ITEM I: CALL TO ORDER

- The Board of Aldermen of the City of Grain Valley, Missouri, met for a Workshop Session on December 8, 2021 at 6:00 p.m. in the Council Chambers of Grain Valley City Hall, 711 Main Street, Grain Valley, Missouri
- The meeting was called to order by Mayor Johnston

ITEM II: ROLL CALL

- City Clerk Jamie Logan called roll
- *Present: Cleaver, Headley, Knox, Mills, Stratton*
- *Absent: Bass*

-QUORUM PRESENT-

ITEM III: DISCUSSION

Renovation Options

- Last week there were discussions regarding a new police station and renovating City Hall once the police building is completed; Mr. Murphy stated some things that are strange about the design of the current City Hall building such as the Chambers in the middle, lobby where it is, elevators, stairs, etc. are set and it would cost too much money if we were to redo it; The board asked staff to look at ranges for renovations tied to timeframes of how long we would stay in this building
- The architect group viewed various options – using what we have, changing a few walls, doing as little as possible; there isn't a whole lot of difference money wise to meet the current needs and near future of the City Hall
- The first option would leave all as is, would remove the nook by the conference room on the City Hall side and expand the conference room back out to be able to have executive sessions in there more comfortably; add an office on that side where the breakroom is and then on the current Police side add a break room, a new conference area off the lobby, as well as adding a protected records storage area- the main floor with little renovation
- The downstairs would remain secured between the two sides; add a few offices where community development is now; remove half walls back by the storage area refinishing with new carpet/paint
- If going to a vote in April for the police station, there would be another 6 months for design time for the Police Station and likely would be 2024, before anything can happen and the police moving out; costs of construction equipment will be higher in the future
- The next option reviews all the programmed items needed over the next 20 years; this would account for a new conference room and additional offices; the police side would

change some walls and they are odd shaped offices currently and not sure why they were designed that way; a large part of the jail would be for court records and a break room in the jail area; downstairs would include a wall to close off the conference room to be secure downstairs and not accessible to the public and create a secure pass through downstairs; moving the mechanical area and getting it out of the area that collects water and community development would remain downstairs

- When these items are added together as well as: HVAC would need replaced
 - Option 1: range \$880,000 -1.2 million
 - Option 2: range 1 million (\$62 sq ft) – 1.4 million (\$87 sq ft)
 - Option 3: little change can move people around and don't do anything with jail and departments would be split up; only fix things as they break
- Reviewed pros and cons of long-term repurposing of 711 Main Street looking at the big picture items that were just discussed and asked for the board to add to the list to determine the level of renovation for this building
 - Savings to stay in this building for renovation cost vs. starting with a new building; there will not be infrastructure costs
 - Mr. Murphy stated the square footage for this building is not far off from what the City needs, but the shape and design is not conducive for the departments that work together be together – there isn't space to be flexible without removing or adding walls
 - Ms. Osenbaugh stated the architects had other options presented at last week's charette– larger cost ideas such as moving the chambers and creating a secure walkway explored last week at the charette, but the pricing was not feasible or financially responsible
- Mayor Johnston stated he saw some other options for the police side such as removing fixed walls and putting in movable cubicles and put a hallway in the front of it and shorten the lobby some to have secure access to both sides; Mr. Murphy mentioned this would remove window space (service counters- court and utility windows); Mayor Johnston feels fixed walls are wasted space and could be made cheaper with cubicles
- Mr. Murphy stated some of the disadvantages of repurposing include some flow issues; with a smaller city, roles are split; such as how the departments cover for one another and if they are moved away from each other it makes it more difficult for coverage
- Mr. Murphy stated this is a want and not a need, but working in a basement without access to windows is preferred
 - Mayor Johnston asked how many offices don't have windows now
- Mr. Murphy stated the reason for going through the pros/cons will help the board make an educated decision on how long term of a decision they make and the cost associated with it
- Mr. Murphy asked the board to share their thoughts on City Hall staying here long term

- Ms. Osenbaugh clarified the pro/con list was meant as a starting point
- Alderman Headley stated he knows the Mayor suggested cubicles as they are cheaper, but he said he has seen people going back to private work spaces, he said they are shifting back to offices due to COVID
- Alderman Knox stated he prefers to do as little as possible and if the Police station passes, then down the road, look into building a new City Hall
- Alderman Cleaver stated he's thinking the same as Alderman Knox wanted to clarify a time frame; Nothing less than 5 years
- Alderman Knox thinks phasing the projects (buildings) could work well with the taxpayers with phasing instead of hitting all of it at once, and he does not want to dump a bunch of money into this facility; Mr. Murphy asked what dollar amount they'd be comfortable with 7-8 years down the road (2024 PD built + 5 years to allow a little time between ballot issues); Alderman Stratton clarified why is it taking so long; Alderman Knox stated putting a little time between bond issues
- Alderman Headley asked if little renovation, plus required fixes such as HVAC could be taken care of with cash flow vs. a bond issue; Mayor Johnston doesn't know why it must be bonded either
- Mr. Murphy stated if we want to be here longer term, that that type of money would need to be included on a current bond issue
- Mayor Johnston sees these as separate issues and two bond issues
- Alderman Knox wouldn't like to see that kind of money put into a building
- Alderman Cleaver stated renovations are still needed to be done once the police have moved out to accommodate the City Hall staff; Alderman Headley stated do little renovations, HVAC, etc. and put that money back now and then when the Police building is built potentially, some of that money could already be saved back to fund the City Hall renovations
- Mr. Murphy stated that is the question- what would they like for this City Hall building and that affects the Police Station planning/bonding
- Alderman Cleaver, Stratton and Knox believes this is a short-term fix here and not a long-term facility for City Hall
- Mr. Murphy stated a sale would have to be done for City Hall and the Community Center at the same time; Alderman Cleaver asked if both could go at the same time; it depends on the bonding capacity
- Alderman Knox mentioned a community center could be placed at Butterfly Trail
- Mr. Murphy reminded that putting a Police Station behind the pavilion keeps the property facing Main street free; Mr. Murphy shared Alderman Bass had shared with him his thoughts and it was okay for him to share his thoughts with the board: Alderman Bass would like to see the long-term solution for City Hall and Community Center to go to the Farm property; Mayor Johnston asked how the discussion is going back to the farm again,

he said the people per the survey done in the past want the police station here – not at the farm property; Mayor Johnston said that is what the people voted for and that is what the survey results were

- Alderman Stratton said if they are voting in January 2022 to move the police station behind the pavilion, she will vote no; Alderman Knox said he felt that from the beginning; Alderman Stratton feels the process is being rushed and these meetings have been rushed; She thought the project for the police station was in the feasibility stages and not for sure going to be there and she does not want the station at the pavilion property and she will vote it down; Alderman Knox does not want it at the Pavilion space either and what sticks out to him is that it is not more public facing and feels the public should feel welcoming; he wants it built in a good location and not hidden from the public; he thought the design team would come back and say it was land locked and not feasible for that location and long-term he wants it somewhere else; He doesn't want people in the future sitting on the board to look back at this decision and wonder what this board was thinking
- Alderman Stratton thinks this goes against their thoughts before as it takes up land that could be used for tax revenue someday; she doesn't want any city buildings on this property; the frontage itself is the valuable piece of the property; Alderman Stratton believes the future potential buildings put in on this current City Hall property is what will generate revenue and not the actual building sale
- Alderman Knox says if the community center and city hall sells then then police station will be blocked in and thinks all of this needs to sell; Alderman Knox would like it at the NE corner of RD Mize and 40 highway and put the community center over there too; Mayor Johnston stated that property isn't being sold; Alderman Knox says no police station down at the Farm, but a City Hall might be okay; Mr. Murphy sees the RD Mize/40 highway as a potential revenue generator potentially; Alderman Knox said the survey said no lights/sirens on the Farm property
- Mr. Murphy showed what property the city owns by Butterfly Trail; Mr. Murphy circled back to where a Police Station could go; it has been determined that we need a new station, but where it can go; when looking at the current property currently owned, this was the option discussed; He brought up the Library went through this and struggled to find the right piece of land and they couldn't find anything and they needed less space than we do
- Alderman Headley asked if the Butterfly Trail property could be used for the police station, community center and then renovate City Hall and then have someone buy the current property and be willing to wait on us to move out; he's proposing providing the full strategy to the public so they can follow the track
- Alderman Knox thought having the Community Center towards the Southern Trail (by the farm) in a future phase; feels there are landlocking issues at the ball fields at Armstrong Park; he would like it more inviting for citizens and not hidden in the Pavilion space; he is concerned about what would happen to the fairgrounds if something is built there

- Alderman Headley stated he thinks minimal updates to the current space
- Mayor Johnston would like 10 years from now out of this building; he thinks we can get that out of it since HVAC and wiring are already being looked at; Alderman Headley stated that could still get the long-term plan shared out
- Alderman Stratton stated she feels less should be spent to renovate the current space and it likely will not be on the April ballot for the police station
- Alderman Knox would like a police station at the ball fields; Mr. Murphy stated the ball fields being displaced and they need to go somewhere
- Mayor Johnston stated there are more limitations at James Rollo for access and that would be the only street
- One of the officers shared at last week's meeting would be to not have the police department to be built on the South side – there would be a 360 view at Butterfly Trail and there would be no privacy; Alderman Stratton stated a fence could be built to provide some security and Mr. Murphy stated it could be done, but there could be an aesthetic issue
- Alderman Stratton feels feasible vs. proper location for a police station are two different things
- Mayor Johnston says if behind the pavilion it wouldn't have the commercial frontage for an income producing pieces of property, the City Hall should never have been here has been the argument
- Alderman Knox stated we should try going back to the farm and selling this property this time; Mayor Johnston asked why back to the farm since it was voted down; Alderman Knox doesn't feel the vote was only against the complex, but the price tag
- Alderman Mills says he's hearing the people and the board is saying the board does not want the police station behind the pavilion; feels the people voted against things at the farm during COVID times; Alderman Mills stated you can always go back & ask again to the people; he feels no one on the board is on the same page as the Mayor or what is being proposed
- Mayor Johnston is asking why money was wasted for feasibility study if no one wanted to move forward with that location
- Alderman Knox thought the location wouldn't have been feasible; Alderman Knox feels it was the price tag that had the prior ballot issue voted down
- Alderman Mills asked for the survey where the people wanted the Pavilion location; Mayor Johnston stated the survey said this property
- Mayor Johnston feels the same result will happen if it goes back for a vote for something at the farm again
- Alderman Stratton shared it would be very rushed for an April ballot and doesn't think this will be on an April ballot; she'd like to see the feasibility of using Butterfly Trail
- Mr. Murphy stated there will be some cost at looking at another location; Ms. Osenbaugh stated the building was designed for the piece of land behind the Community Center and

more cost would be associated; Alderman Stratton and Alderman Headley would like to look at the Butterfly Trail property first then the property down south for feasibility for the police station; Alderman Knox would like the next decision to be done right and for long-term so people down the road wouldn't look back at us wondering why we did the things we did; Alderman Knox said they voted the way they did before to appease the Mayor; Mayor Johnston disagreed with the reasoning

