia on City of Grain Valley premises or while performing duties for the City of Grain Valley while away from City of Grain Valley premises, and/or during working hours. “Illegal drugs” means all drugs whose use or possession is regulated or prohibited by federal, state or local law. This includes prescription medication that is used in a manner inconsistent with the prescription or for which the individual does not have a valid prescription. Marijuana remains illegal as a matter of federal law and therefore the use of marijuana and marijuana products is prohibited by this policy. The City will accommodate individuals who are medically certified to use marijuana to the extent permitted by law, but in no case may an employee use or possess marijuana or marijuana products at work or during work time or work while impaired.

The City of Grain Valley also prohibits employees from using, possessing, distributing, or dispensing of alcohol while at work or during work time and from coming onto the City of Grain Valley’s premises, reporting to work, or working with alcohol in their systems. Furthermore, lawful off-duty alcohol use, while generally not prohibited by this policy, must not interfere with an employee’s job performance.

USE OF LEGAL AND
PRESCRIPTION
DRUGS

You may continue to work for the City of Grain Valley while taking lawfully prescribed drugs at the direction of a doctor for the treatment of an illness or over the counter drugs used for the purposes and in the manner intended, provided the medication does not adversely affect your ability to perform your work in a safe and efficient manner.

EMPLOYEE
RESPONSIBILITY

An employee taking medication should consult with a health care professional or review dosing directions for information about the medication’s effect on the employee’s ability to work safely, and promptly disclose any work restrictions to a supervisor, Department Head, or Human Resources. Employees are not required to reveal the name of the medication or the underlying medical condition.

CITY OF GRAIN
VALLEY’S
RESPONSIBILITY

If you are receiving legal medication, the City of Grain Valley has the right to transfer, reassign, place on leave of absence or take other appropriate action regarding any employee during the time the employee uses medication that may affect the ability to perform safely. The City will comply with all requirements pertaining to providing reasonable accommodations to the extent required by applicable law.

-------------------	---

OFF THE JOB ILLEGAL DRUG USE, POSSESSION, AND/OR SALE	<p>Off-the-job illegal drug use, possession, sale or other such activity may be deemed a violation of this policy and could result in disciplinary action, up to and including termination of employment.</p> <p>In deciding the appropriate disciplinary action to take, the City of Grain Valley may take into consideration the nature of the activity charged, your total record with the City of Grain Valley, and other factors deemed relevant by the City for the protection of its employees and operations.</p>
---	---

TESTING OF EMPLOYEES	The City of Grain Valley may conduct testing of employees based on the circumstances noted below.
----------------------	---

REFUSAL TO PARTICIPATE	Refusal to participate in such testing may result in disciplinary action, up to and including termination of employment.
------------------------	--

REASONABLE SUSPICION TESTING	Whenever the City of Grain Valley has a reasonable suspicion that you have violated this policy, the City may require you to submit to a drug/alcohol test as a condition of employment.
------------------------------	--

REASONABLE SUSPICION	“Reasonable suspicion” means a belief that you have used, or are using, drugs/alcohol in violation of the policy of the City of Grain Valley, based upon such factors as, but not limited to:
----------------------	---

1. Observable signs, whether directly or indirectly, such as:
 - the physical symptoms or manifestations of being under the influence of a drug or alcohol while at work or on duty, or
 - drug or alcohol use while at work or on duty.
2. A report of drug or alcohol use while at work or on duty, provided by reliable and credible sources and which has been independently corroborated.
3. Evidence that you have tampered with a drug or alcohol test during your employment with the City of Grain Valley.
4. Evidence that you are involved in the use, possession, sale, solicitation or transfer of drugs while on duty or while on City of Grain Valley premises or operating a vehicle, machinery or equipment of the City of Grain Valley.

POST-ACCIDENT
TESTING

The City of Grain Valley requires you to undergo drug or alcohol testing if you have been involved in a work-related accident that causes a serious injury or property damage.

WORKER'S
COMPENSATION

If you test positive for the presence of controlled substances, alcohol, illegal drugs, or illegally used chemicals, you may not be eligible for worker's compensation unless you prove that the substances, alcohol, illegal drugs, or illegally used chemicals were not the proximate cause of the injury or accident.

RANDOM TESTING

The City of Grain Valley may also institute random testing in accordance with this policy.

"Random testing," means a mechanism for selection of employees for testing that result in an equal probability that any employee from a group of employees will be tested, and which does not give the City discretion to waive the selection of an employee selected by this random selection method.

SCHEDULED,
PERIODIC TESTING

In addition, the City may conduct periodic testing on a regularly scheduled basis for employees in designated departments, classifications or work groups.

Normally, such testing will not be scheduled more often than annually.

POST-
REHABILITATION
TESTING

The City of Grain Valley may require an employee to undergo drug or alcohol testing without prior notice for a period of up to two (2) years commencing with the employee's return to work, following a confirmed positive test or following participation in a drug or alcohol dependency treatment program under an employee benefit plan or at the request of the City.

SUBSTANCES THAT
MAY BE TESTED

You may be tested for your use of alcohol (ethyl alcohol or ethanol), and for your use of commonly-abused controlled substances, which (at the present time) include: Amphetamines, Barbiturates, Benzodiazepines, Cannabinoids, Cocaine, Methaqualone, Opiates, Phencyclidine (PCP), hallucinogens, synthetic narcotics, designer drugs, or any metabolite of any of the substances listed above.

Because the listing of all possible drugs of abuse is quite lengthy, and changes from time to time, you can request a listing of all substances to be tested from the testing laboratory at the time of the test.

TESTING METHODS	<p>All testing will be conducted by a licensed independent medical laboratory that will follow applicable testing standards.</p> <p>Testing will be conducted on a blood, saliva, urine or hair sample provided by you to the testing laboratory under procedures established by the laboratory to ensure your privacy and chain of custody requirements, while protecting against tampering/alteration of the test results.</p>
PAID EXPENSES	<p>The City of Grain Valley will pay for the cost of the testing, including the confirmation of any positive test result by gas chromatography, gas chromatography-mass spectroscopy, or an equivalent scientifically accepted method of equal or greater accuracy.</p> <p>The testing lab will retain samples in accordance with applicable law, so that you may request a retest of the sample at your own expense if you disagree with the test result.</p>
FAILURE TO COMPLY	<p>If you refuse to take the test as requested under this policy, you will be subject to disciplinary action, up to and including termination of employment.</p>
UNEMPLOYMENT COMPENSATION	<p>Under applicable law, your refusal to take a lawfully requested drug/alcohol test, or testing positive on such a test, may constitute “misconduct” within the meaning of unemployment compensation laws and may disqualify an individual from receipt of unemployment compensation.</p>
TESTING POSITIVE	<p>If you test positive on an initial screening test, you may be temporarily suspended while the confirmation test is being conducted.</p> <p>On receipt of the confirmation test, you may be subject to disciplinary action, up to and including termination of employment.</p>
RIGHT TO REVIEW RECORDS	<p>You have a right to obtain copies of all test results from the testing laboratory, or from the City of Grain Valley, and should submit all such requests to Human Resources in writing.</p>
RETESTING	<p>If you disagree with the test results, you may request that the testing laboratory repeat the test. Such repeat test shall be at your expense, unless the repeat test overturns the original report of the laboratory, in which case the City of Grain Valley will reimburse you for the costs incurred for the retest.</p>

RIGHT TO EXPLAIN
TEST RESULTS

You have the right to meet with the testing laboratory personnel and with the City of Grain Valley to explain your test results.

These discussions shall be considered confidential except information disclosed in such tests may be communicated to personnel within the City of Grain Valley or within the laboratory who need to know in order to make proper decisions regarding the test results or regarding your employment.

EMPLOYEE
ASSISTANCE
PROGRAM

You will be reminded of the availability of the Employee Assistance (“EAP”) Program at the time that the City of Grain Valley provides you with positive drug/alcohol test results.

The existence or your use of the EAP does not constitute any guarantee of continued employment with the City of Grain Valley.

CONFIDENTIALITY

All records concerning test results will be kept separately from your personnel file.

These test records cannot be used in any criminal or civil proceeding, except where such action has been brought by the City of Grain Valley or involves a suit between you and the City of Grain Valley, unless the records have been ordered released in accordance with a valid court order.

The records cannot be disclosed to any other person by the City of Grain Valley, in the absence of a court order, except where you have signed a release that specifically authorizes the City of Grain Valley to disclose such records to the requesting person.

Except where testing is done as a part of a routine physical examination, testing laboratories may conduct testing only for substances listed above, and may not conduct general testing related to your medical condition(s) unrelated to drug/alcohol usage.

CONFLICT OF INTEREST

POLICY

The City has guidelines to avoid real or potential conflicts of interest. It is your duty as an employee of the City of Grain Valley to adhere to the following guidelines about conflicts of interest. If this is not clear to you or if you have questions about conflicts of interest, contact your supervisor, Department Head, or Human Resources.

DEFINITION

A conflict of interest occurs when the interest of an employee or another outside party actually or potentially affects the City in a negative way. Employees may not use their positions for personal benefit, for the benefit of friends or relatives, or to further any outside interests or personal agenda. Employees should at all times avoid the substance or appearance of a conflict of interest in their personal affairs and their work at the City.

DISCLOSURE

You are required to disclose in writing any real or potential conflict of interest to your supervisor, Department Head, or Human Resources

FAILURE TO COMPLY

Failure to disclose a conflict or potential conflict may lead to disciplinary action, up to and including termination of employment.

CONTACT WITH THE MEDIA

POLICY

To ensure that the City of Grain Valley communicates with the media in a consistent, timely and professional manner about matters related to the City, you should notify the City Administrator that you have been contacted by the media whenever you are asked to speak on behalf of the City so that the City knows that a media inquiry has been made. OUTSIDE EMPLOYMENT

INTRODUCTION

The City respects each employee's right to engage in activities outside of employment such as those that are of a personal or private nature, to the extent that such activities do not create a conflict of interest as described in the Conflicts of Interest policy set forth in this Handbook or adversely affect the employee's ability to perform their job. An example of an activity that might adversely affect an employee's ability to perform their job duties is outside employment.

POLICY

While the City does not prohibit employees from holding other jobs, the following types of outside employment are generally prohibited (to the extent allowed under applicable law):

- Employment that conflicts with the employee's work schedule, duties and responsibilities or creates an actual conflict of interest;
- Employment that impairs or has a detrimental effect on the employee's work performance with the City;
- Employment that requires employees to conduct work or related activities during working times or using any of the City's tools, materials or equipment; and
- Employment that directly or indirectly competes with the business or the interests of the City.

For the purposes of this policy, self-employment is considered outside employment.

DISCIPLINARY ACTIONS

If secondary employment interferes with satisfactory performance and/or makes it impossible for an employee to carry out any or all job duties while at work, appropriate disciplinary action up to and including termination of employment may be appropriate.

INTRODUCTORY PERIOD

INTRODUCTION All employees of the City of Grain Valley are subject to an introductory period during the first one hundred eighty (180) days or six (6) months of employment.