- Mr. Murphy clarified that the board would not like the life on this building to extend past 10 years; Alderman Headley and Alderman Stratton agreed
- Ms. Osenbaugh clarified if the future community meeting planned should be paused; Alderman Stratton asked if it could wait until the feasibility of using Butterfly Trail;
- Mayor Johnston feels the meeting on 12/14 should be cancelled
- Alderman Stratton would like staff to convey to the team of community individuals that she is sorry for their time wasted and hopes that they will consider serving again in the future and she is grateful for what they have done so far
- Mr. Murphy wanted to clarify the designs done so far was programming and layout and not the actual design of the building; the big design costs were going to be later if the bond passed
- Ms. Osenbaugh stated this process has been to determine if the square footage was right and if the layout would work

Targeted industry priorities

- Mr. Murphy stated with various incentive programs, TIF, CID, etc. & one of the things being done with the partnership is to conduct surveys of the businesses we have to figure out if there is a common theme about what types of businesses we may desire here; could potentially use the information to target future types of businesses to target and provide incentives to
- Mr. Murphy will be sending the documents back out to the board from the workshops earlier in the year Lauber Municipal Law

WELCOME TO THE CITY OF GRAIN VALLEY!

We are excited to have you as part of our team. You were hired because we believe that you have the knowledge, skills, abilities, and character to contribute to the success of our City and share our commitment to being the best community in the Kansas City metropolitan area.

At the City of Grain Valley, we strive to provide the highest level of service to our residents, businesses, and visitors. The primary goal of the City of Grain Valley, and yours as one of its employees, is to live up to our mission statement in everything we do. We can only achieve this through hard work and commitment from every employee. You and every other employee are essential to our success in that endeavor.

We know that joining a new organization requires some adjustment; you will meet new people, work in different surroundings, and need to become familiar with new policies, procedures, practices and benefits. This employee handbook contains the key policies, goals, benefits, and expectations of the City of Grain Valley. You should use it as a ready reference as you pursue your career with us.

Welcome aboard! We look forward to working with you and wish you continued success.

PURPOSE OF EMPLOYEE HANDBOOK

This Handbook has been provided to communicate general policies and practices at the City of Grain Valley. While we follow the policies set out in this Handbook, the City of Grain Valley reserves the right to revise, delete, and add to the provisions of this Employee Handbook. All such revisions, deletions, or additions must be in writing. No oral statements or representations can change the provisions of this Employee Handbook.

This Handbook does not constitute a contract for employment or a guarantee of continued employment for any employee, and the policies shall apply to all City positions including management positions, unless otherwise specifically provided for. Except where some other standard is established under a collective bargaining agreement or individual employment contract, there is nothing in this Handbook or any other policy or communication that changes the fact that you are an “at will” employee.

This Handbook supersedes all previously published Employee Handbooks. Not all of the City of Grain Valley’s policies and procedures are set forth in this Employee Handbook. We have summarized only some of the more important ones. It is your responsibility to read and understand all of the information contained in this Handbook. Any questions or concerns about this Employee Handbook or any other policy or procedure should be directed to your supervisor, Department Head, or Human Resources. The City Administrator shall be charged with the responsibility for the administration of these policies and procedures.

Nothing in this Handbook or in any other document or policy is intended to violate any local, state or federal law. Nothing in this Handbook is intended to limit any concerted activities by employees relating to their wages, hours or working conditions, or any other conduct protected by the Constitution of the State of Missouri.

MISSION STATEMENT

MISSION
STATEMENT

The mission of the City of Grain Valley is to provide residents, businesses and visitors with the highest level of service by providing professional municipal management in the areas of Public Safety, Parks & Recreation, Community and Economic Development, Water, Sewer, Transportation and the Stewardship of Public Funds.

OPEN DOOR POLICY

OPEN DOOR POLICY

We recognize that employees may have suggestions for improving our workplace, as well as informal complaints about the workplace. We all recognize that the accumulation of unspoken, unanswered problems, ~~grievances,~~ informal complaints and questions can result in dissatisfaction and can affect the work environment. It is to everyone's advantage to bring these matters out in the open.

COMPLAINT PROCEDURE

If you have a suggestion, problem, or informal complaint, please review it with your supervisor, or Department Head, ~~or Human Resources~~ at the earliest possible time.

While we provide employees with this opportunity to communicate their views, please understand that not every complaint can be resolved to the employee's satisfaction. Even so, we believe that open communication is essential to a successful work environment and all employees should feel free to raise issues of concern without fear of reprisal.

Please note that some City policies, such as the Equal Employment Opportunity Policy, Workplace Violence Policy, and other policies prohibiting discrimination, harassment, and retaliation contain specific reporting procedures that should be followed. Employees should utilize this Open Door policy for reports and ideas that are not addressed through the City's specific reporting procedures.

EMPLOYMENT AT WILL

DEFINITION Your employment with the City of Grain Valley is on an “at will” basis, except where some other standard is established under a collective bargaining agreement or individual employment contract, signed by the Mayor.

This means that your employment is for an indefinite period of time and may be terminated by you or the City of Grain Valley at any time, for any reason or for no reason, with or without cause or notice by the employee or by the City.

NOT AN
EMPLOYMENT
CONTRACT Neither this Handbook nor any other City of Grain Valley communication, unless specified as an employment contract or agreement, creates an employment contract or limits the right to terminate at-will.

No employee rights are conferred upon the City of Grain Valley by this Handbook; and its contents should not give rise and legitimize expectations of continued employment.

COLLECTIVE BARGAINING AGREEMENTS

REPRESENTED EMPLOYEES

Certain City employees are represented by a labor organization. For these represented groups (known as “bargaining units”), the City will endeavor in good faith to establish a collective bargaining agreement with the relevant labor organization. Where a collective bargaining agreement is in effect, it will serve as the primary source for establishing wages, benefits, and terms or conditions of employment for the individuals employed within the bargaining unit.

CONFLICTING PROVISIONS INVALID

If there is any conflict between this Handbook and a collective bargaining agreement, the provisions of the collective bargaining agreement will be controlling. If this Handbook provides greater or lesser benefits, or more or less favorable terms or conditions of employment than appear in a collective bargaining agreement, the differing provisions of this Handbook shall be inapplicable to employees in the bargaining unit, and the collective bargaining agreement will be controlling. However, to the extent provisions of this Handbook address topics not covered in a collective bargaining agreement, or provide further details about matters that are addressed in a collective bargaining agreement without creating any conflict, the provisions of this Handbook shall apply to represented employees on the same basis as they apply to all other City employees.

CONFIDENTIALITY

Confidentiality will be maintained to the extent practical and permitted by law. Investigations will be conducted as confidentially as possible and related information will only be shared with others on a need-to-know basis.

MANAGER'S
RESPONSIBILITY

All supervisors and managers are responsible for:

- Implementing this policy, which includes, but is not limited to, taking steps to prevent harassment and retaliation;
- Ensuring that all employees under their supervision have knowledge of and understand this policy;
- Promptly reporting any complaints to Human Resources so they may be investigated and resolved in timely manner;
- Taking and/or assisting in prompt and appropriate corrective action when necessary to ensure compliance with this policy; and
- Conducting themselves, at all times, in a manner consistent with this policy.

Failure to meet these responsibilities may lead to disciplinary action, up to and including termination.

PROTECTION
AGAINST
RETALIATION

Retaliation is prohibited against any person by another employee or by the City of Grain Valley for using this complaint procedure, reporting proscribed harassment, objecting to such conduct or filing, testifying, assisting or participating in any manner in any investigation, proceeding or hearing conducted by a governmental enforcement agency. Prohibited retaliation includes, but is not limited to, termination, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions or otherwise denying any employment benefit.

Individuals who believe they have been subjected to retaliation, or believe that another individual has been subjected to retaliation, should report this concern to any supervisor, Department Head, or to Human Resources. Any report of retaliatory conduct will be investigated in a thorough and objective manner. If a report of retaliation prohibited by this policy is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from retaliation.

GOOD FAITH

The initiation of a good faith complaint of harassment or retaliation will not be grounds for disciplinary action, even if the allegations cannot be substantiated. If it is determined, after investigating any complaint of harassment or unlawful discrimination, that the complaint was not made in good faith, or that an employee intentionally or recklessly provides false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave the false information.

DISABILITY AND ACCOMMODATION

POLICY To comply with applicable laws ensuring equal employment opportunities for individuals with disabilities, the City of Grain Valley will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result.

REASONABLE ACCOMMODATION Any employee who requires an accommodation in order to perform the essential functions of their job, enjoy an equal employment opportunity, and/or obtain equal job benefits should contact Human Resources to request such an accommodation. Human Resources will communicate with the employee and engage in an interactive process to determine the nature of the issue and what, if any, reasonable accommodation(s) may be appropriate. In some cases, this interactive process may be triggered without a request from the employee, such as when the City receives notice from its own observation or another source that a medical impairment may be impacting the employee's ability to perform essential job functions.

Employees who believe they need an accommodation must specify, preferably in writing, what barriers or limitations prompted the request. The City will evaluate information obtained from the employee, and possibly the employee's health care provider or another appropriate health care provider, regarding any reported or apparent barriers or limitations, and will then work with the employee to identify possible accommodations, if any, that will help to eliminate or otherwise address the barrier(s) or limitation(s). If an identified accommodation is reasonable and will not impose an undue hardship on the City and/or a direct threat to the health and/or safety of the individual or others, the City will generally make the accommodation, or it may propose another reasonable accommodation which may also be effective.

The City will also consider requests for reasonable accommodations for medical conditions related to pregnancy, childbirth and lactation where supported by medical documentation and/or as required by applicable federal, state or local law.

Employees who wish to request unpaid time away from work to accommodate a disability should speak to Human Resources.

MEDICAL INFORMATION Employees are required to cooperate with this process by providing all necessary documentation supporting the need for accommodation, and being willing to consider alternative accommodations when applicable.

RELIGIOUS ACCOMMODATION

POLICY

The City of Grain Valley will provide reasonable accommodation for employees' religious beliefs, observances, and practices when a need for such accommodation is identified and reasonable accommodation is possible. A reasonable accommodation is one that eliminates the conflict between an employee's religious beliefs, observances, or practices and the employee's job requirements, without causing undue hardship to the City.

The City has developed an accommodation process to assist employees, supervisors, and Human Resources. Through this process, the City establishes a system of open communication between employees and the City to discuss conflicts between religion and work and to take action to provide reasonable accommodation for employees' needs. The intent of this process is to ensure a consistent approach when addressing religious accommodation requests. Any employee who perceives a conflict between job requirements and religious belief, observance, or practice should bring the conflict and request for accommodation to the attention of Human Resources to initiate the accommodation process. The City requests that accommodation requests be made in writing, and in the case of schedule adjustments, as far in advance as possible.

WORKPLACE VIOLENCE POLICY

POLICY Threats or acts of violence – including intimidation, bullying, physical or mental abuse and/or coercion – that involve or affect City employees or that occur on City premises, will not be tolerated.

The prohibition against threats and acts of violence applies to all persons involved in the operation of the City, including, but not limited to, City employees, supervisors, Department Heads, and other personnel, contractors, customers, vendors, and visitors.

Violations of this policy by an employee will result in disciplinary action, up to and including termination from employment.

REPORTING PROCEDURE Employees should help maintain a violence-free workplace. To that end, employees are encouraged to immediately report any incident that violates this policy to your supervisor ~~or~~ Department Head, or Human Resources.

Do not engage in either physical or verbal confrontation with a potentially violent individual.

If you encounter an individual who is threatening immediate harm to an employee or visitor to our premises, contact an emergency agency (such as 911) immediately.

CONFIDENTIALITY All reports of work-related threats will be kept confidential to the extent possible, investigated and documented.

EMPLOYEE RESPONSIBILITY You are expected to report and participate in an investigation of any suspected or actual cases of workplace violence, and will not be subjected to disciplinary consequences for such reports or cooperation.

FAILURE TO REPORT Violations of this policy, including your failure to report or fully cooperate in the City’s investigation, may result in disciplinary action, up to and including termination.

SUBSTANCE ABUSE POLICY

POLICY

The City of Grain Valley strives to provide a safe environment for employees and others and to minimize the risk of accidents and injuries. Accordingly, each employee has a responsibility to co-workers and the public to deliver services in a safe and conscientious manner. Continuing research and practical experience have proven that even limited quantities of illegal drugs, abused prescription drugs or alcohol can impair reflexes and judgment. This impairment, even when not readily apparent, can have catastrophic consequences. Moreover, studies have shown that impairment by controlled substances may last long after the user believes the effects to have worn off. For these reasons, the City of Grain Valley has adopted a policy that all employees must report to work and remain completely free of illegal drugs, abused or nonprescribed prescription drugs and alcohol.

Please note that the City is required to comply with certain government mandated testing under U.S. Department of Transportation (“DOT”) drug and alcohol rules and comparable state laws with respect to certain applicants and employees. The City has implemented this Substance Abuse Policy independent of those rules. Applicants and employees who are subject to government mandated testing and federal and state DOT drug and alcohol rules must comply with this Policy as well as the City’s requirements under any such federal or state rules, including the Federal Motor Carrier Safety Administration’s Drug and Alcohol Clearinghouse.

PROHIBITED
CONDUCT

The City of Grain Valley prohibits the use, possession, sale, attempted sale, purchase, attempted purchase, transfer, manufacture, and/or distribution of illegal drugs or other unlawful intoxicants, and/or drug-related paraphernalia on City of Grain Valley premises or while performing duties for the City of Grain Valley while away from City of Grain Valley premises, and/or during working hours. "Illegal drugs" means all drugs whose use or possession is regulated or prohibited by federal, state or local law. This includes prescription medication that is used in a manner inconsistent with the prescription or for which the individual does not have a valid prescription. Marijuana remains illegal as a matter of federal law and therefore the use of marijuana and marijuana products is prohibited by this policy. The City will accommodate individuals who are medically certified to use marijuana to the extent permitted by law, but in no case may an employee use or possess marijuana or marijuana products at work or during work time or work while impaired.

The City of Grain Valley also prohibits employees from using, possessing, distributing, or dispensing of alcohol while at work or during work time and from coming onto the City of Grain Valley's premises, reporting to work, or working with alcohol in their systems. Furthermore, lawful off-duty alcohol use, while generally not prohibited by this policy, must not interfere with an employee's job performance.

USE OF LEGAL AND
PRESCRIPTION
DRUGS

You may continue to work for the City of Grain Valley while taking lawfully prescribed drugs at the direction of a doctor for the treatment of an illness or over the counter drugs used for the purposes and in the manner intended, provided the medication does not adversely affect your ability to perform your work in a safe and efficient manner.

EMPLOYEE
RESPONSIBILITY

An employee taking medication should consult with a health care professional or review dosing directions for information about the medication's effect on the employee's ability to work safely, and promptly disclose any work restrictions to a supervisor, Department Head, or Human Resources. Employees are not required to reveal the name of the medication or the underlying medical condition.

CITY OF GRAIN
VALLEY'S
RESPONSIBILITY

If you are receiving legal medication, the City of Grain Valley has the right to transfer, reassign, place on leave of absence or take other appropriate action regarding any employee during the time the employee uses medication that may affect the ability to perform safely. The City will comply with all requirements pertaining to providing reasonable accommodations to the extent required by applicable law.

CONVICTION OR PROBATION UNDER A CRIMINAL DRUG LAW You must notify your supervisor or Department Head within five (5) days of any conviction or entry of a guilty plea resulting in incarceration or probation under any criminal drug statute, law, regulation, or ordinance.

FAILURE TO REPORT Failure to report a conviction or guilty plea may result in disciplinary action, up to and including termination.

OFF THE JOB ILLEGAL DRUG USE, POSSESSION, AND/OR SALE Off-the-job illegal drug use, possession, sale or other such activity may be deemed a violation of this policy and could result in disciplinary action, up to and including termination of employment.

In deciding the appropriate disciplinary action to take, the City of Grain Valley may take into consideration the nature of the activity charged, your total record with the City of Grain Valley, and other factors deemed relevant by the City for the protection of its employees and operations.

TESTING OF EMPLOYEES The City of Grain Valley may conduct testing of employees based on the circumstances noted below.

REFUSAL TO PARTICIPATE Refusal to participate in such testing may result in disciplinary action, up to and including termination of employment.

REASONABLE SUSPICION TESTING Whenever the City of Grain Valley has a reasonable suspicion that you have violated this policy, the City may require you to submit to a drug/alcohol test as a condition of employment.

REASONABLE SUSPICION “Reasonable suspicion” means a belief that you have used, or are using, drugs/alcohol in violation of the policy of the City of Grain Valley, based upon such factors as, but not limited to:

1. Observable signs, whether directly or indirectly, such as:
 - the physical symptoms or manifestations of being under the influence of a drug or alcohol while at work or on duty, or
 - drug or alcohol use while at work or on duty.
 2. A report of drug or alcohol use while at work or on duty, provided by reliable and credible sources and which has been independently corroborated.
 3. Evidence that you have tampered with a drug or alcohol test during your employment with the City of Grain Valley.
 4. Evidence that you are involved in the use, possession, sale, solicitation or transfer of drugs while on duty or while on City of Grain Valley premises or operating a vehicle, machinery or equipment of the City of Grain Valley.
-

POST-ACCIDENT TESTING The City of Grain Valley requires you to undergo drug or alcohol testing if you have been involved in a work-related accident that causes a serious injury or property damage.

WORKER'S COMPENSATION If you test positive for the presence of controlled substances, alcohol, illegal drugs, or illegally used chemicals, you may not be eligible for worker's compensation unless you prove that the substances, alcohol, illegal drugs, or illegally used chemicals were not the proximate cause of the injury or accident.

RANDOM TESTING The City of Grain Valley may also institute random testing in accordance with this policy.

"Random testing," means a mechanism for selection of employees for testing that result in an equal probability that any employee from a group of employees will be tested, and which does not give the City discretion to waive the selection of an employee selected by this random selection method.

[Employees who have significant driving responsibilities related to their position will be randomly selected throughout the year.](#)

[Upon notification, the employee will immediately undergo the random drug test at the designated testing facility.](#)

SCHEDULED, PERIODIC TESTING In addition, the City may conduct periodic testing on a regularly scheduled basis for employees in designated departments, classifications or work groups.

Normally, such testing will not be scheduled more often than annually.

POST-REHABILITATION TESTING The City of Grain Valley may require an employee to undergo drug or alcohol testing without prior notice for a period of up to two (2) years commencing with the employee's return to work, following a confirmed positive test or following participation in a drug or alcohol dependency treatment program under an employee benefit plan or at the request of the City.

SUBSTANCES THAT MAY BE TESTED You may be tested for your use of alcohol (ethyl alcohol or ethanol), and for your use of commonly-abused controlled substances, which (at the present time) include: Amphetamines, Barbiturates, Benzodiazepines, Cannabinoids, Cocaine, Methaqualone, Opiates, Phencyclidine (PCP), hallucinogens, synthetic narcotics, designer drugs, or any metabolite of any of the substances listed above.