PURPOSE This introductory period allows you to become acquainted with the City of Grain Valley, the basics of the initial job assignment and fellow employees.

At the same time, your supervisor and Department Head have the opportunity to evaluate your work product, career potential and working relationships.

ORIENTATION During the introductory period, your orientation shall include introductions to all personnel in your assigned workspace; a review of this Handbook and the benefits it describes; and a thorough explanation of the expectations, duties and responsibilities of your new position.

You will also be familiarized with routine procedures. You will receive a packet containing all appropriate forms and applications required to process you into the City of Grain Valley on or before your first day of employment.

COMPLETION OF INTRODUCTORY PERIOD Upon completion of your introductory period, you will receive a formal performance evaluation.

Completion of the introductory period does not alter the at-will nature of employment, and completion of the introductory period does not guarantee employment for any period of time.

As an at-will employee, either you or the City of Grain Valley may terminate your employment at any time.

HOURS OF OPERATION AND SCHEDULES

GENERAL HOURS General hours of operation at Grain Valley City Hall are from 8 a.m. to 5 p.m., Monday through Friday.

The majority of City employees work a forty-hour (40) workweek.

VARIATIONS TO WORK SCHEDULES There may be exceptions to the normal workweek schedule in various departments to allow for emergency and/or continuous community service need fulfillment.

The City provides utility services twenty-four (24) hours a day; therefore, one employee will always be available on a standby basis for the water/sewer department.

To protect your health and welfare, you shall not be required to work more than a maximum of sixteen (16) hours in a twenty-four (24) hour period, unless extreme emergency circumstances require it.

POLICE DEPARTMENT The Police Department will operate on a twenty-four (24) hour basis. Commissioned Police Department personnel will operate on a schedule that varies from a majority of City employees. This schedule will be established by the Chief of Police and can change, at any time, per the Chief's discretion.

REST AND MEAL PERIODS

REST PERIODS Employees working full-time hours shall receive two (2) paid rest periods of fifteen (15) minutes. These rest periods occur generally once in the morning and once in the afternoon, scheduled at the discretion of the supervisor or Department Head.

MEAL PERIODS Non-exempt employees working at least eight (8) or more consecutive hours on any day will receive an unpaid sixty (60) minute meal period as close to the middle of their shift as possible.

You are to schedule your meal period as your work schedule permits and at the discretion of the supervisor or Department Head.

WORK DURING MEAL PERIODS Non-exempt employees may not work during their meal period without prior approval.

Failure to obtain approval before working through the meal period may result in disciplinary action.

EMPLOYMENT CLASSIFICATIONS

POLICY

It is the policy of the City of Grain Valley to categorize the status of employees in order to make distinctions in benefits and conditions of employment among employees and to aid in a better understanding of employment relationships with the City of Grain Valley.

EXEMPT EMPLOYEES

Exempt employees are employees whose job assignments meet specific tests established by the federal Fair Labor Standards Act (FLSA) and who are exempt from minimum wage and overtime pay requirements. Exempt employees are compensated on a salary basis. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisor, Department Head, and/or Human Resources with any questions or concerns regarding this status.

NON-EXEMPT EMPLOYEES

Nonexempt employees are employees whose job positions do not meet FLSA exemption tests, and who are NOT exempt from minimum wage and overtime pay requirements. Nonexempt employees are eligible to receive overtime pay for hours worked in excess of 40 hours in a given week. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisors, Department Head, or Human Resources with any questions or concerns regarding this status.

FULL-TIME EMPLOYEES

“Full-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work thirty (30) hours or more per workweek on a regular basis. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

PART-TIME EMPLOYEES

“Part-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work less than twenty-nine (29) hours per workweek (and not to exceed 1500 hours per year), based on the needs of the Department or City. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

TEMPORARY
EMPLOYEES

“Temporary employees” are those employees who are hired to work on a specific project or for a specific length of time, generally not to exceed six (6) months. The exact length of employment may or may not be known on the date of hire.

Some examples of temporary employees include, but are not limited to: Interns, Seasonal Employees, or Individuals Hired as Temporary Replacements for Existing Employees on an Extended Leave of Absence.

Temporary employees may work on a full-time or part-time basis and may be classified as either exempt or non-exempt.

Temporary employees are not eligible for any other benefit programs described in this Handbook or otherwise provided by the City of Grain Valley.

DRAFT

EMPLOYMENT ELIGIBILITY VERIFICATION (I-9)

POLICY

The City of Grain Valley is committed to employing only individuals who are authorized to work in the United States and who comply with applicable immigration and employment law.

As a condition of employment, every individual must provide satisfactory evidence of their identity and legal authority to work in the United States within three business days of commencing employment. If the employee cannot verify their right to work in the United States within three business days of employment, the City will be required to terminate their employment immediately.

DRAFT

VERIFICATION OF EMPLOYMENT

POLICY

So that the City can handle requests for job references and/or employment verification in a consistent, fair and lawful manner, all requests for official job references on behalf of the City should be forwarded to Human Resources. No other manager or supervisor is authorized to release references on the City's behalf for current or former employees.

PROCEDURE

All requests must be forwarded to Human Resources.

The following information will be provided to an individual seeking an employment verification:

1. Position Title(s)
2. Dates of Employment

The City of Grain Valley will provide information on salary and/or wages earned by an employee only upon receiving written consent by the employee prior to fulfilling the request.

NEPOTISM – EMPLOYMENT OF RELATIVES

POLICY

A familial relationship among employees can create an actual or at least potential or perceived conflict of interest in the employment setting, especially where one relative, spouse, partner, or member of such a relationship supervises another relative, spouse, partner, or member. To avoid this problem, we may refuse to hire or place a relative in a position where the potential for favoritism or a conflict exists.

If two employees are or become related, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms or conditions of employment of the other individual. In other cases where a conflict or the danger of a conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment, at the discretion of the City.

For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage (e.g., domestic partnership or civil union status).

In situations involving elected or appointed officials, the City shall not employ persons, unless the employment precedes the appointment, immediately related to an elected official of the City, appointed Commission, or Board member, during the term unless the employment precedes the election. Employees may retain employment during the term of the appointed official if the employment precedes the appointment, if not in the same department, or upon a vacancy in another department in which the employee has the skills and abilities necessary for the position.

REHIRE OF FORMER EMPLOYEES

INTRODUCTION

As a former employee, you may be considered for rehire if a position which matches your abilities and experience is available, and if you left the City of Grain Valley in good standing and are eligible for rehire.

ELIGIBILITY FOR REHIRE

Good standing is obtained by providing the City of Grain Valley a minimum two-week notice of intent to resign a position and have no disciplinary action counseling reports, which led to the former employee's separation of employment.

DEDUCTIONS FROM PAY

FEDERAL AND STATE LAW REQUIREMENTS

Federal and state law requires certain deductions from your pay, which include federal, state and local withholding taxes and social security.

VOLUNTARY DEDUCTIONS

These deductions, along with any voluntary deductions (e.g., insurance premiums, 457(b) contributions, etc.), and any garnishments against your pay, will be withheld each pay period.

GARNISHMENTS

When necessary, the City of Grain Valley will, according to law, accept court ordered wage assignments and garnishments and process them in the legally prescribed manner; which involves withholding the required amount from each paycheck until the debt is paid.

In the case where a garnishment is received, Human Resources will inform you, in writing, of said garnishment.

REPORTING IMPROPER DEDUCTIONS FROM PAY

If you believe that the City of Grain Valley has improperly deducted amounts from your salary that should not have been deducted, you should immediately contact the Finance Department. If it is determined that the deduction was improper, you will be reimbursed for the deduction on your next regularly scheduled paycheck.

PAY RATE ADJUSTMENTS

INTRODUCTION The following personnel actions shall affect your pay status in the manner described below.

All adjustments to pay will commence at the beginning of the next pay period following the approved change.

This decision will be made at the discretion of the Department Head of the department of which you will be transferred.

PROMOTION TO A GRADE HAVING A HIGHER MINIMUM SALARY When you are promoted to a position in a grade having a higher minimum salary rate, your salary rate shall be increased to the minimum wage of the job classification's pay grade, or a five percent (5%) wage increase, whichever is the greatest.

Discretion can be used by the Department Head to increase the wage more than five percent (5%).

PROMOTION TO A GRADE WHERE EMPLOYEE SALARY IS HIGHER THAN THE MINIMUM When you are promoted to a position in a higher grade but your current salary is higher than the minimum salary of the new grade, your salary shall be increased five percent (5%), not to exceed the maximum salary of the grade.

Discretion can be used by the Department Head to increase the wage more than five percent (5%), so long as the rate does not exceed the maximum salary of the grade.

PERFORMANCE/MERIT INCREASE When you are promoted, you shall not be eligible for a merit increase for a period of one (1) year from the time of the promotion and the successful completion of the probationary period. You are eligible for COLA increases within that period, however.

If your salary equals or is greater than the minimum salary of the higher grade, a minimum of a five percent (5%) increase salary differential will be paid for the temporary assignment to a higher-level position. Temporary assignment is defined as assignment to a vacant position.

INVOLUNTARY
DEMOTION

When you are involuntarily demoted for disciplinary or similar reasons from a position in one grade to a position in a grade having a lower maximum salary rate, your salary shall be reduced to be within the pay range established for the position to which you are demoted. This decision is left to the discretion of your Department Head.

You shall not be eligible for promotion or a salary increase for a period of one (1) year from the time of demotion. You are eligible for COLA increases within that period, however.

VOLUNTARY
DEMOTION

When you are voluntarily demoted from a position in one grade to a position in a grade having a lower pay range, your rate of pay shall be reduced as necessary to place it within the pay range assigned to the lower grade.

FAMILY AND MEDICAL LEAVE (FMLA)

PURPOSE The City of Grain Valley will grant family and medical leave in accordance with the requirements of applicable law in effect at the time the leave is granted. This policy is established in compliance with the Federal Family and Medical Leave Act of 1993 (FMLA).

ELIGIBILITY

1. To be eligible for FMLA Leave benefits, employees must: Have worked for the City of Grain Valley for a total of 12 months
2. Have worked at least 1,250 hours over the previous 12 months.

Note: The 12-month period will be measured backward from the date the leave was requested.

REASONS FOR FMLA LEAVE

When you are eligible, you may take FMLA leave for one of the following reasons:

1. The birth, adoption or foster care of an employee's child within 12 months following birth or placement of the child (Bonding Leave);
2. To care for an immediate family member (spouse, child, or parent with a serious health condition (Family Care Leave);
3. An employee's inability to work because of a serious health condition (Serious Health Condition Leave);
4. A "qualifying exigency," as defined under the FMLA, arising from a spouse's, child's, or parent's "covered active duty" (as defined below) as a member of the military reserves, National Guard or Armed Forces (Military Emergency Leave); or
5. To care for a spouse, child, parent or next of kin (nearest blood relative) who is a "Covered Servicemember," as defined below (Military Caregiver Leave).

DEFINITIONS

“Child” for purposes of Bonding Leave and Family Care Leave, means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that Family and Medical Leave is to commence. **“Child,”** for purposes of Military Emergency Leave and Military Caregiver Leave, means a biological, adopted or foster child, stepchild, legal ward, or a child for whom the person stood in loco parentis, and who is of any age.

“Parent” for purposes of this policy, means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the person. This term does not include parents-in-law. For Military Emergency leave taken to provide care to a parent of a deployed military member, the parent must be incapable of self-care as defined by the FMLA.

“Covered Active Duty” means (1) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (2) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty (or notification of an impending call or order to active duty) in support of a contingency operation as defined by applicable law.

“Covered Servicemember” means (1) a member of the Armed Forces, including a member of a reserve component of the Armed Forces, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform their military duties, or (2) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a “veteran” as defined by the Department of Veteran Affairs), and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran.

“Spouse” means the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into, or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This includes common law marriage and same sex marriage in places where these marriages are recognized.

“Key employee” means a salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

LENGTH OF LEAVE

The maximum amount of FMLA Leave will be 12 workweeks in any 12-month period when the leave is taken for: (1) Bonding Leave; (2) Family Care Leave; (3) Serious Health Condition Leave; and/or (4) Military Emergency Leave. However, if both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 12 workweeks off between the two of them when the leave is for Bonding Leave or to care for a parent using Family Care Leave. The applicable "12-month period" utilized by the City is the 12-month period measured backward from the date the leave was requested.

The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of 26 workweeks in a single 12-month period. A "single 12-month period" begins on the date of the employee's first use of such leave and ends 12 months after that date.

If both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury or illness or by a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

INTERMITTENT OF
REDUCED
SCHEDULE LEAVE

Under some circumstances, employees may take FMLA Leave intermittently, which means taking leave in blocks of time, or by reducing the employee's normal weekly or daily work schedule. An employee may take leave intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Leave taken intermittently may be taken in increments of no less than one quarter. Employees who take leave intermittently or on a reduced work schedule basis for a planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment. If FMLA Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, we may require employees to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

If an employee's request for intermittent leave is approved, the City may later require employees to obtain recertification of their need for leave. For example, the City may request recertification if it receives information that casts doubt on an employee's report that an absence qualifies for FMLA Leave.

NOTICE AND
CERTIFICATION

BONDING, FAMILY
CARE, SERIOUS
HEALTH CONDITION
AND MILITARY
CAREGIVER LEAVE
REQUIREMENTS

Employees are required to provide:

- When the need for the leave is foreseeable, 30 days advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day);
- When the need for leave is not foreseeable, notice within the time prescribed by the City's normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical;
- When the leave relates to medical issues, a completed Certification of Health-Care Provider form within 15 calendar days (for Military Caregiver Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health-Care Provider form);
- Periodic recertification (upon request); and
- Periodic reports during the leave.

Certification forms are available from Human Resources. At our expense, we may require a second or third medical opinion regarding the employee's own serious health condition or the serious health condition of the employee's family member. In some cases, we may require a second or third opinion regarding the injury or illness of a Covered Service Member. Employees are expected to cooperate with the City in obtaining additional medical opinions that we may require.

When leave is for planned medical treatment, employees must try to schedule treatment so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment.

RECERTIFICATIONS
AFTER GRANT OF
LEAVE

In addition to the requirements listed above, if an employee's Family and Medical Leave is certified, the City may later require medical recertification in connection with an absence that the employee reports as qualifying for Family and Medical Leave. For example, the City may request recertification if (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly (e.g., employee absences deviate from the duration or frequency set forth in the previous certification; employee's condition becomes more severe than indicated in the original certification; employee's encounter complications); or (3) the City receives information that casts doubt upon the employee's stated reason for the absence. In addition, the City may request recertification in connection with an absence after six months have passed since the employee's original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by the City will be at the employee's expense.

MILITARY
EMERGENCY LEAVE
REQUIREMENTS

Employees are required to provide:

As much advance notice as is reasonable and practicable under the circumstances;

A copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and

A completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from Human Resources Division.

FAILURE TO
PROVIDE
CERTIFICATION AND
TO RETURN FROM
LEAVE

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave. If an employee fails to return to work at leave's expiration and has not obtained an extension of the leave, the City may presume that the employee does not plan to return to work and has voluntarily terminated their employment.

COMPENSATION
DURING LEAVE

Generally, FMLA Leave is unpaid. However, the City will require employees to use accrued paid leave to cover all of the FMLA leave, using personal leave first, then sick leave, then vacation leave prior to any unpaid leave. The use of paid benefits will not extend the length of a FMLA Leave.

BENEFITS DURING
LEAVE

The City will continue making contributions to employee group health benefits during their leave on the same terms as if employees had continued to actively work. This means that if employees want their benefits coverage to continue during their leave, they must also continue to make the same premium payments that they are now required to make for themselves or their dependents. Employees taking Bonding Leave, Family Care Leave, Serious Health Condition Leave, and Military Emergency Leave will generally be provided with group health benefits for a 12 workweek period. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 workweeks. In some instances, the City may recover premiums it paid on the employee's behalf to maintain health coverage if the employee fails to return to work following a FMLA Leave.

The employee's length of service as of the leave will remain intact, but accrued benefits such as vacation and sick leave will not accrue while on an unpaid FMLA Leave.

JOB
REINSTATEMENT

Under most circumstances, employees will be reinstated to the same position they held at the time of the leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. However, employees have no greater right to reinstatement than if they had been continuously employed rather than on leave. For example, if an employee would have been laid off if they had not gone on leave or, if the employee's position was eliminated during the leave, then the employee will not be entitled to reinstatement.

CONFIDENTIALITY

Documents relating to medical certifications, recertifications or medical histories of employees or employees' family members will be maintained separately and treated by the City as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors and managers, first aid and safety personnel or government officials.

FRAUDULENT USE
OF FMLA
PROHIBITED

An employee who fraudulently obtains Family and Medical Leave from the City is not protected by FMLA's job restoration or maintenance of health benefits provisions. In addition, the City will take all available appropriate disciplinary action against such employee due to such fraud.

NONDISCRIMINATION

The City takes its FMLA obligations very seriously and will not interfere, restrain or deny the exercise of any rights provided by the FMLA. We will not terminate or discriminate against any individual for opposing any practice, or because of involvement in any proceeding related to the FMLA. If an employee believes their FMLA rights have been violated in any way, they should immediately report the matter to Human Resources.

LEAVES OF ABSENCE

POLICY

This policy is reserved for extraordinary and unusual circumstances. Requests for leave will be considered and evaluated on an individual basis. The City Administrator may grant a leave of absence without pay for up to 180 days.

Approval or denial of such requests will be entirely at the City's discretion. In determining the feasibility of granting such requests, factors such as the purpose of requested leave, availability of coverage for job responsibility during the requested leave, previous absences, length of employment, prior work records and performance and similar considerations, will be considered. Such requests must be submitted to the City Administrator.

This program covers most injuries or illnesses, sustained in the course of employment, that require medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits or, if the employee is hospitalized, treatment immediately.

Employees who sustain a work-related injury or illness should inform their supervisor or Department Head immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage. This procedure must be followed whether the accident occurred on or off City of Grain Valley premises.

FAILURE TO REPORT AN ACCIDENT OR INJURY

Failure to report immediately any accident involving a work-related injury or illness may result in discipline, up to and including termination of employment.

POST-ACCIDENT DRUG/ALCOHOL TEST

At the discretion of your Department Head, the Risk Manager or the City Administrator, you may be required to take a post-accident drug and alcohol test at the time of a work related injury and/or illness.

Should you be required to perform a post-accident drug/alcohol test, under no circumstances are you allowed to drive yourself to the medical facility performing the test.

NO DISCRIMINATION OR RETALIATION

The City of Grain Valley does not discriminate or retaliate against employees for having filed Workers' Compensation claims.

RETURN TO WORK/
LIGHT-DUTY
COMPENSATION

Employees who are ready to return to work following a workers' compensation-related leave of absence must supply a certification from a health care provider confirming the employee's ability to return to work.

To ensure that employees are able to perform their duties safely, the City may require individuals to undergo both post-job offer and post-employment medical examinations for certain positions or under certain circumstances. Such examinations will comply with applicable law, including the requirements of the Americans with Disabilities Act and FMLA

If you are placed on light duty or part-time duty, as determined by a health care provider, and you perform assigned work duties for the City of Grain Valley, your time will be recorded as actual time worked and you will be paid accordingly.

If you are placed on light duty or part-time duty, as determined by physician health care provider, and you choose not to perform assigned work duties for the City of Grain Valley, you will be required to take sick or vacation time.

Light duty may not be available for employees working in certain positions.

LEAVES OF
ABSENCE/ACCOMM
ODATION

Employees who need to take time off from work due to a workers' compensation illness or injury may also be eligible for a leave of absence under the City's leaves of absence or reasonable accommodation policies. Employees should consult with Human Resources for additional information.

ADDITIONAL
INFORMATION

Further details on workers' compensation is available upon request from Human Resources.

ATTENDANCE & PUNCTUALITY

INTRODUCTION

Prompt and regular attendance is key to the efficient operation of the City of Grain Valley and is considered an essential function of every employee's job.

When you are absent, schedules and customer commitments fall behind, and other employees must assume added workloads. To limit problems caused by employees' unapproved absences, we have adopted the following policy.

Employees are expected to report to work as scheduled, be on time and be prepared to start work. Employees are also expected to remain at work for their entire work schedule, except for meal or break periods, or when required to leave on authorized City business or other authorized reason. Unapproved late arrivals, early departures or other absences from scheduled hours are disruptive and must be avoided.

NOTIFICATION

Notification of an absence or tardiness should occur as soon as you know you will not be able to attend work or will be late.

In any event, if an employee is unable to report for work on any particular day, they must notify their supervisor or Department Head at least thirty (30) minutes prior to the scheduled start time of your shift (unless it is impossible to do so, in which case you must call as soon as possible thereafter). Employees who need to leave early must notify their supervisor or Department Head as soon as they learn that they will not be able to complete their scheduled shift. The City may inquire about the general reason for an absence, tardiness or early departure.

Failure to provide the notification required by this Policy may result in disciplinary action up to and including termination of employment.

EMPLOYEE RESPONSIBILITY

Except in cases of emergency, you are responsible for reporting unscheduled absences yourself rather than having family or friends do so for you.

You must speak to your supervisor or Department Head to properly notify the City of your absence.

ABSENCES EXTENDING MORE THAN ONE DAY

Unless extenuating circumstances exist, employees must call in on each and every scheduled day on which they will not report to work, unless they are on an approved leave of absence.

ABSENCES IN
EXCESS OF THREE
(3) CONSECUTIVE
DAYS

Any absence in excess of three (3) or more days may require a doctor's release to return to work.