Because the listing of all possible drugs of abuse is quite lengthy, and changes from time to time, you can request a listing of all substances to be tested from the testing laboratory at the time of the test.

TESTING METHODS All testing will be conducted by a licensed independent medical laboratory that will follow applicable testing standards.

Testing will be conducted on a blood, saliva, urine or hair sample provided by you to the testing laboratory under procedures established by the laboratory to ensure your privacy and chain of custody requirements, while protecting against tampering/alteration of the test results.

PAID EXPENSES The City of Grain Valley will pay for the cost of the testing, including the confirmation of any positive test result by gas chromatography, gas chromatography-mass spectroscopy, or an equivalent scientifically accepted method of equal or greater accuracy.

The testing lab will retain samples in accordance with applicable law, so that you may request a retest of the sample at your own expense if you disagree with the test result.

FAILURE TO COMPLY If you refuse to take the test as requested under this policy, you will be subject to disciplinary action, up to and including termination of employment.

UNEMPLOYMENT COMPENSATION Under applicable law, your refusal to take a lawfully requested drug/alcohol test, or testing positive on such a test, may constitute "misconduct" within the meaning of unemployment compensation laws and may disqualify an individual from receipt of unemployment compensation.

TESTING POSITIVE If you test positive on an initial screening test, you may be temporarily suspended while the confirmation test is being conducted.

On receipt of the confirmation test, you may be subject to disciplinary action, up to and including termination of employment.

RIGHT TO REVIEW RECORDS You have a right to obtain copies of all test results from the testing laboratory, or from the City of Grain Valley, and should submit all such requests to Human Resources in writing.

RETESTING If you disagree with the test results, you may request that the testing laboratory repeat the test. Such repeat test shall be at your expense, unless the repeat test overturns the original report of the laboratory, in which case the City of Grain Valley will reimburse you for the costs incurred for the retest.

RIGHT TO EXPLAIN TEST RESULTS You have the right to meet with the testing laboratory personnel and with the City of Grain Valley to explain your test results.

These discussions shall be considered confidential except information disclosed in such tests may be communicated to personnel within the City of Grain Valley or within the laboratory who need to know in order to make proper decisions regarding the test results or regarding your employment.

EMPLOYEE ASSISTANCE PROGRAM You will be reminded of the availability of the Employee Assistance (“EAP”) Program at the time that the City of Grain Valley provides you with positive drug/alcohol test results.

The existence or your use of the EAP does not constitute any guarantee of continued employment with the City of Grain Valley.

CONFIDENTIALITY All records concerning test results will be kept separately from your personnel file.

These test records cannot be used in any criminal or civil proceeding, except where such action has been brought by the City of Grain Valley or involves a suit between you and the City of Grain Valley, unless the records have been ordered released in accordance with a valid court order.

The records cannot be disclosed to any other person by the City of Grain Valley, in the absence of a court order, except where you have signed a release that specifically authorizes the City of Grain Valley to disclose such records to the requesting person.

Except where testing is done as a part of a routine physical examination, testing laboratories may conduct testing only for substances listed above, and may not conduct general testing related to your medical condition(s) unrelated to drug/alcohol usage.

As such, employees who enter into a romantic relationship must ensure the relationship does not affect responsibilities, work environments, or other colleagues in the organization.

If two employees enter into a romantic relationship, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms and conditions of employment of the other individual. In other cases where a conflict or danger of conflict arises, even if there is no supervisor relationship involved, the parties may be separated by reassignment or terminated from employment, at the discretion of the City.

If any provision contained in this Policy conflicts with any federal, state or local law, rule or regulation, said law, rule or regulation shall control. This may involve the use of telecommunications (i.e., cellular phones, faxes, internet access, etc.) or computer technologies.

Please note that this policy does not apply to employee requests for reasonable accommodation due to a medical condition covered by the Americans with Disabilities Act (ADA) or any other applicable federal, state or local law, rule or regulation. The City's established procedures for handling such requests should be utilized pursuant to the Reasonable Accommodation Policy.

AUTHORIZATION Typically, employees will be considered for telecommuting arrangements on a case-by-case basis. However, the City reserves the right to mandate a flexible work arrangement for a specific employee; a specific department; or, employees assigned to a specific physical location, as may be in the best interest of the City's business operations and/or the safety and welfare of the City's employees, clients and/or customers.

Decisions regarding telecommuting arrangements will be made by the appropriate supervisors, Department Heads, and/or Human Resources. Flexible work arrangements may be approved for a limited period of time.

Decisions about telecommuting arrangements will be made without regard for race, color, religion, sex, sexual orientation, gender identity, nation origin, citizenship, age, disability, veteran status, or another other classification protected by law, although telecommuting arrangements may be granted as a reasonable accommodation for a disability.

COMPLIANCE WITH CITY POLICIES AND PROCEDURES Telecommuting arrangements are benefits provided at the sole discretion of the City and are not an employee entitlement. Nothing in this Policy shall be interpreted to be in conflict with, or to eliminate or modify in any way, the employment-at-will status of City employees. Employees granted a telecommuting arrangement will be subject to all other City policies, including, but not limited to, policies regarding hours worked; pay; recording work time; attendance; and, paid time off.

EMPLOYMENT CLASSIFICATIONS

POLICY It is the policy of the City of Grain Valley to categorize the status of employees in order to make distinctions in benefits and conditions of employment among employees and to aid in a better understanding of employment relationships with the City of Grain Valley.

EXEMPT EMPLOYEES Exempt employees are employees whose job assignments meet specific tests established by the federal Fair Labor Standards Act (FLSA) and who are exempt from minimum wage and overtime pay requirements. Exempt employees are compensated on a salary basis. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisor, Department Head, and/or Human Resources with any questions or concerns regarding this status.

NON-EXEMPT EMPLOYEES Nonexempt employees are employees whose job positions do not meet FLSA exemption tests, and who are NOT exempt from minimum wage and overtime pay requirements. Nonexempt employees are eligible to receive overtime pay for hours worked in excess of 40 hours in a given week. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisors, Department Head, or Human Resources with any questions or concerns regarding this status.

FULL-TIME EMPLOYEES “Full-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work thirty (30) hours or more per workweek on a regular basis. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

PART-TIME EMPLOYEES “Part-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work less than twenty-nine (29) hours per workweek (and not to exceed 1500 hours per year), based on the needs of the Department or City. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

EMPLOYMENT ELIGIBILITY VERIFICATION (I-9)

POLICY

The City of Grain Valley is committed to employing only individuals who are authorized to work in the United States and who comply with applicable immigration and employment law.

As a condition of employment, every individual must provide satisfactory evidence of their identity and legal authority to work in the United States within three business days of commencing employment. If the employee cannot verify their right to work in the United States within three business days of employment, the City will be required to terminate their employment immediately.

VERIFICATION OF EMPLOYMENT

POLICY So that the City can handle requests for job references and/or employment verification in a consistent, fair and lawful manner, all requests for official job references on behalf of the City should be forwarded to Human Resources. No other manager or supervisor is authorized to release references on the City's behalf for current or former employees.

PROCEDURE All requests must be forwarded to Human Resources.
The following information will be provided to an individual seeking an employment verification:

1. Position Title(s)
2. Dates of Employment

The City of Grain Valley will provide information on salary and/or wages earned by an employee only upon receiving written consent by the employee prior to fulfilling the request.

NEPOTISM – EMPLOYMENT OF RELATIVES

POLICY

A familial relationship among employees can create an actual or at least potential or perceived conflict of interest in the employment setting, especially where one relative, spouse, partner, or member of such a relationship supervises another relative, spouse, partner, or member. To avoid this problem, we may refuse to hire or place a relative in a position where the potential for favoritism or a conflict exists.

If two employees are or become related, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms or conditions of employment of the other individual. In other cases where a conflict or the danger of a conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment, at the discretion of the City.

For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage (e.g., domestic partnership or civil union status).

In situations involving elected or appointed officials, the City shall not employ persons, unless the employment precedes the appointment, immediately related to an elected official of the City, appointed Commission, or Board member, during the term unless the employment precedes the election. Employees may retain employment during the term of the appointed official if the employment precedes the appointment, if not in the same department, or upon a vacancy in another department in which the employee has the skills and abilities necessary for the position.

REHIRE OF FORMER EMPLOYEES

INTRODUCTION As a former employee, you may be considered for rehire if a position which matches your abilities and experience is available, and if you left the City of Grain Valley in good standing and are eligible for rehire.

ELIGIBILITY FOR REHIRE Good standing is obtained by providing the City of Grain Valley a minimum two-week notice of intent to resign a position and have no disciplinary action counseling reports, which led to the former employee's separation of employment.

EMPLOYEE REFERRAL PROGRAM

PURPOSE The purpose of the employee referral program is to encourage current employees to refer qualified candidates for full-time jobs at the City of Grain Valley.

OBJECTIVE The City of Grain Valley recognizes employees are crucial to the success of its mission and strategic goals. In a highly competitive market, we strive to attract and retain individuals who are accountable, work collaboratively, communicate effectively, are critical thinkers and possess integrity and trust.

The City seeks quality new hires, to increase new hire retention, increase diversity within the organization, acquire candidates with specific skill sets, and expand the pool of potential applicants.

INCENTIVE As a City of Grain Valley employee, we value your ability to influence the future of the City through referring applicants who have the skills and effectiveness to be an asset to the City.

An employee who refers an applicant who later is hired for the referred position may be eligible to receive 8 hours off of work.

ELIGIBILITY REQUIREMENTS (APPLICABLE TO FULL-TIME EMPLOYMENT ONLY)

1. New hire employee must successfully complete a six-month employment period
2. Current employee must not be on a performance improvement plan when the incentive is claimed

PAY PERIODS AND PAYCHECKS

INTRODUCTION Employees are paid bi-weekly or every other Friday. The City requires employees to utilize direct deposit for the payment of wages. Employees who receive a paper check prior to the 2020 updated handbook may continue.