EXCESSIVE
ABSENTEEISM &
TARDINESS

Excessive absenteeism or tardiness may result in disciplinary action up to and including termination of employment, unless the absence or tardiness is excused or approved. The following are examples of types of time off that will not be considered grounds for disciplinary action under this policy:

- Time off that was previously approved, including vacation and sick leave;
- Approved state and federal leaves of absence, including but not limited to jury duty leave, military leave, leave protected under the Family and Medical Leave Act or similar state laws, and time off or leave specifically approved by the City as an accommodation under the Americans with Disabilities Act or similar state laws; and/or
- Time off due to a work-related injury that is covered by workers' compensation.

Each situation of absenteeism, tardiness or early departure will be evaluated on a case-by-case basis. Even one unexcused absence or tardiness may be considered excessive, depending upon the circumstances. However, the City will not subject employees to disciplinary action or retaliation for an absence, tardiness or early departure for which discipline may not be imposed under applicable law. If the employee believes that an absence, tardiness or early departure is (or should be) excused pursuant to applicable law, the employee should notify their supervisor, Department Head, or Human Resources of this fact as soon as possible, but no later than at the time of the absence, tardiness or early departure. (For the required timing of an employee's notice of the need for a foreseeable leave of absence, see the applicable leave policy). If an employee believes they have mistakenly been subject to disciplinary action for an absence, tardiness or early departure that the employee believes is or should be excused/approved, the employee should promptly discuss the matter with their supervisor, Department Head, or Human Resources. The City will investigate the situation and any errors will be corrected.

NO CALL/NO SHOW An employee's failure to report for work without any notification (No Call/No Show) Not reporting to work and not calling to report the absence is a no call/no show and is a serious matter.

An employee who fails to report for work without any notification to their supervisor or Department Head will be subject to disciplinary action, up to and including termination, on the first occasion of any such absence. An employee who fails to report for work without any notification to their supervisor or Department Head and whose absence continues for a period of two (2) days will be considered to have abandoned and voluntarily terminated their employment, absent extraordinary circumstances.

**UNEXCUSED
ABSENCE**

An unexcused absence for non-exempt employees is defined as any time off from a regularly scheduled shift that has not been approved seventy-two (72) hours in advance as an excused absence.

Consecutive day's absences are counted as one absence.

**ADDITIONAL
INFORMATION**

Employees should contact Human Resources with any questions about this Policy.

FUNERAL LEAVE

POLICY

The City of Grain Valley understands that you may desire to take time off in the event of a death of a family member. As such, the City of Grain Valley may grant you up to five (5) business days with pay to attend the funeral of an immediate family member; and up to three (3) business days with pay to attend the funeral of an extended family member.

-

EXTENDED FAMILY MEMBERS

MILITARY LEAVE

POLICY

A military leave of absence will be granted to employees who are absent from work because of service in accordance with the Uniformed Services Employment and Re-employment Rights Act (“USERRA”) and applicable state laws.

The City provides unpaid military leaves of absence to employees who serve in the uniformed services as required by USERRA and applicable state laws. The uniformed services are defined as the Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or national emergency. The uniformed services also include participants in the National Disaster Medical System when activated to provide assistance in response to a public health emergency, to be present for a short period of time when there is a risk of a public health emergency, or when they are participants in authorized training.

Service consists of performing any of the following on a voluntary or involuntary basis: active duty, active duty for training, initial active duty, inactive duty training, full time National Guard duty, absence from work for an examination to determine fitness for such duty, and absence for performing funeral honors duty. Total military leave time may not exceed five years during employment, except in certain, defined circumstances.

ADVANCE NOTICE

Advance notice of military service is required, preferably in writing, unless military necessity prevents such notice or it is otherwise impossible or unreasonable (which is defined by the United States Department of Defense). When notice is required, employees must provide their supervisor or Department Head with as much advance notice as possible of any anticipated leave of absence for military service.

PAY

If you are required to fulfill an annual military service obligation, you will be granted time off, and the City of Grain Valley shall pay the difference in wages between the active duty pay and your regular income for a period of up to one-hundred twenty (120) hours.

VACATION AND
COMPENSATORY
TIME

When on a military leave of absence, you may use any available personal time, vacation time or compensatory time for the absence.

HEALTHCARE
CONTINUATION

Accrued, unused vacation or leave will be paid during military leave at the employee's request. After 30 days of continuous military leave, employees may elect to continue their health plan coverage at their own expense, for up to 24 months or during the remaining period of service, whichever is shorter.

REINSTATEMENT

In order to be eligible for reinstatement, an employee must have provided advance notice of the need for military leave (where required) and have completed service on a basis that is not dishonorable or otherwise prohibited under USERRA.

Employees whose military service will be for fewer than 31 days must report to back to work at the beginning of the first full, regularly scheduled work day following completion of service, after allowing for a period of safe travel home and eight hours of rest.

Employees whose military service will be for more than 30 days, but fewer than 181 days must apply for re-employment within 14 days after completing service.

Employees whose service is greater than 180 days must apply for re-employment within 90 days after completing service.

As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in loss of reemployment rights. Full details regarding reinstatement are available from Human Resources.

In general, an employee returning from military leave will be re-employed in the position and seniority level that the employee would have attained had there been no military leave of absence. If necessary, the City will provide training to assist the employee in the transition back to the workforce.

Vacation benefits do not continue to accrue during a military leave of absence. An employee returning from military leave is entitled to any unused, accrued vacation benefits the employee had at the time the military leave began minus any vacation benefits the employee chose to use during the leave. Upon reinstatement, the employee will begin to accrue vacation benefits at the rate they would have attained if no military leave had been taken.

FOR ADDITIONAL
INFORMATION

Contact Human Resources for more information or questions about
military leave.

You acknowledge that we have no delivery obligations and we will not ship copies of the Tyler Software as part of the SaaS Services. You may use the SaaS Services to access updates and enhancements to the Tyler Software, as further described in Section C(8).
2. SaaS Fees. You agree to pay us the SaaS Fees. Those amounts are payable in accordance with our Invoicing and Payment Policy. The SaaS Fees are based on the number of Defined Users and amount of Data Storage Capacity. You may add additional users or additional data storage capacity on the terms set forth in Section H(1). In the event you regularly and/or meaningfully exceed the Defined Users or Data Storage Capacity, we reserve the right to charge you additional fees commensurate with the overage(s).
3. Ownership.
 - 3.1 We retain all ownership and intellectual property rights to the SaaS Services, the Tyler Software, and anything developed by us under this Agreement. You do not acquire under this Agreement any license to use the Tyler Software in excess of the scope and/or duration of the SaaS Services.

- 3.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.
- 3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we do not create or endorse any Data used in connection with the SaaS Services.
4. Restrictions. You may not: (a) make the Tyler Software or Documentation resulting from the SaaS Services available in any manner to any third party for use in the third party's business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, Tyler Software, or Documentation available to any third party other than as expressly permitted by this Agreement.
5. Software Warranty. We warrant that the Tyler Software will perform without Defects during the term of this Agreement. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(8), below, the SLA and our then current Support Call Process.
6. SaaS Services.
- 6.1 Our SaaS Services are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 18. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for SaaS Services. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information.
- 6.2 You will be hosted on shared hardware in a Tyler data center, but in a database dedicated to you, which is inaccessible to our other customers.
- 6.3 We have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event any of your Data has been lost or damaged due to an act or omission of Tyler or its subcontractors or due to a defect in Tyler's software, we will use best commercial efforts to restore all the Data on servers in accordance with the architectural design's capabilities and with the goal of minimizing any Data loss as greatly as possible. In no case shall the recovery point objective ("RPO") exceed a maximum of twenty-four (24) hours from declaration of disaster. For purposes of this subsection, RPO represents the maximum tolerable period during which your Data may be lost, measured in relation to a disaster we declare, said declaration will not be unreasonably withheld.
- 6.4 In the event we declare a disaster, our Recovery Time Objective ("RTO") is twenty-four (24) hours. For purposes of this subsection, RTO represents the amount of time, after we declare a

disaster, within which your access to the Tyler Software must be restored.

- 6.5 We conduct annual penetration testing of either the production network and/or web application to be performed. We will maintain industry standard intrusion detection and prevention systems to monitor malicious activity in the network and to log and block any such activity. We will provide you with a written or electronic record of the actions taken by us in the event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. We agree to supply the current status of our PCI DSS compliance program in the form of an official Attestation of Compliance, which can be found at <https://www.tylertech.com/about-us/compliance>, and in the event of any change in our status, will comply with applicable notice requirements.

SECTION C – OTHER PROFESSIONAL SERVICES

1. Other Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.

2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.
3. Additional Services. The Investment Summary contains the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.
4. Cancellation. If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.
5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.
6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.
7. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or to the failure by your personnel to provide such cooperation and assistance (either through action or omission).
8. Maintenance and Support. For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:
 - 8.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (limited to the then-current version and the immediately prior version);
 - 8.2 provide telephone support during our established support hours;

- 8.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;
- 8.4 make available to you all major and minor releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and
- 8.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with our then-current release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, SaaS Fees do not include the following services: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design; (c) other consulting services; or (d) support outside our normal business hours as listed in our then-current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

SECTION D – THIRD PARTY PRODUCTS

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy.
2. Third Party Software. As part of the SaaS Services, you will receive access to the Third Party Software and related documentation for internal business purposes only. Your rights to the Third Party Software will be governed by the Third Party Terms.
3. Third Party Products Warranties.
 - 3.1 We are authorized by each Developer to grant access to the Third Party Software.
 - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.
 - 3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third

Party Products.

4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third-party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.

SECTION E - INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the SaaS Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION F – TERM AND TERMINATION

1. Term. The initial term of this Agreement is one (1) year from the first day of the first month following the Effective Date, unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement will renew automatically for additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. Your right to access or use the Tyler Software and the SaaS Services will terminate at the end of this Agreement.
2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).
 - 2.1 Failure to Pay SaaS Fees. You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.
 - 2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material

breach of this Agreement within the thirty (30) day window set forth in Section H(3).

2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.

2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.

SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.

1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.

1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI-DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.

2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER. EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.**

THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS G(1) AND G(2).**
5. **EXCLUSION OF CERTAIN DAMAGES. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**
6. Insurance. During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION H – GENERAL TERMS AND CONDITIONS

1. Additional Products and Services. You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.

2. Optional Items. Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.
3. Dispute Resolution. You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in the Jackson County Circuit Court or the United States Courts – Western District of Missouri. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.
4. Taxes. The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
5. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
6. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.
7. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
8. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
9. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the

cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.

10. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.
11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.
12. Severability. If any term or provision of this Agreement is held invalid or unenforceable, the remainder of this Agreement will be considered valid and enforceable to the fullest extent permitted by law.
13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.
15. Notices. All notices or communications required or permitted as a part of this Agreement, such as notice of an alleged material breach for a termination for cause or a dispute that must be submitted to dispute resolution, must be in writing and will be deemed delivered upon the earlier of the following: (a) actual receipt by the receiving party; (b) upon receipt by sender of a certified mail, return receipt signed by an employee or agent of the receiving party; (c) upon receipt by sender of proof of email delivery; or (d) if not actually received, five (5) days after deposit with the United States Postal Service authorized mail center with proper postage (certified mail, return receipt requested) affixed and addressed to the other party at the address set forth on the signature page hereto or such other address as the party may have designated by proper notice. The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Confidential information is nonpublic information that a reasonable person would believe to be confidential and includes, without limitation, personal identifying information (*e.g.*, social security numbers) and trade secrets, each as defined by applicable state law. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:

- (a) is in the public domain, either at the time of disclosure or afterwards, except by breach of this Agreement by a party or its employees or agents;
- (b) a party can establish by reasonable proof was in that party's possession at the time of initial disclosure;
- (c) a party receives from a third party who has a right to disclose it to the receiving party; or
- (d) is the subject of a legitimate disclosure request under the open records laws or similar applicable public disclosure laws governing this Agreement; provided, however, that in the event you receive an open records or other similar applicable request, you will give us prompt notice and otherwise perform the functions required by applicable law.

18. Business License. In the event a local business license is required for us to perform services hereunder, you will promptly notify us and provide us with the necessary paperwork and/or contact information so that we may timely obtain such license.

19. Governing Law. This Agreement will be governed by and construed in accordance with the laws of your state of domicile, without regard to its rules on conflicts of law.

20. Multiple Originals and Authorized Signatures. This Agreement may be executed in multiple originals, any of which will be independently treated as an original document. Any electronic, faxed, scanned, photocopied, or similarly reproduced signature on this Agreement or any amendment hereto will be deemed an original signature and will be fully enforceable as if an original signature. Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee’s private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee's office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a “mid-size” or “intermediate” car. “Full” size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler’s TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler's work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

“No shows” or cancellation fees are not reimbursable if the employee does not comply with the hotel’s cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of Defense and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C Service Level Agreement

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. All other support services are documented in the Support Call Process.

II. Definitions. Except as defined below, all defined terms have the meaning set forth in the Agreement.

Attainment: The percentage of time the Tyler Software is available during a calendar quarter, with percentages rounded to the nearest whole number.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during which the Tyler Software is not available for your use. Downtime does not include those instances in which only a Defect is present.

Service Availability: The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding maintenance windows, Client Error Incidents and Force Majeure.

III. Service Availability

The Service Availability of the Tyler Software is intended to be 24/7/365. We set Service Availability goals and measures whether we have met those goals by tracking Attainment.

a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support incident number.

You must document, in writing, all Downtime that you have experienced during a calendar quarter. You must deliver such documentation to us within 30 days of a quarter's end.

The documentation you provide must evidence the Downtime clearly and convincingly. It must include, for example, the support incident number(s) and the date, time and duration of the Downtime(s).

b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of a Client Error Incident or Force Majeure). We will also work with you to resume normal operations.

Upon timely receipt of your Downtime report, we will compare that report to our own outage logs and support tickets to confirm that Downtime for which we were responsible indeed occurred.

We will respond to your Downtime report within 30 day(s) of receipt. To the extent we have confirmed Downtime for which we are responsible, we will provide you with the relief set forth below.

c. Client Relief

When a Service Availability goal is not met due to confirmed Downtime, we will provide you with relief that corresponds to the percentage amount by which that goal was not achieved, as set forth in the Client Relief Schedule below.

Notwithstanding the above, the total amount of all relief that would be due under this SLA per quarter will not exceed 5% of one quarter of the then-current SaaS Fee. The total credits confirmed by us in one or more quarters of a billing cycle will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Every quarter, we will compare confirmed Downtime to Service Availability. In the event actual Attainment does not meet the targeted Attainment, the following Client relief will apply, on a quarterly basis:

Targeted Attainment	Actual Attainment	Client Relief
100%	98-99%	Remedial action will be taken.
100%	95-97%	4% credit of fee for affected calendar quarter will be posted to next billing cycle
100%	<95%	5% credit of fee for affected calendar quarter will be posted to next billing cycle

You may request a report from us that documents the preceding quarter's Service Availability, Downtime, any remedial actions that have been/will be taken, and any credits that may be issued.

IV. Applicability

The commitments set forth in this SLA do not apply during maintenance windows, Client Error Incidents, and Force Majeure.

We perform maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

V. Force Majeure

You will not hold us responsible for not meeting service levels outlined in this SLA to the extent any failure to do so is caused by Force Majeure. In the event of Force Majeure, we will file with you a signed request that said failure be excused. That writing will at least include the essential details and circumstances supporting our request for relief pursuant to this Section. You will not unreasonably withhold its acceptance of such a request.

Issue Handling

Incident Tracking

Every support incident is logged into Tyler’s Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler’s website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client’s needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain “characteristics” may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client’s remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler’s responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of Data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler’s responsibility for loss or corrupted Data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler’s responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

- (1) Level 1: front-line representatives
- (2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
- (3) Level 3: assist in incident escalations and specialized client issues
- (4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

- (1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
- (2) Email – clients can send an email to software support in order to escalate the priority of an issue
- (3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.

SECTION B – SAAS SERVICES

1. Rights Granted. We grant to you the non-exclusive, non-assignable limited right to use the SaaS Services solely for your internal business purposes for the number of Defined Users only. The Tyler Software will be made available to you according to the terms of the SLA. You acknowledge that we have no delivery obligations and we will not ship copies of the Tyler Software as part of the SaaS Services. You may use the SaaS Services to access updates and enhancements to the Tyler Software, as further described in Section C(9). The foregoing notwithstanding, to the extent we have sold you perpetual licenses for Tyler Software, if and listed in the Investment Summary, for which you are receiving SaaS Services, your rights to use such Tyler Software are perpetual, subject to the terms and conditions of this Agreement including, without limitation, Section B(4). We will make any such software available to you for download.
2. SaaS Fees. You agree to pay us the SaaS Fees. Those amounts are payable in accordance with our Invoicing and Payment Policy. The SaaS Fees are based on the number of Defined Users and amount of Data Storage Capacity. You may add additional users or additional data storage capacity on the terms set forth in Section H(1). In the event you regularly and/or meaningfully exceed the Defined Users or Data Storage Capacity, we reserve the right to charge you additional fees commensurate with the overage(s).

3. Ownership.

3.1 We retain all ownership and intellectual property rights to the SaaS Services, the Tyler Software, and anything developed by us under this Agreement. You do not acquire under this Agreement any license to use the Tyler Software in excess of the scope and/or duration of the SaaS Services.

3.2 The Documentation is licensed to you and may be used and copied by your employees for internal, non-commercial reference purposes only.

3.3 You retain all ownership and intellectual property rights to the Data. You expressly recognize that except to the extent necessary to carry out our obligations contained in this Agreement, we do not create or endorse any Data used in connection with the SaaS Services.

4. Restrictions. You may not: (a) make the Tyler Software or Documentation resulting from the SaaS Services available in any manner to any third party for use in the third party's business operations; (b) modify, make derivative works of, disassemble, reverse compile, or reverse engineer any part of the SaaS Services; (c) access or use the SaaS Services in order to build or support, and/or assist a third party in building or supporting, products or services competitive to us; or (d) license, sell, rent, lease, transfer, assign, distribute, display, host, outsource, disclose, permit timesharing or service bureau use, or otherwise commercially exploit or make the SaaS Services, Tyler Software, or Documentation available to any third party other than as expressly permitted by this Agreement.

5. Software Warranty. We warrant that the Tyler Software will perform without Defects during the term of this Agreement. If the Tyler Software does not perform as warranted, we will use all reasonable efforts, consistent with industry standards, to cure the Defect in accordance with the maintenance and support process set forth in Section C(9), below, the SLA and our then current Support Call Process.

6. SaaS Services.

6.1 Our SaaS Services are audited at least yearly in accordance with the AICPA's Statement on Standards for Attestation Engagements ("SSAE") No. 18. We have attained, and will maintain, SOC 1 and SOC 2 compliance, or its equivalent, for so long as you are timely paying for SaaS Services. Upon execution of a mutually agreeable Non-Disclosure Agreement ("NDA"), we will provide you with a summary of our compliance report(s) or its equivalent. Every year thereafter, for so long as the NDA is in effect and in which you make a written request, we will provide that same information.

6.2 You will be hosted on shared hardware in a Tyler data center or in a third-party data center. In either event, databases containing your Data will be dedicated to you and inaccessible to our other customers.

6.3 Our Tyler data centers have fully-redundant telecommunications access, electrical power, and the required hardware to provide access to the Tyler Software in the event of a disaster or component failure. In the event any of your Data has been lost or damaged due to an act or omission of Tyler or its subcontractors or due to a defect in Tyler's software, we will use best commercial efforts to restore all the Data on servers in accordance with the architectural design's capabilities and with the goal of minimizing any Data loss as greatly as possible. In no

case shall the recovery point objective (“RPO”) exceed a maximum of twenty-four (24) hours from declaration of disaster. For purposes of this subsection, RPO represents the maximum tolerable period during which your Data may be lost, measured in relation to a disaster we declare, said declaration will not be unreasonably withheld.

- 6.4 In the event we declare a disaster, our Recovery Time Objective (“RTO”) is twenty-four (24) hours. For purposes of this subsection, RTO represents the amount of time, after we declare a disaster, within which your access to the Tyler Software must be restored.
- 6.5 We conduct annual penetration testing of either the production network and/or web application to be performed. We will maintain industry standard intrusion detection and prevention systems to monitor malicious activity in the network and to log and block any such activity. We will provide you with a written or electronic record of the actions taken by us in the event that any unauthorized access to your database(s) is detected as a result of our security protocols. We will undertake an additional security audit, on terms and timing to be mutually agreed to by the parties, at your written request. You may not attempt to bypass or subvert security restrictions in the SaaS Services or environments related to the Tyler Software. Unauthorized attempts to access files, passwords or other confidential information, and unauthorized vulnerability and penetration test scanning of our network and systems (hosted or otherwise) is prohibited without the prior written approval of our IT Security Officer.
- 6.6 We test our disaster recovery plan on an annual basis. Our standard test is not client-specific. Should you request a client-specific disaster recovery test, we will work with you to schedule and execute such a test on a mutually agreeable schedule. At your written request, we will provide test results to you within a commercially reasonable timeframe after receipt of the request.
- 6.7 We will be responsible for importing back-up and verifying that you can log-in. You will be responsible for running reports and testing critical processes to verify the returned Data.
- 6.8 We provide secure Data transmission paths between each of your workstations and our servers.
- 6.9 Tyler data centers are accessible only by authorized personnel with a unique key entry. All other visitors to Tyler data centers must be signed in and accompanied by authorized personnel. Entry attempts to the data center are regularly audited by internal staff and external auditors to ensure no unauthorized access.
- 6.10 Where applicable with respect to our applications that take or process card payment data, we are responsible for the security of cardholder data that we possess, including functions relating to storing, processing, and transmitting of the cardholder data and affirm that, as of the Effective Date, we comply with applicable requirements to be considered PCI DSS compliant and have performed the necessary steps to validate compliance with the PCI DSS. We agree to supply the current status of our PCI DSS compliance program in the form of an official Attestation of Compliance, which can be found at <https://www.tylertech.com/about-us/compliance>, and in the event of any change in our status, will comply with applicable notice requirements.