DIRECT DEPOSIT Funds will be deposited into the account(s) of your choosing. You will receive a pay statement identifying earnings for the pay period, as well as required-by-law deductions and any elected deductions made from your pay. This information will be issued to an active email account of your choice that you will provide to Human Resources at the time of hire.

PAPER CHECK If elected via the appropriate paperwork, you will receive a paper check for use as you choose. This option will include a pay statement stub identifying earnings for the pay period, as well as required-by-law deductions and any elected deductions made from your pay.

REPORTING ERRORS AND OBTAINING MORE INFORMATION If any employee, exempt or nonexempt, has questions about deductions from their pay, believes they have been subjected to improper deductions, or believes that the amount paid does not accurately reflect the employee's total hours worked or salary, that employee should promptly contact the Finance Department, Human Resources, a supervisor or any other member of management.

Every report will be fully investigated, and the City will provide the employee with any compensation to which the employee is entitled in a timely fashion.

The City complies with all applicable laws, including the Fair Labor Standards Act, and will not allow any form of retaliation against individuals who make good faith reports of alleged violations of this policy, or who cooperate in an investigation by the City, even if the reports do not reveal any errors or wrongdoing.

PAY PRACTICE POLICY

PURPOSE

The purpose of the policy is to outline the pay practice at the City of Grain Valley. The policy addresses base pay, pay-for-performance practices, promotion pay, reclassification and a benefit system for longevity (see Benefits).

INTRODUCTION

The following personnel actions shall affect your pay status in the manner described below.

All adjustments to pay will commence at the beginning of the next pay period following the approved change.

PHILOSOPHY

The City of Grain Valley recognizes you are crucial to the success of its mission and strategic goals. In a highly competitive market, the City strives to attract and retain individuals who are accountable, work collaboratively, communicate effectively, are critical thinkers and possess integrity and trust.

The City seeks to promote employee retention through a competitive compensation package. The total compensation package consists of base pay, comprehensive benefits and recognition.

- An employee's base pay will follow the approved compensation plan as well as the pay-for-performance strategy outlined in this policy.
- The City is committed to providing a competitive employer paid benefits program: paid leave, holidays, employer paid medical and dental insurance for the employee, health savings contribution, LAGERS retirement, employee assistance program, life insurance and short-term disability.
- The City is dedicated to recognizing and rewarding an employee's continued service to the City through a longevity benefit (see Benefits).

BASE PAY

Base pay is the rate of compensation an employee receives in exchange for services. The approved compensation plan determines the minimum an employee will be paid for the position. In general, the base pay for a new hire will be the minimum of the position grade. The Department Head will consult Human Resources and the City Administrator to justify a new hire being offered more than the minimum of the grade for the position.

If an employee reaches the maximum base pay of a position grade during their employment, the employee may be eligible for a lump-sum payment in lieu of a base salary increase. The base pay percentage of lump-sum payment will be determined yearly during the budget process.

MERIT PAY/PAY FOR PERFORMANCE

Merit pay is a compensation structure in which employees are compensated based on how their performance is assessed. An employee is incentivized and rewarded for achieving City-wide competencies, job specific competencies and individual goals.

An employee will receive a mid-year performance review and an end of year performance evaluation by their supervisor. The end of year performance evaluation will take into account the performance of the entire year. The total score an employee receives on their end of year performance evaluation will be used to determine any merit pay the employee will receive effective January 1st.

An annual merit pay matrix will be established during the budgeting process for the next fiscal year. This matrix will clearly establish the merit raises and the qualifications to obtain a specific raise level which are available for the year. The annually established merit pay matrix will be reflective of current revenues, projected revenues, the City's ability to sustain the merit increase over the long term and is subject to Board of Aldermen approval.

The merit matrix table will consist of the total score and the merit increase percentage. The total score measurement is established in the end of year performance evaluation.

Example of a Merit Increase Matrix*

<u>Total Score</u>	<u>Merit Increase Percentage</u>
<u>3.5 – 4.0</u>	<u>3%</u>
<u>3.0 – 3.4</u>	<u>2.5%</u>
<u>2.5 – 2.9</u>	<u>2%</u>
<u>2.4 and below</u>	<u>0%</u>

*Rates listed in the example matrix are examples only; percentages will vary annually

The merit increase range for the fiscal year will be set during the budget process. Merit increases will be distributed based on the results of the individual employee's end of year performance evaluation, which takes into account the entire year, and will vary among employees based on their total score.

PROMOTION PAY When an employee is promoted to a position in a grade having a higher minimum salary, the employee's salary will be adjusted as follows:

- If the employee's current salary is less than the minimum salary, the employee's salary will be increased to the minimum salary for the grade or a 5% salary increase; whichever is greater.
- If the employee's current salary is more than the minimum salary of the new grade, the employee will receive a five percent (5%) salary increase.

No increases will exceed the maximum salary of the grade or the amount allowed by the budget.

Discretion may be used by the Department Head to increase the wage more than five percent (5%), so long as the rate does not exceed the maximum salary of the grade.

Promotion pay is subject to Human Resources and City Administrator review and approval.

When an employee is promoted, the employee shall not be eligible for a merit increase for a period of six (6) months from the time of the promotion and the successful completion of the probationary period.

TRANSFER When an employee is transferred between departments and divisions of the organization or between positions within the same grade, their salary rate can differ or can remain unchanged. This decision will be made at the discretion of the Department Head of the department of which the employee will be transferred.

TEMPORARY ASSIGNMENT TO A HIGHER LEVEL Temporary assignment is defined as assignment to a vacant position. A temporary assignment does not include filling in for an employee on vacation, etc.

When you are assigned temporarily to work in a regular position in a grade with a higher maximum salary than your own, you shall be compensated at the minimum rate established for the higher grade.

If your salary equals or is greater than the minimum salary of the higher grade, a minimum of a five percent (5%) increase salary differential will be paid for the temporary assignment to a higher-level position..

INVOLUNTARY
DEMOTION

When you are involuntarily demoted for disciplinary or similar reasons from a position in one grade to a position in a grade having a lower maximum salary rate, your salary shall be reduced to be within the pay range established for the position to which you are demoted. This decision is left to the discretion of your Department Head.

You shall not be eligible for promotion or a salary increase for a period of one (1) year from the time of demotion.

VOLUNTARY
DEMOTION

When you are voluntarily demoted from a position in one grade to a position in a grade having a lower pay range, your rate of pay will be adjusted accordingly within the pay range of the lower grade.

SALARY
REDUCTION

A Department Head may request, for cause, the reduction of your salary within your assigned pay range.

Such a reduction shall not cause your salary to fall below the minimum pay for the position and shall be approved by the City Administrator.

NOTIFICATION OF
PAY DEDUCTION

Notice of intention to request a reduction in pay and the reasons for such action shall be given to you and to the City Administrator not less than thirty (30) calendar days prior to the proposed affected date of salary reduction.

APPEAL TO THE
CITY
ADMINISTRATOR

You may appeal in writing to the City Administrator for a meeting within five (5) calendar days of notice of change in salary.

The City Administrator shall hear matters pertinent to the change. The City Administrator shall forward one (1) copy of the course of action she/he intends to follow to you and one (1) copy to the Department Head.

The City Administrator's course of action is final.

FAMILY AND MEDICAL LEAVE (FMLA)

PURPOSE The City of Grain Valley will grant family and medical leave in accordance with the requirements of applicable law in effect at the time the leave is granted. This policy is established in compliance with the Federal Family and Medical Leave Act of 1993 (FMLA).

ELIGIBILITY

1. To be eligible for FMLA Leave benefits, employees must: Have worked for the City of Grain Valley for a total of 12 months
2. Have worked at least 1,250 hours over the previous 12 months.

Note: The 12-month period will be measured backward from the date the leave was requested.

REASONS FOR FMLA LEAVE

When you are eligible, you may take FMLA leave for one of the following reasons:

1. The birth, adoption or foster care of an employee's child within 12 months following birth or placement of the child (Bonding Leave);
2. To care for an immediate family member (spouse, child, or parent with a serious health condition (Family Care Leave);
3. An employee's inability to work because of a serious health condition (Serious Health Condition Leave);
4. A "qualifying exigency," as defined under the FMLA, arising from a spouse's, child's, or parent's "covered active duty" (as defined below) as a member of the military reserves, National Guard or Armed Forces (Military Emergency Leave); or
5. To care for a spouse, child, parent or next of kin (nearest blood relative) who is a "Covered Servicemember," as defined below (Military Caregiver Leave).

DEFINITIONS

“Child” for purposes of Bonding Leave and Family Care Leave, means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that Family and Medical Leave is to commence. “Child,” for purposes of Military Emergency Leave and Military Caregiver Leave, means a biological, adopted or foster child, stepchild, legal ward, or a child for whom the person stood in loco parentis, and who is of any age.

“Parent” for purposes of this policy, means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the person. This term does not include parents-in-law. For Military Emergency leave taken to provide care to a parent of a deployed military member, the parent must be incapable of self-care as defined by the FMLA.

“Covered Active Duty” means (1) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (2) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty (or notification of an impending call or order to active duty) in support of a contingency operation as defined by applicable law.

“Covered Servicemember” means (1) a member of the Armed Forces, including a member of a reserve component of the Armed Forces, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform their military duties, or (2) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a “veteran” as defined by the Department of Veteran Affairs), and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran.

“Spouse” means the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into, or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This includes common law marriage and same sex marriage in places where these marriages are recognized.

“Key employee” means a salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

LENGTH OF LEAVE The maximum amount of FMLA Leave will be 12 workweeks in any 12-month period when the leave is taken for: (1) Bonding Leave; (2) Family Care Leave; (3) Serious Health Condition Leave; and/or (4) Military Emergency Leave. However, if both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 12 workweeks off between the two of them when the leave is for Bonding Leave or to care for a parent using Family Care Leave. The applicable "12-month period" utilized by the City is the 12-month period measured backward from the date the leave was requested.

The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of 26 workweeks in a single 12-month period. A "single 12-month period" begins on the date of the employee's first use of such leave and ends 12 months after that date.

If both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury or illness or by a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

INTERMITTENT OF
REDUCED
SCHEDULE LEAVE

Under some circumstances, employees may take FMLA Leave intermittently, which means taking leave in blocks of time, or by reducing the employee's normal weekly or daily work schedule. An employee may take leave intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Leave taken intermittently may be taken in increments of no less than one quarter. Employees who take leave intermittently or on a reduced work schedule basis for a planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment. If FMLA Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, we may require employees to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

If an employee's request for intermittent leave is approved, the City may later require employees to obtain recertification of their need for leave. For example, the City may request recertification if it receives information that casts doubt on an employee's report that an absence qualifies for FMLA Leave.

NOTICE AND
CERTIFICATION

BONDING, FAMILY
CARE, SERIOUS
HEALTH CONDITION
AND MILITARY
CAREGIVER LEAVE
REQUIREMENTS

Employees are required to provide:

- When the need for the leave is foreseeable, 30 days advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day);
- When the need for leave is not foreseeable, notice within the time prescribed by the City's normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical;
- When the leave relates to medical issues, a completed Certification of Health-Care Provider form within 15 calendar days (for Military Caregiver Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health-Care Provider form);
- Periodic recertification (upon request); and
- Periodic reports during the leave.

Certification forms are available from Human Resources. At our expense, we may require a second or third medical opinion regarding the employee's own serious health condition or the serious health condition of the employee's family member. In some cases, we may require a second or third opinion regarding the injury or illness of a Covered Service Member. Employees are expected to cooperate with the City in obtaining additional medical opinions that we may require.

When leave is for planned medical treatment, employees must try to schedule treatment so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment.

RECERTIFICATIONS AFTER GRANT OF LEAVE

In addition to the requirements listed above, if an employee's Family and Medical Leave is certified, the City may later require medical recertification in connection with an absence that the employee reports as qualifying for Family and Medical Leave. For example, the City may request recertification if (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly (e.g., employee absences deviate from the duration or frequency set forth in the previous certification; employee's condition becomes more severe than indicated in the original certification; employee's encounter complications); or (3) the City receives information that casts doubt upon the employee's stated reason for the absence. In addition, the City may request recertification in connection with an absence after six months have passed since the employee's original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by the City will be at the employee's expense.

MILITARY EMERGENCY LEAVE REQUIREMENTS

Employees are required to provide:

As much advance notice as is reasonable and practicable under the circumstances;

A copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and

A completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from Human Resources Division.

FAILURE TO PROVIDE CERTIFICATION AND TO RETURN FROM LEAVE

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave. If an employee fails to return to work at leave's expiration and has not obtained an extension of the leave, the City may presume that the employee does not plan to return to work and has voluntarily terminated their employment.

COMPENSATION DURING LEAVE Generally, FMLA Leave is unpaid. However, the City will require employees to use accrued paid leave to cover all of the FMLA leave, using personal leave first, then sick leave, then vacation leave prior to any unpaid leave. The use of paid benefits will not extend the length of a FMLA Leave.

BENEFITS DURING LEAVE The City will continue making contributions to employee group health benefits during their leave on the same terms as if employees had continued to actively work. This means that if employees want their benefits coverage to continue during their leave, they must also continue to make the same premium payments that they are now required to make for themselves or their dependents. Employees taking Bonding Leave, Family Care Leave, Serious Health Condition Leave, and Military Emergency Leave will generally be provided with group health benefits for a 12 workweek period. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 workweeks. In some instances, the City may recover premiums it paid on the employee's behalf to maintain health coverage if the employee fails to return to work following a FMLA Leave.

The employee's length of service as of the leave will remain intact, but accrued benefits such as vacation and sick leave will not accrue while on an unpaid FMLA Leave.

JOB REINSTATEMENT Under most circumstances, employees will be reinstated to the same position they held at the time of the leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. However, employees have no greater right to reinstatement than if they had been continuously employed rather than on leave. For example, if an employee would have been laid off if they had not gone on leave or, if the employee's position was eliminated during the leave, then the employee will not be entitled to reinstatement.

CONFIDENTIALITY Documents relating to medical certifications, recertifications or medical histories of employees or employees' family members will be maintained separately and treated by the City as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors and managers, first aid and safety personnel or government officials.

FRAUDULENT USE OF FMLA PROHIBITED An employee who fraudulently obtains Family and Medical Leave from the City is not protected by FMLA's job restoration or maintenance of health benefits provisions. In addition, the City will take all available appropriate disciplinary action against such employee due to such fraud.

NONDISCRIMINATION The City takes its FMLA obligations very seriously and will not interfere, restrain or deny the exercise of any rights provided by the FMLA. We will not terminate or discriminate against any individual for opposing any practice, or because of involvement in any proceeding related to the FMLA. If an employee believes their FMLA rights have been violated in any way, they should immediately report the matter to Human Resources.

WORKERS' COMPENSATION

POLICY When work-related accidents, injuries or illnesses occur, employees may be eligible for workers' compensation insurance benefits. The City provides a comprehensive workers' compensation insurance program at no cost to employees and in accordance with applicable state law. This program covers most injuries or illnesses, sustained in the course of employment, that require medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits or, if the employee is hospitalized, treatment immediately.

Employees who sustain a work-related injury or illness should inform their supervisor or Department Head immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage. This procedure must be followed whether the accident occurred on or off City of Grain Valley premises.

FAILURE TO REPORT AN ACCIDENT OR INJURY Failure to report immediately any accident involving a work-related injury or illness may result in discipline, up to and including termination of employment.

POST-ACCIDENT DRUG/ALCOHOL TEST At the discretion of your Department Head, the Risk Manager or the City Administrator, you may be required to take a post-accident drug and alcohol test at the time of a work related injury and/or illness.

Should you be required to perform a post-accident drug/alcohol test, under no circumstances are you allowed to drive yourself to the medical facility performing the test.

NO DISCRIMINATION OR RETALIATION The City of Grain Valley does not discriminate or retaliate against employees for having filed Workers' Compensation claims.

RETURN TO WORK/
LIGHT-DUTY
COMPENSATION

Employees who are ready to return to work following a workers' compensation-related leave of absence must supply a certification from a health care provider confirming the employee's ability to return to work.

To ensure that employees are able to perform their duties safely, the City may require individuals to undergo both post-job offer and post-employment medical examinations for certain positions or under certain circumstances. Such examinations will comply with applicable law, including the requirements of the Americans with Disabilities Act and FMLA

If you are placed on light duty or part-time duty, as determined by a health care provider, and you perform assigned work duties for the City of Grain Valley, your time will be recorded as actual time worked and you will be paid accordingly.

If you are placed on light duty or part-time duty, as determined by physician health care provider, and you choose not to perform assigned work duties for the City of Grain Valley, you will be required to take sick or vacation time.

Light duty may not be available for employees working in certain positions.

ATTENDANCE & PUNCTUALITY

INTRODUCTION Prompt and regular attendance is key to the efficient operation of the City of Grain Valley and is considered an essential function of every employee's job.

When you are absent, schedules and customer commitments fall behind, and other employees must assume added workloads. To limit problems caused by employees' unapproved absences, we have adopted the following policy.

Employees are expected to report to work as scheduled, be on time and be prepared to start work. Employees are also expected to remain at work for their entire work schedule, except for meal or break periods, or when required to leave on authorized City business or other authorized reason. Unapproved late arrivals, early departures or other absences from scheduled hours are disruptive and must be avoided.

NOTIFICATION Notification of an absence or tardiness should occur as soon as you know you will not be able to attend work or will be late.

In any event, if an employee is unable to report for work on any particular day, they must notify their supervisor or Department Head at least thirty (30) minutes prior to the scheduled start time of your shift (unless it is impossible to do so, in which case you must call as soon as possible thereafter). Employees who need to leave early must notify their supervisor or Department Head as soon as they learn that they will not be able to complete their scheduled shift. The City may inquire about the general reason for an absence, tardiness or early departure.

Failure to provide the notification required by this Policy may result in disciplinary action up to and including termination of employment.

EMPLOYEE RESPONSIBILITY Except in cases of emergency, you are responsible for reporting unscheduled absences yourself rather than having family or friends do so for you.

You must speak to your supervisor or Department Head to properly notify the City of your absence.

ABSENCES EXTENDING MORE THAN ONE DAY Unless extenuating circumstances exist, employees must call in on each and every scheduled day on which they will not report to work, unless they are on an approved leave of absence.

ABSENCES IN
EXCESS OF THREE
(3) CONSECUTIVE
DAYS

Any absence in excess of three (3) or more days may require a doctor's release to return to work.

EXCESSIVE
ABSENTEEISM &
TARDINESS

Excessive absenteeism or tardiness may result in disciplinary action up to and including termination of employment, unless the absence or tardiness is excused or approved. The following are examples of types of time off that will not be considered grounds for disciplinary action under this policy:

- Time off that was previously approved, including vacation and sick leave;
- Approved state and federal leaves of absence, including but not limited to jury duty leave, military leave, leave protected under the Family and Medical Leave Act or similar state laws, and time off or leave specifically approved by the City as an accommodation under the Americans with Disabilities Act or similar state laws; and/or
- Time off due to a work-related injury that is covered by workers' compensation.

Each situation of absenteeism, tardiness or early departure will be evaluated on a case-by-case basis. Even one unexcused absence or tardiness may be considered excessive, depending upon the circumstances. However, the City will not subject employees to disciplinary action or retaliation for an absence, tardiness or early departure for which discipline may not be imposed under applicable law. If the employee believes that an absence, tardiness or early departure is (or should be) excused pursuant to applicable law, the employee should notify their supervisor, Department Head, or Human Resources of this fact as soon as possible, but no later than at the time of the absence, tardiness or early departure. (For the required timing of an employee's notice of the need for a foreseeable leave of absence, see the applicable leave policy). If an employee believes they have mistakenly been subject to disciplinary action for an absence, tardiness or early departure that the employee believes is or should be excused/approved, the employee should promptly discuss the matter with their supervisor, Department Head, or Human Resources. The City will investigate the situation and any errors will be corrected.

NO CALL/NO SHOW An employee's failure to report for work without any notification (No Call/No Show) Not reporting to work and not calling to report the absence is a no call/no show and is a serious matter.