SECTION C –PROFESSIONAL SERVICES

1. Professional Services. We will provide you the various implementation-related services itemized in the Investment Summary and described in our industry standard implementation plan. We will finalize that documentation with you upon execution of this Agreement.
2. Professional Services Fees. You agree to pay us the professional services fees in the amounts set forth in the Investment Summary. Those amounts are payable in accordance with our Invoicing and Payment Policy. You acknowledge that the fees stated in the Investment Summary are good-faith estimates of the amount of time and materials required for your implementation. We will bill you the actual fees incurred based on the in-scope services provided to you. Any discrepancies in the total values set forth in the Investment Summary will be resolved by multiplying the applicable hourly rate by the quoted hours.
3. Additional Services. The Investment Summary contains the scope of services and related costs (including programming and/or interface estimates) required for the project based on our understanding of the specifications you supplied. If additional work is required, or if you use or request additional services, we will provide you with an addendum or change order, as applicable, outlining the costs for the additional work. The price quotes in the addendum or change order will be valid for thirty (30) days from the date of the quote.
4. Cancellation. If travel is required, we will make all reasonable efforts to schedule travel for our personnel, including arranging travel reservations, at least two (2) weeks in advance of commitments. Therefore, if you cancel services less than two (2) weeks in advance (other than for Force Majeure or breach by us), you will be liable for all (a) non-refundable expenses incurred by us on your behalf, and (b) daily fees associated with cancelled professional services if we are unable to reassign our personnel. We will make all reasonable efforts to reassign personnel in the event you cancel within two (2) weeks of scheduled commitments.
5. Services Warranty. We will perform the services in a professional, workmanlike manner, consistent with industry standards. In the event we provide services that do not conform to this warranty, we will re-perform such services at no additional cost to you.
6. Site Access and Requirements. At no cost to us, you agree to provide us with full and free access to your personnel, facilities, and equipment as may be reasonably necessary for us to provide implementation services, subject to any reasonable security protocols or other written policies provided to us as of the Effective Date, and thereafter as mutually agreed to by you and us.
7. Background Checks. For at least the past twelve (12) years, all of our employees have undergone criminal background checks prior to hire. All employees sign our confidentiality agreement and security policies.
8. Client Assistance. You acknowledge that the implementation of the Tyler Software is a cooperative process requiring the time and resources of your personnel. You agree to use all reasonable efforts to cooperate with and assist us as may be reasonably required to meet the agreed upon project deadlines and other milestones for implementation. This cooperation includes at least working with us to schedule the implementation-related services outlined in this Agreement. We will not be liable for failure to meet any deadlines and milestones when such failure is due to Force Majeure or

to the failure by your personnel to provide such cooperation and assistance (either through action or omission).

9. Maintenance and Support. For so long as you timely pay your SaaS Fees according to the Invoicing and Payment Policy, then in addition to the terms set forth in the SLA and the Support Call Process, we will:

9.1 perform our maintenance and support obligations in a professional, good, and workmanlike manner, consistent with industry standards, to resolve Defects in the Tyler Software (subject to any applicable release life cycle policy);

9.2 provide support during our established support hours;

9.3 maintain personnel that are sufficiently trained to be familiar with the Tyler Software and Third Party Software, if any, in order to provide maintenance and support services;

9.4 make available to you all releases to the Tyler Software (including updates and enhancements) that we make generally available without additional charge to customers who have a maintenance and support agreement in effect; and

9.5 provide non-Defect resolution support of prior releases of the Tyler Software in accordance with any applicable release life cycle policy.

We will use all reasonable efforts to perform support services remotely. Currently, we use a third-party secure unattended connectivity tool called Bomgar, as well as GotoAssist by Citrix. Therefore, you agree to maintain a high-speed internet connection capable of connecting us to your PCs and server(s). You agree to provide us with a login account and local administrative privileges as we may reasonably require to perform remote services. We will, at our option, use the secure connection to assist with proper diagnosis and resolution, subject to any reasonably applicable security protocols. If we cannot resolve a support issue remotely, we may be required to provide onsite services. In such event, we will be responsible for our travel expenses, unless it is determined that the reason onsite support was required was a reason outside our control. Either way, you agree to provide us with full and free access to the Tyler Software, working space, adequate facilities within a reasonable distance from the equipment, and use of machines, attachments, features, or other equipment reasonably necessary for us to provide the maintenance and support services, all at no charge to us. We strongly recommend that you also maintain your VPN for backup connectivity purposes.

For the avoidance of doubt, SaaS Fees do not include the following services: (a) onsite support (unless Tyler cannot remotely correct a Defect in the Tyler Software, as set forth above); (b) application design; (c) other consulting services; or (d) support outside our normal business hours as listed in our then-current Support Call Process. Requested services such as those outlined in this section will be billed to you on a time and materials basis at our then current rates. You must request those services with at least one (1) weeks' advance notice.

SECTION D – THIRD PARTY PRODUCTS

1. Third Party Hardware. We will sell, deliver, and install onsite the Third Party Hardware, if you have purchased any, for the price set forth in the Investment Summary. Those amounts are payable in

accordance with our Invoicing and Payment Policy.

2. Third Party Software. As part of the SaaS Services, you will receive access to the Third Party Software and related documentation for internal business purposes only. Your rights to the Third Party Software will be governed by the Third Party Terms.
3. Third Party Products Warranties.
 - 3.1 We are authorized by each Developer to grant access to the Third Party Software.
 - 3.2 The Third Party Hardware will be new and unused, and upon payment in full, you will receive free and clear title to the Third Party Hardware.
 - 3.3 You acknowledge that we are not the manufacturer of the Third Party Products. We do not warrant or guarantee the performance of the Third Party Products. However, we grant and pass through to you any warranty that we may receive from the Developer or supplier of the Third Party Products.
4. Third Party Services. If you have purchased Third Party Services, those services will be provided independent of Tyler by such third-party at the rates set forth in the Investment Summary and in accordance with our Invoicing and Payment Policy.

SECTION E - INVOICING AND PAYMENT; INVOICE DISPUTES

1. Invoicing and Payment. We will invoice you the SaaS Fees and fees for other professional services in the Investment Summary per our Invoicing and Payment Policy, subject to Section E(2).
2. Invoice Disputes. If you believe any delivered software or service does not conform to the warranties in this Agreement, you will provide us with written notice within thirty (30) days of your receipt of the applicable invoice. The written notice must contain reasonable detail of the issues you contend are in dispute so that we can confirm the issue and respond to your notice with either a justification of the invoice, an adjustment to the invoice, or a proposal addressing the issues presented in your notice. We will work with you as may be necessary to develop an action plan that outlines reasonable steps to be taken by each of us to resolve any issues presented in your notice. You may withhold payment of the amount(s) actually in dispute, and only those amounts, until we complete the action items outlined in the plan. If we are unable to complete the action items outlined in the action plan because of your failure to complete the items agreed to be done by you, then you will remit full payment of the invoice. We reserve the right to suspend delivery of all SaaS Services, including maintenance and support services, if you fail to pay an invoice not disputed as described above within fifteen (15) days of notice of our intent to do so.

SECTION F – TERM AND TERMINATION

1. Term. The initial term of this Agreement is five (5) years from the first day of the first month following the Effective Date, unless earlier terminated as set forth below. Upon expiration of the initial term, this Agreement will renew automatically for additional one (1) year renewal terms at our then-current SaaS Fees unless terminated in writing by either party at least sixty (60) days prior to the end of the then-current renewal term. Your right to access or use the Tyler Software and the

SaaS Services will terminate at the end of this Agreement.

2. Termination. This Agreement may be terminated as set forth below. In the event of termination, you will pay us for all undisputed fees and expenses related to the software, products, and/or services you have received, or we have incurred or delivered, prior to the effective date of termination. Disputed fees and expenses in all terminations other than your termination for cause must have been submitted as invoice disputes in accordance with Section E(2).
 - 2.1 Failure to Pay SaaS Fees. You acknowledge that continued access to the SaaS Services is contingent upon your timely payment of SaaS Fees. If you fail to timely pay the SaaS Fees, we may discontinue the SaaS Services and deny your access to the Tyler Software. We may also terminate this Agreement if you don't cure such failure to pay within forty-five (45) days of receiving written notice of our intent to terminate.
 - 2.2 For Cause. If you believe we have materially breached this Agreement, you will invoke the Dispute Resolution clause set forth in Section H(3). You may terminate this Agreement for cause in the event we do not cure, or create a mutually agreeable action plan to address, a material breach of this Agreement within the thirty (30) day window set forth in Section H(3).
 - 2.3 Force Majeure. Either party has the right to terminate this Agreement if a Force Majeure event suspends performance of the SaaS Services for a period of forty-five (45) days or more.
 - 2.4 Lack of Appropriations. If you should not appropriate or otherwise make available funds sufficient to utilize the SaaS Services, you may unilaterally terminate this Agreement upon thirty (30) days written notice to us. You will not be entitled to a refund or offset of previously paid, but unused SaaS Fees. You agree not to use termination for lack of appropriations as a substitute for termination for convenience.
 - 2.5 Fees for Termination without Cause during Initial Term. If you terminate this Agreement during the initial term for any reason other than cause, Force Majeure, or lack of appropriations, or if we terminate this Agreement during the initial term for your failure to pay SaaS Fees, you shall pay us the following early termination fees:
 - a. if you terminate during the first year of the initial term, 100% of the SaaS Fees through the date of termination plus 25% of the SaaS Fees then due for the remainder of the initial term;
 - b. if you terminate during the second year of the initial term, 100% of the SaaS Fees through the date of termination plus 15% of the SaaS Fees then due for the remainder of the initial term; and
 - c. if you terminate after the second year of the initial term, 100% of the SaaS Fees through the date of termination plus 10% of the SaaS Fees then due for the remainder of the initial term.

SECTION G – INDEMNIFICATION, LIMITATION OF LIABILITY AND INSURANCE

1. Intellectual Property Infringement Indemnification.

- 1.1 We will defend you against any third party claim(s) that the Tyler Software or Documentation infringes that third party's patent, copyright, or trademark, or misappropriates its trade secrets, and will pay the amount of any resulting adverse final judgment (or settlement to which we consent). You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 1.2 Our obligations under this Section G(1) will not apply to the extent the claim or adverse final judgment is based on your use of the Tyler Software in contradiction of this Agreement, including with non-licensed third parties, or your willful infringement.
- 1.3 If we receive information concerning an infringement or misappropriation claim related to the Tyler Software, we may, at our expense and without obligation to do so, either: (a) procure for you the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent, in which case you will stop running the allegedly infringing Tyler Software immediately. Alternatively, we may decide to litigate the claim to judgment, in which case you may continue to use the Tyler Software consistent with the terms of this Agreement.
- 1.4 If an infringement or misappropriation claim is fully litigated and your use of the Tyler Software is enjoined by a court of competent jurisdiction, in addition to paying any adverse final judgment (or settlement to which we consent), we will, at our option, either: (a) procure the right to continue its use; (b) modify it to make it non-infringing; or (c) replace it with a functional equivalent. This section provides your exclusive remedy for third party copyright, patent, or trademark infringement and trade secret misappropriation claims.

2. General Indemnification.

- 2.1 We will indemnify and hold harmless you and your agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for (a) personal injury or property damage to the extent caused by our negligence or willful misconduct; or (b) our violation of PCI-DSS requirements or a law applicable to our performance under this Agreement. You must notify us promptly in writing of the claim and give us sole control over its defense or settlement. You agree to provide us with reasonable assistance, cooperation, and information in defending the claim at our expense.
- 2.2 To the extent permitted by applicable law, you will indemnify and hold harmless us and our agents, officials, and employees from and against any and all third-party claims, losses, liabilities, damages, costs, and expenses (including reasonable attorney's fees and costs) for personal injury or property damage to the extent caused by your negligence or willful misconduct; or (b) your violation of a law applicable to your performance under this Agreement. We will notify you promptly in writing of the claim and will give you sole control over its defense or settlement. We agree to provide you with reasonable assistance, cooperation, and information in defending the claim at your expense.

3. **DISCLAIMER.** EXCEPT FOR THE EXPRESS WARRANTIES PROVIDED IN THIS AGREEMENT AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, WE HEREBY DISCLAIM ALL OTHER WARRANTIES AND CONDITIONS, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES, DUTIES, OR CONDITIONS OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
4. **LIMITATION OF LIABILITY.** EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, OUR LIABILITY FOR DAMAGES ARISING OUT OF THIS AGREEMENT, WHETHER BASED ON A THEORY OF CONTRACT OR TORT, INCLUDING NEGLIGENCE AND STRICT LIABILITY, SHALL BE LIMITED TO YOUR ACTUAL DIRECT DAMAGES, NOT TO EXCEED (A) DURING THE INITIAL TERM, AS SET FORTH IN SECTION F(1), TOTAL FEES PAID AS OF THE TIME OF THE CLAIM; OR (B) DURING ANY RENEWAL TERM, THE THEN-CURRENT ANNUAL SAAS FEES PAYABLE IN THAT RENEWAL TERM. THE PARTIES ACKNOWLEDGE AND AGREE THAT THE PRICES SET FORTH IN THIS AGREEMENT ARE SET IN RELIANCE UPON THIS LIMITATION OF LIABILITY AND TO THE MAXIMUM EXTENT ALLOWED UNDER APPLICABLE LAW, THE EXCLUSION OF CERTAIN DAMAGES, AND EACH SHALL APPLY REGARDLESS OF THE FAILURE OF AN ESSENTIAL PURPOSE OF ANY REMEDY. THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO CLAIMS THAT ARE SUBJECT TO SECTIONS G(1) AND G(2).
5. **EXCLUSION OF CERTAIN DAMAGES.** TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL WE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER, EVEN IF WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.
6. **Insurance.** During the course of performing services under this Agreement, we agree to maintain the following levels of insurance: (a) Commercial General Liability of at least \$1,000,000; (b) Automobile Liability of at least \$1,000,000; (c) Professional Liability of at least \$1,000,000; (d) Workers Compensation complying with applicable statutory requirements; and (e) Excess/Umbrella Liability of at least \$5,000,000. We will add you as an additional insured to our Commercial General Liability and Automobile Liability policies, which will automatically add you as an additional insured to our Excess/Umbrella Liability policy as well. We will provide you with copies of certificates of insurance upon your written request.

SECTION H – GENERAL TERMS AND CONDITIONS

1. **Additional Products and Services.** You may purchase additional products and services at the rates set forth in the Investment Summary for twelve (12) months from the Effective Date by executing a mutually agreed addendum. If no rate is provided in the Investment Summary, or those twelve (12) months have expired, you may purchase additional products and services at our then-current list price, also by executing a mutually agreed addendum. The terms of this Agreement will control any such additional purchase(s), unless otherwise specifically provided in the addendum.
2. **Optional Items.** Pricing for any listed optional products and services in the Investment Summary will be valid for twelve (12) months from the Effective Date.
3. **Dispute Resolution.** You agree to provide us with written notice within thirty (30) days of becoming aware of a dispute. You agree to cooperate with us in trying to reasonably resolve all disputes, including, if requested by either party, appointing a senior representative to meet and engage in good faith negotiations with our appointed senior representative. Senior representatives will

convene within thirty (30) days of the written dispute notice, unless otherwise agreed. All meetings and discussions between senior representatives will be deemed confidential settlement discussions not subject to disclosure under Federal Rule of Evidence 408 or any similar applicable state rule. If we fail to resolve the dispute, then the parties shall participate in non-binding mediation in an effort to resolve the dispute. If the dispute remains unresolved after mediation, then either of us may assert our respective rights and remedies in the Jackson County Circuit Court or the United States Courts – Western District of Missouri. Nothing in this section shall prevent you or us from seeking necessary injunctive relief during the dispute resolution procedures.

4. Taxes. The fees in the Investment Summary do not include any taxes, including, without limitation, sales, use, or excise tax. If you are a tax-exempt entity, you agree to provide us with a tax-exempt certificate. Otherwise, we will pay all applicable taxes to the proper authorities and you will reimburse us for such taxes. If you have a valid direct-pay permit, you agree to provide us with a copy. For clarity, we are responsible for paying our income taxes, both federal and state, as applicable, arising from our performance of this Agreement.
5. Nondiscrimination. We will not discriminate against any person employed or applying for employment concerning the performance of our responsibilities under this Agreement. This discrimination prohibition will apply to all matters of initial employment, tenure, and terms of employment, or otherwise with respect to any matter directly or indirectly relating to employment concerning race, color, religion, national origin, age, sex, sexual orientation, ancestry, disability that is unrelated to the individual's ability to perform the duties of a particular job or position, height, weight, marital status, or political affiliation. We will post, where appropriate, all notices related to nondiscrimination as may be required by applicable law.
6. E-Verify. We have complied, and will comply, with the E-Verify procedures administered by the U.S. Citizenship and Immigration Services Verification Division for all of our employees assigned to your project.
7. Subcontractors. We will not subcontract any services under this Agreement without your prior written consent, not to be unreasonably withheld.
8. Binding Effect; No Assignment. This Agreement shall be binding on, and shall be for the benefit of, either your or our successor(s) or permitted assign(s). Neither party may assign this Agreement without the prior written consent of the other party; provided, however, your consent is not required for an assignment by us as a result of a corporate reorganization, merger, acquisition, or purchase of substantially all of our assets.
9. Force Majeure. Except for your payment obligations, neither party will be liable for delays in performing its obligations under this Agreement to the extent that the delay is caused by Force Majeure; provided, however, that within ten (10) business days of the Force Majeure event, the party whose performance is delayed provides the other party with written notice explaining the cause and extent thereof, as well as a request for a reasonable time extension equal to the estimated duration of the Force Majeure event.
10. No Intended Third Party Beneficiaries. This Agreement is entered into solely for the benefit of you and us. No third party will be deemed a beneficiary of this Agreement, and no third party will have the right to make any claim or assert any right under this Agreement. This provision does not affect the rights of third parties under any Third Party Terms.

11. Entire Agreement; Amendment. This Agreement represents the entire agreement between you and us with respect to the subject matter hereof, and supersedes any prior agreements, understandings, and representations, whether written, oral, expressed, implied, or statutory. Purchase orders submitted by you, if any, are for your internal administrative purposes only, and the terms and conditions contained in those purchase orders will have no force or effect. This Agreement may only be modified by a written amendment signed by an authorized representative of each party.

13. No Waiver. In the event that the terms and conditions of this Agreement are not strictly enforced by either party, such non-enforcement will not act as or be deemed to act as a waiver or modification of this Agreement, nor will such non-enforcement prevent such party from enforcing each and every term of this Agreement thereafter.
14. Independent Contractor. We are an independent contractor for all purposes under this Agreement.

The consequences for the failure to receive a notice due to improper notification by the intended receiving party of a change in address will be borne by the intended receiving party.
16. Client Lists. You agree that we may identify you by name in client lists, marketing presentations, and promotional materials.
17. Confidentiality. Both parties recognize that their respective employees and agents, in the course of performance of this Agreement, may be exposed to confidential information and that disclosure of such information could violate rights to private individuals and entities, including the parties. Each party agrees that it will not disclose any confidential information of the other party and further agrees to take all reasonable and appropriate action to prevent such disclosure by its employees or agents. The confidentiality covenants contained herein will survive the termination or cancellation of this Agreement. This obligation of confidentiality will not apply to information that:

Exhibit B
Schedule 1
Business Travel Policy

1. Air Travel

A. Reservations & Tickets

The Travel Management Company (TMC) used by Tyler will provide an employee with a direct flight within two hours before or after the requested departure time, assuming that flight does not add more than three hours to the employee's total trip duration and the fare is within \$100 (each way) of the lowest logical fare. If a net savings of \$200 or more (each way) is possible through a connecting flight that is within two hours before or after the requested departure time and that does not add more than three hours to the employee's total trip duration, the connecting flight should be accepted.

Employees are encouraged to make advanced reservations to take full advantage of discount opportunities. Employees should use all reasonable efforts to make travel arrangements at least two (2) weeks in advance of commitments. A seven (7) day advance booking requirement is mandatory. When booking less than seven (7) days in advance, management approval will be required.

Except in the case of international travel where a segment of continuous air travel is six (6) or more consecutive hours in length, only economy or coach class seating is reimbursable. Employees shall not be reimbursed for "Basic Economy Fares" because these fares are non-refundable and have many restrictions that outweigh the cost-savings.

B. Baggage Fees

Reimbursement of personal baggage charges are based on trip duration as follows:

- Up to five (5) days = one (1) checked bag
- Six (6) or more days = two (2) checked bags

Baggage fees for sports equipment are not reimbursable.

2. Ground Transportation

A. Private Automobile

Mileage Allowance – Business use of an employee’s private automobile will be reimbursed at the current IRS allowable rate, plus out of pocket costs for tolls and parking. Mileage will be calculated by using the employee’s office as the starting and ending point, in compliance with IRS regulations. Employees who have been designated a home office should calculate miles from their home.

B. Rental Car

Employees are authorized to rent cars only in conjunction with air travel when cost, convenience, and the specific situation reasonably require their use. When renting a car for Tyler business, employees should select a “mid-size” or “intermediate” car. “Full” size cars may be rented when three or more employees are traveling together. Tyler carries leased vehicle coverage for business car rentals; except for employees traveling to Alaska and internationally (excluding Canada), additional insurance on the rental agreement should be declined.

C. Public Transportation

Taxi or airport limousine services may be considered when traveling in and around cities or to and from airports when less expensive means of transportation are unavailable or impractical. The actual fare plus a reasonable tip (15-18%) are reimbursable. In the case of a free hotel shuttle to the airport, tips are included in the per diem rates and will not be reimbursed separately.