An employee who fails to report for work without any notification to their supervisor or Department Head will be subject to disciplinary action, up to and including termination, on the first occasion of any such absence. An employee who fails to report for work without any notification to their supervisor or Department Head and whose absence continues for a period of two (2) days will be considered to have abandoned and voluntarily terminated their employment, absent extraordinary circumstances.

UNEXCUSED ABSENCE An unexcused absence for non-exempt employees is defined as any time off from a regularly scheduled shift that has not been approved seventy-two (72) hours in advance as an excused absence.

Consecutive day's absences are counted as one absence.

ADDITIONAL INFORMATION Employees should contact Human Resources with any questions about this Policy.

MILITARY LEAVE

POLICY A military leave of absence will be granted to employees who are absent from work because of service in accordance with the Uniformed Services Employment and Re-employment Rights Act (“USERRA”) and applicable state laws.

The City provides unpaid military leaves of absence to employees who serve in the uniformed services as required by USERRA and applicable state laws. The uniformed services are defined as the Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or national emergency. The uniformed services also include participants in the National Disaster Medical System when activated to provide assistance in response to a public health emergency, to be present for a short period of time when there is a risk of a public health emergency, or when they are participants in authorized training.

Service consists of performing any of the following on a voluntary or involuntary basis: active duty, active duty for training, initial active duty, inactive duty training, full time National Guard duty, absence from work for an examination to determine fitness for such duty, and absence for performing funeral honors duty. Total military leave time may not exceed five years during employment, except in certain, defined circumstances.

ADVANCE NOTICE Advance notice of military service is required, preferably in writing, unless military necessity prevents such notice or it is otherwise impossible or unreasonable (which is defined by the United States Department of Defense). When notice is required, employees must provide their supervisor or Department Head with as much advance notice as possible of any anticipated leave of absence for military service.

PAY If you are required to fulfill an annual military service obligation, you will be granted time off, and the City of Grain Valley shall pay the difference in wages between the active duty pay and your regular income for a period of up to one-hundred twenty (120) hours.

VACATION AND COMPENSATORY TIME When on a military leave of absence, you may use any available personal time, vacation time or compensatory time for the absence.

HEALTHCARE
CONTINUATION

Accrued, unused vacation or leave will be paid during military leave at the employee's request. After 30 days of continuous military leave, employees may elect to continue their health plan coverage at their own expense, for up to 24 months or during the remaining period of service, whichever is shorter.

REINSTATEMENT

In order to be eligible for reinstatement, an employee must have provided advance notice of the need for military leave (where required) and have completed service on a basis that is not dishonorable or otherwise prohibited under USERRA.

Employees whose military service will be for fewer than 31 days must report to back to work at the beginning of the first full, regularly scheduled work day following completion of service, after allowing for a period of safe travel home and eight hours of rest.

Employees whose military service will be for more than 30 days, but fewer than 181 days must apply for re-employment within 14 days after completing service.

Employees whose service is greater than 180 days must apply for re-employment within 90 days after completing service.

As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in loss of reemployment rights. Full details regarding reinstatement are available from Human Resources.

In general, an employee returning from military leave will be re-employed in the position and seniority level that the employee would have attained had there been no military leave of absence. If necessary, the City will provide training to assist the employee in the transition back to the workforce.

Vacation benefits do not continue to accrue during a military leave of absence. An employee returning from military leave is entitled to any unused, accrued vacation benefits the employee had at the time the military leave began minus any vacation benefits the employee chose to use during the leave. Upon reinstatement, the employee will begin to accrue vacation benefits at the rate they would have attained if no military leave had been taken.

WELCOME TO THE CITY OF GRAIN VALLEY!

We are excited to have you as part of our team. You were hired because we believe that you have the knowledge, skills, abilities, and character to contribute to the success of our City and share our commitment to being the best community in the Kansas City metropolitan area.

At the City of Grain Valley, we strive to provide the highest level of service to our residents, businesses, and visitors. The primary goal of the City of Grain Valley, and yours as one of its employees, is to live up to our mission statement in everything we do. We can only achieve this through hard work and commitment from every employee. You and every other employee are essential to our success in that endeavor.

We know that joining a new organization requires some adjustment; you will meet new people, work in different surroundings, and need to become familiar with new policies, procedures, practices and benefits. This employee handbook contains the key policies, goals, benefits, and expectations of the City of Grain Valley. You should use it as a ready reference as you pursue your career with us.

Welcome aboard! We look forward to working with you and wish you continued success.

PURPOSE OF EMPLOYEE HANDBOOK

This Handbook has been provided to communicate general policies and practices at the City of Grain Valley. While we follow the policies set out in this Handbook, the City of Grain Valley reserves the right to revise, delete, and add to the provisions of this Employee Handbook. All such revisions, deletions, or additions must be in writing. No oral statements or representations can change the provisions of this Employee Handbook.

This Handbook does not constitute a contract for employment or a guarantee of continued employment for any employee, and the policies shall apply to all City positions including management positions, unless otherwise specifically provided for. Except where some other standard is established under a collective bargaining agreement or individual employment contract, there is nothing in this Handbook or any other policy or communication that changes the fact that you are an “at will” employee.

This Handbook supersedes all previously published Employee Handbooks. Not all of the City of Grain Valley’s policies and procedures are set forth in this Employee Handbook. We have summarized only some of the more important ones. It is your responsibility to read and understand all of the information contained in this Handbook. Any questions or concerns about this Employee Handbook or any other policy or procedure should be directed to your supervisor, Department Head, or Human Resources. The City Administrator shall be charged with the responsibility for the administration of these policies and procedures.

Nothing in this Handbook or in any other document or policy is intended to violate any local, state or federal law. Nothing in this Handbook is intended to limit any concerted activities by employees relating to their wages, hours or working conditions, or any other conduct protected by the Constitution of the State of Missouri.

MISSION STATEMENT

MISSION
STATEMENT

The mission of the City of Grain Valley is to provide residents, businesses and visitors with the highest level of service by providing professional municipal management in the areas of Public Safety, Parks & Recreation, Community and Economic Development, Water, Sewer, Transportation and the Stewardship of Public Funds.

OPEN DOOR POLICY

OPEN DOOR POLICY

We recognize that employees may have suggestions for improving our workplace, as well as informal complaints about the workplace. We all recognize that the accumulation of unspoken, unanswered problems, informal complaints and questions can result in dissatisfaction and can affect the work environment. It is to everyone's advantage to bring these matters out in the open.

COMPLAINT PROCEDURE

If you have a suggestion, problem, or informal complaint, please review it with your supervisor or Department Head at the earliest possible time.

While we provide employees with this opportunity to communicate their views, please understand that not every complaint can be resolved to the employee's satisfaction. Even so, we believe that open communication is essential to a successful work environment and all employees should feel free to raise issues of concern without fear of reprisal.

Please note that some City policies, such as the Equal Employment Opportunity Policy, Workplace Violence Policy, and other policies prohibiting discrimination, harassment, and retaliation contain specific reporting procedures that should be followed. Employees should utilize this Open Door policy for reports and ideas that are not addressed through the City's specific reporting procedures.

EMPLOYMENT AT WILL

DEFINITION

Your employment with the City of Grain Valley is on an “at will” basis, except where some other standard is established under a collective bargaining agreement or individual employment contract, signed by the Mayor.

This means that your employment is for an indefinite period of time and may be terminated by you or the City of Grain Valley at any time, for any reason or for no reason, with or without cause or notice by the employee or by the City.

NOT AN EMPLOYMENT CONTRACT

Neither this Handbook nor any other City of Grain Valley communication, unless specified as an employment contract or agreement, creates an employment contract or limits the right to terminate at-will.

No employee rights are conferred upon the City of Grain Valley by this Handbook; and its contents should not give rise and legitimize expectations of continued employment.

COLLECTIVE BARGAINING AGREEMENTS

REPRESENTED EMPLOYEES

Certain City employees are represented by a labor organization. For these represented groups (known as “bargaining units”), the City will endeavor in good faith to establish a collective bargaining agreement with the relevant labor organization. Where a collective bargaining agreement is in effect, it will serve as the primary source for establishing wages, benefits, and terms or conditions of employment for the individuals employed within the bargaining unit.

CONFLICTING PROVISIONS INVALID

If there is any conflict between this Handbook and a collective bargaining agreement, the provisions of the collective bargaining agreement will be controlling. If this Handbook provides greater or lesser benefits, or more or less favorable terms or conditions of employment than appear in a collective bargaining agreement, the differing provisions of this Handbook shall be inapplicable to employees in the bargaining unit, and the collective bargaining agreement will be controlling. However, to the extent provisions of this Handbook address topics not covered in a collective bargaining agreement, or provide further details about matters that are addressed in a collective bargaining agreement without creating any conflict, the provisions of this Handbook shall apply to represented employees on the same basis as they apply to all other City employees.

If we determine that this policy has been violated, remedial action will be taken, commensurate with the severity of the offense. INVESTIGATION AND
RESPONSE

After a report is received, a thorough and objective investigation will promptly be undertaken. The City of Grain Valley will designate the person to lead the investigation. Depending on circumstances, the designated individual may be Human Resources, the City Administrator, or a third party.

The City of Grain Valley will take the necessary time to review and investigate your concerns. The investigation will be completed and a determination made and communicated to the employee as soon as practical. Any inquires about the status of your complaint should be directed to Human Resources

If a complaint of prohibited harassment or discrimination is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from harassment.

CONFIDENTIALITY

Confidentiality will be maintained to the extent practical and permitted by law. Investigations will be conducted as confidentially as possible and related information will only be shared with others on a need-to-know basis.

MANAGER'S
RESPONSIBILITY

All supervisors and managers are responsible for:

- Implementing this policy, which includes, but is not limited to, taking steps to prevent harassment and retaliation;
- Ensuring that all employees under their supervision have knowledge of and understand this policy;
- Promptly reporting any complaints to Human Resources so they may be investigated and resolved in timely manner;
- Taking and/or assisting in prompt and appropriate corrective action when necessary to ensure compliance with this policy; and
- Conducting themselves, at all times, in a manner consistent with this policy.