D. Parking & Tolls

When parking at the airport, employees must use longer term parking areas that are measured in days as opposed to hours. Park and fly options located near some airports may also be used. For extended trips that would result in excessive parking charges, public transportation to/from the airport should be considered. Tolls will be reimbursed when receipts are presented.

3. Lodging

Tyler’s TMC will select hotel chains that are well established, reasonable in price, and conveniently located in relation to the traveler’s work assignment. Typical hotel chains include Courtyard, Fairfield Inn, Hampton Inn, and Holiday Inn Express. If the employee has a discount rate with a local hotel, the hotel reservation should note that discount and the employee should confirm the lower rate with the hotel upon arrival. Employee memberships in travel clubs such as AAA should be noted in their travel profiles so that the employee can take advantage of any lower club rates.

“No shows” or cancellation fees are not reimbursable if the employee does not comply with the hotel’s cancellation policy.

Tips for maids and other hotel staff are included in the per diem rate and are not reimbursed separately.

Employees are not authorized to reserve non-traditional short-term lodging, such as Airbnb, VRBO, and HomeAway. Employees who elect to make such reservations shall not be reimbursed.

4. Meals and Incidental Expenses

Employee meals and incidental expenses while on travel status within the continental U.S. are in accordance with the federal per diem rates published by the General Services Administration. Incidental expenses include tips to maids, hotel staff, and shuttle drivers and other minor travel expenses. Per diem rates are available at www.gsa.gov/perdiem.

Per diem for Alaska, Hawaii, U.S. protectorates and international destinations are provided separately by the Department of State and will be determined as required.

A. Overnight Travel

For each full day of travel, all three meals are reimbursable. Per diems on the first and last day of a trip are governed as set forth below.

Departure Day

Depart before 12:00 noon	Lunch and dinner
Depart after 12:00 noon	Dinner

Return Day

Return before 12:00 noon	Breakfast
Return between 12:00 noon & 7:00 p.m.	Breakfast and lunch
Return after 7:00 p.m.*	Breakfast, lunch and dinner

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

The reimbursement rates for individual meals are calculated as a percentage of the full day per diem as follows:

Breakfast	15%
Lunch	25%
Dinner	60%

B. Same Day Travel

Employees traveling at least 100 miles to a site and returning in the same day are eligible to claim lunch on an expense report. Employees on same day travel status are eligible to claim dinner in the event they return home after 7:00 p.m.*

*7:00 p.m. is defined as direct travel time and does not include time taken to stop for dinner.

5. Internet Access – Hotels and Airports

Employees who travel may need to access their e-mail at night. Many hotels provide free high speed internet access and Tyler employees are encouraged to use such hotels whenever possible. If an employee's hotel charges for internet access it is reimbursable up to \$10.00 per day. Charges for internet access at airports are not reimbursable.

6. International Travel

All international flights with the exception of flights between the U.S. and Canada should be reserved through TMC using the "lowest practical coach fare" with the exception of flights that are six (6) or more consecutive hours in length. In such event, the next available seating class above coach shall be reimbursed.

When required to travel internationally for business, employees shall be reimbursed for photo fees, application fees, and execution fees when obtaining a new passport book, but fees related to passport renewals are not reimbursable. Visa application and legal fees, entry taxes and departure taxes are reimbursable.

The cost of vaccinations that are either required for travel to specific countries or suggested by the U.S. Department of Health & Human Services for travel to specific countries, is reimbursable.

Section 4, Meals & Incidental Expenses, and Section 2.b., Rental Car, shall apply to this section.

Exhibit C Service Level Agreement

I. Agreement Overview

This SLA operates in conjunction with, and does not supersede or replace any part of, the Agreement. It outlines the information technology service levels that we will provide to you to ensure the availability of the application services that you have requested us to provide. All other support services are documented in the Support Call Process.

II. Definitions. Except as defined below, all defined terms have the meaning set forth in the Agreement.

Attainment: The percentage of time the Tyler Software is available during a calendar quarter, with percentages rounded to the nearest whole number.

Client Error Incident: Any service unavailability resulting from your applications, content or equipment, or the acts or omissions of any of your service users or third-party providers over whom we exercise no control.

Downtime: Those minutes during which the Tyler Software is not available for your use. Downtime does not include those instances in which only a Defect is present.

Service Availability: The total number of minutes in a calendar quarter that the Tyler Software is capable of receiving, processing, and responding to requests, excluding maintenance windows, Client Error Incidents and Force Majeure.

III. **Service Availability**

The Service Availability of the Tyler Software is intended to be 24/7/365. We set Service Availability goals and measures whether we have met those goals by tracking Attainment.

a. Your Responsibilities

Whenever you experience Downtime, you must make a support call according to the procedures outlined in the Support Call Process. You will receive a support incident number.

You must document, in writing, all Downtime that you have experienced during a calendar quarter. You must deliver such documentation to us within 30 days of a quarter's end.

The documentation you provide must evidence the Downtime clearly and convincingly. It must include, for example, the support incident number(s) and the date, time and duration of the Downtime(s).

b. Our Responsibilities

When our support team receives a call from you that Downtime has occurred or is occurring, we will work with you to identify the cause of the Downtime (including whether it may be the result of a Client Error Incident or Force Majeure). We will also work with you to resume normal operations.

Upon timely receipt of your Downtime report, we will compare that report to our own outage logs and support tickets to confirm that Downtime for which we were responsible indeed occurred.

We will respond to your Downtime report within 30 day(s) of receipt. To the extent we have confirmed Downtime for which we are responsible, we will provide you with the relief set forth below.

c. Client Relief

When a Service Availability goal is not met due to confirmed Downtime, we will provide you with relief that corresponds to the percentage amount by which that goal was not achieved, as set forth in the Client Relief Schedule below.

Notwithstanding the above, the total amount of all relief that would be due under this SLA per quarter will not exceed 5% of one quarter of the then-current SaaS Fee. The total credits confirmed by us in one or more quarters of a billing cycle will be applied to the SaaS Fee for the next billing cycle. Issuing of such credit does not relieve us of our obligations under the Agreement to correct the problem which created the service interruption.

Every quarter, we will compare confirmed Downtime to Service Availability. In the event actual Attainment does not meet the targeted Attainment, the following Client relief will apply, on a quarterly basis:

Targeted Attainment	Actual Attainment	Client Relief
100%	98-99%	Remedial action will be taken.
100%	95-97%	4% credit of fee for affected calendar quarter will be posted to next billing cycle
100%	<95%	5% credit of fee for affected calendar quarter will be posted to next billing cycle

You may request a report from us that documents the preceding quarter’s Service Availability, Downtime, any remedial actions that have been/will be taken, and any credits that may be issued.

IV. Applicability

The commitments set forth in this SLA do not apply during maintenance windows, Client Error Incidents, and Force Majeure.

We perform maintenance during limited windows that are historically known to be reliably low-traffic times. If and when maintenance is predicted to occur during periods of higher traffic, we will provide advance notice of those windows and will coordinate to the greatest extent possible with you.

V. Force Majeure

You will not hold us responsible for not meeting service levels outlined in this SLA to the extent any failure to do so is caused by Force Majeure. In the event of Force Majeure, we will file with you a signed request that said failure be excused. That writing will at least include the essential details and circumstances supporting our request for relief pursuant to this Section. You will not unreasonably withhold its acceptance of such a request.

Issue Handling

Incident Tracking

Every support incident is logged into Tyler’s Customer Relationship Management System and given a unique incident number. This system tracks the history of each incident. The incident tracking number is used to track and reference open issues when clients contact support. Clients may track incidents, using the incident number, through the portal at Tyler’s website or by calling software support directly.

Incident Priority

Each incident is assigned a priority number, which corresponds to the client’s needs and deadlines. The client is responsible for reasonably setting the priority of the incident per the chart below. This chart is not intended to address every type of support incident, and certain “characteristics” may or may not apply depending on whether the Tyler software has been deployed on customer infrastructure or the Tyler cloud. The goal is to help guide the client towards clearly understanding and communicating the importance of the issue and to describe generally expected responses and resolutions.

Priority Level	Characteristics of Support Incident	Resolution Targets
1 Critical	Support incident that causes (a) complete application failure or application unavailability; (b) application failure or unavailability in one or more of the client’s remote location; or (c) systemic loss of multiple essential system functions.	Tyler shall provide an initial response to Priority Level 1 incidents within one (1) business hour of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within one (1) business day. For non-hosted customers, Tyler’s responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.
2 High	Support incident that causes (a) repeated, consistent failure of essential functionality affecting more than one user or (b) loss or corruption of Data.	Tyler shall provide an initial response to Priority Level 2 incidents within four (4) business hours of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents or provide a circumvention procedure within ten (10) business days. For non-hosted customers, Tyler’s responsibility for loss or corrupted Data is limited to assisting the client in restoring its last available database.
3 Medium	Priority Level 1 incident with an existing circumvention procedure, or a Priority Level 2 incident that affects only one user or for which there is an existing circumvention procedure.	Tyler shall provide an initial response to Priority Level 3 incidents within one (1) business day of receipt of the support incident. Tyler shall use commercially reasonable efforts to resolve such support incidents without the need for a circumvention procedure with the next published maintenance update or service pack. For non-hosted customers, Tyler’s responsibility for lost or corrupted Data is limited to assisting the client in restoring its last available database.

Priority Level	Characteristics of Support Incident	Resolution Targets
4 Non-critical	Support incident that causes failure of non-essential functionality or a cosmetic or other issue that does not qualify as any other Priority Level.	Tyler shall provide an initial response to Priority Level 4 incidents within two (2) business days. Tyler shall use commercially reasonable efforts to resolve such support incidents, as well as cosmetic issues, with a future version release.

Incident Escalation

Tyler Technology's software support consists of four levels of personnel:

- (1) Level 1: front-line representatives
- (2) Level 2: more senior in their support role, they assist front-line representatives and take on escalated issues
- (3) Level 3: assist in incident escalations and specialized client issues
- (4) Level 4: responsible for the management of support teams for either a single product or a product group

If a client feels they are not receiving the service needed, they may contact the appropriate Software Support Manager. After receiving the incident tracking number, the manager will follow up on the open issue and determine the necessary action to meet the client's needs.

On occasion, the priority or immediacy of a software support incident may change after initiation. Tyler encourages clients to communicate the level of urgency or priority of software support issues so that we can respond appropriately. A software support incident can be escalated by any of the following methods:

- (1) Telephone – for immediate response, call toll-free to either escalate an incident's priority or to escalate an issue through management channels as described above.
- (2) Email – clients can send an email to software support in order to escalate the priority of an issue
- (3) On-line Support Incident Portal – clients can also escalate the priority of an issue by logging into the client incident portal and referencing the appropriate incident tracking number.

Remote Support Tool

Some support calls require further analysis of the client's database, process or setup to diagnose a problem or to assist with a question. Tyler will, at its discretion, use an industry-standard remote support tool. Support is able to quickly connect to the client's desktop and view the site's setup, diagnose problems, or assist with screen navigation. More information about the remote support tool Tyler uses is available upon request.