Failure to meet these responsibilities may lead to disciplinary action, up to and including termination.

PROTECTION
AGAINST
RETALIATION

Retaliation is prohibited against any person by another employee or by the City of Grain Valley for using this complaint procedure, reporting proscribed harassment, objecting to such conduct or filing, testifying, assisting or participating in any manner in any investigation, proceeding or hearing conducted by a governmental enforcement agency. Prohibited retaliation includes, but is not limited to, termination, demotion, suspension, failure to hire or consider for hire, failure to give equal consideration in making employment decisions, failure to make employment recommendations impartially, adversely affecting working conditions or otherwise denying any employment benefit.

Individuals who believe they have been subjected to retaliation, or believe that another individual has been subjected to retaliation, should report this concern to any supervisor, Department Head, or to Human Resources. Any report of retaliatory conduct will be investigated in a thorough and objective manner. If a report of retaliation prohibited by this policy is substantiated, appropriate disciplinary action, up to and including termination of employment, will be taken. If a complaint cannot be substantiated, the City may take appropriate action to reinforce its commitment to providing a work environment free from retaliation.

GOOD FAITH

The initiation of a good faith complaint of harassment or retaliation will not be grounds for disciplinary action, even if the allegations cannot be substantiated. If it is determined, after investigating any complaint of harassment or unlawful discrimination, that the complaint was not made in good faith, or that an employee intentionally or recklessly provides false information regarding the complaint, disciplinary action may be taken against the individual who filed the complaint or who gave the false information.

DISABILITY AND ACCOMMODATION

POLICY

To comply with applicable laws ensuring equal employment opportunities for individuals with disabilities, the City of Grain Valley will make reasonable accommodations for the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or an employee, unless undue hardship and/or a direct threat to the health and/or safety of the individual or others would result.

REASONABLE ACCOMMODATION

Any employee who requires an accommodation in order to perform the essential functions of their job, enjoy an equal employment opportunity, and/or obtain equal job benefits should contact Human Resources to request such an accommodation. Human Resources will communicate with the employee and engage in an interactive process to determine the nature of the issue and what, if any, reasonable accommodation(s) may be appropriate. In some cases, this interactive process may be triggered without a request from the employee, such as when the City receives notice from its own observation or another source that a medical impairment may be impacting the employee's ability to perform essential job functions.

Employees who believe they need an accommodation must specify, preferably in writing, what barriers or limitations prompted the request. The City will evaluate information obtained from the employee, and possibly the employee's health care provider or another appropriate health care provider, regarding any reported or apparent barriers or limitations, and will then work with the employee to identify possible accommodations, if any, that will help to eliminate or otherwise address the barrier(s) or limitation(s). If an identified accommodation is reasonable and will not impose an undue hardship on the City and/or a direct threat to the health and/or safety of the individual or others, the City will generally make the accommodation, or it may propose another reasonable accommodation which may also be effective.

The City will also consider requests for reasonable accommodations for medical conditions related to pregnancy, childbirth and lactation where supported by medical documentation and/or as required by applicable federal, state or local law.

Employees who wish to request unpaid time away from work to accommodate a disability should speak to Human Resources.

MEDICAL INFORMATION

Employees are required to cooperate with this process by providing all necessary documentation supporting the need for accommodation, and being willing to consider alternative accommodations when applicable.

RELIGIOUS ACCOMMODATION

POLICY

The City of Grain Valley will provide reasonable accommodation for employees' religious beliefs, observances, and practices when a need for such accommodation is identified and reasonable accommodation is possible. A reasonable accommodation is one that eliminates the conflict between an employee's religious beliefs, observances, or practices and the employee's job requirements, without causing undue hardship to the City.

The City has developed an accommodation process to assist employees, supervisors, and Human Resources. Through this process, the City establishes a system of open communication between employees and the City to discuss conflicts between religion and work and to take action to provide reasonable accommodation for employees' needs. The intent of this process is to ensure a consistent approach when addressing religious accommodation requests. Any employee who perceives a conflict between job requirements and religious belief, observance, or practice should bring the conflict and request for accommodation to the attention of Human Resources to initiate the accommodation process. The City requests that accommodation requests be made in writing, and in the case of schedule adjustments, as far in advance as possible.

WORKPLACE VIOLENCE POLICY

PURPOSE The safety and security of employees is of vital importance to the City of Grain Valley. Therefore, the City has adopted a zero-tolerance policy concerning workplace violence.

POLICY Threats or acts of violence – including intimidation, bullying, physical or mental abuse and/or coercion – that involve or affect City employees or that occur on City premises, will not be tolerated.

The prohibition against threats and acts of violence applies to all persons involved in the operation of the City, including, but not limited to, City employees, supervisors, Department Heads, and other personnel, contractors, customers, vendors, and visitors.

Violations of this policy by an employee will result in disciplinary action, up to and including termination from employment.

REPORTING PROCEDURE Employees should help maintain a violence-free workplace. To that end, employees are encouraged to immediately report any incident that violates this policy to your supervisor, Department Head, or Human Resources.

Do not engage in either physical or verbal confrontation with a potentially violent individual.

If you encounter an individual who is threatening immediate harm to an employee or visitor to our premises, contact an emergency agency (such as 911) immediately.

CONFIDENTIALITY All reports of work-related threats will be kept confidential to the extent possible, investigated and documented.

EMPLOYEE RESPONSIBILITY You are expected to report and participate in an investigation of any suspected or actual cases of workplace violence, and will not be subjected to disciplinary consequences for such reports or cooperation.

FAILURE TO REPORT Violations of this policy, including your failure to report or fully cooperate in the City’s investigation, may result in disciplinary action, up to and including termination.

SUBSTANCE ABUSE POLICY

POLICY

The City of Grain Valley strives to provide a safe environment for employees and others and to minimize the risk of accidents and injuries. Accordingly, each employee has a responsibility to co-workers and the public to deliver services in a safe and conscientious manner. Continuing research and practical experience have proven that even limited quantities of illegal drugs, abused prescription drugs or alcohol can impair reflexes and judgment. This impairment, even when not readily apparent, can have catastrophic consequences. Moreover, studies have shown that impairment by controlled substances may last long after the user believes the effects to have worn off. For these reasons, the City of Grain Valley has adopted a policy that all employees must report to work and remain completely free of illegal drugs, abused or nonprescribed prescription drugs and alcohol.

Please note that the City is required to comply with certain government mandated testing under U.S. Department of Transportation (“DOT”) drug and alcohol rules and comparable state laws with respect to certain applicants and employees. The City has implemented this Substance Abuse Policy independent of those rules. Applicants and employees who are subject to government mandated testing and federal and state DOT drug and alcohol rules must comply with this Policy as well as the City’s requirements under any such federal or state rules, including the Federal Motor Carrier Safety Administration’s Drug and Alcohol Clearinghouse.

PROHIBITED
CONDUCT

The City of Grain Valley prohibits the use, possession, sale, attempted sale, purchase, attempted purchase, transfer, manufacture, and/or distribution of illegal drugs or other unlawful intoxicants, and/or drug-related paraphernalia on City of Grain Valley premises or while performing duties for the City of Grain Valley while away from City of Grain Valley premises, and/or during working hours. “Illegal drugs” means all drugs whose use or possession is regulated or prohibited by federal, state or local law. This includes prescription medication that is used in a manner inconsistent with the prescription or for which the individual does not have a valid prescription. Marijuana remains illegal as a matter of federal law and therefore the use of marijuana and marijuana products is prohibited by this policy. The City will accommodate individuals who are medically certified to use marijuana to the extent permitted by law, but in no case may an employee use or possess marijuana or marijuana products at work or during work time or work while impaired.

The City of Grain Valley also prohibits employees from using, possessing, distributing, or dispensing of alcohol while at work or during work time and from coming onto the City of Grain Valley’s premises, reporting to work, or working with alcohol in their systems. Furthermore, lawful off-duty alcohol use, while generally not prohibited by this policy, must not interfere with an employee’s job performance.

USE OF LEGAL AND
PRESCRIPTION
DRUGS

You may continue to work for the City of Grain Valley while taking lawfully prescribed drugs at the direction of a doctor for the treatment of an illness or over the counter drugs used for the purposes and in the manner intended, provided the medication does not adversely affect your ability to perform your work in a safe and efficient manner.

EMPLOYEE
RESPONSIBILITY

An employee taking medication should consult with a health care professional or review dosing directions for information about the medication’s effect on the employee’s ability to work safely, and promptly disclose any work restrictions to a supervisor, Department Head, or Human Resources. Employees are not required to reveal the name of the medication or the underlying medical condition.

CITY OF GRAIN
VALLEY’S
RESPONSIBILITY

If you are receiving legal medication, the City of Grain Valley has the right to transfer, reassign, place on leave of absence or take other appropriate action regarding any employee during the time the employee uses medication that may affect the ability to perform safely. The City will comply with all requirements pertaining to providing reasonable accommodations to the extent required by applicable law.

CONVICTION OR PROBATION UNDER A CRIMINAL DRUG LAW You must notify your supervisor or Department Head within five (5) days of any conviction or entry of a guilty plea resulting in incarceration or probation under any criminal drug statute, law, regulation, or ordinance.

FAILURE TO REPORT Failure to report a conviction or guilty plea may result in disciplinary action, up to and including termination.

OFF THE JOB ILLEGAL DRUG USE, POSSESSION, AND/OR SALE Off-the-job illegal drug use, possession, sale or other such activity may be deemed a violation of this policy and could result in disciplinary action, up to and including termination of employment.

In deciding the appropriate disciplinary action to take, the City of Grain Valley may take into consideration the nature of the activity charged, your total record with the City of Grain Valley, and other factors deemed relevant by the City for the protection of its employees and operations.

TESTING OF EMPLOYEES The City of Grain Valley may conduct testing of employees based on the circumstances noted below.

REFUSAL TO PARTICIPATE Refusal to participate in such testing may result in disciplinary action, up to and including termination of employment.

REASONABLE SUSPICION TESTING Whenever the City of Grain Valley has a reasonable suspicion that you have violated this policy, the City may require you to submit to a drug/alcohol test as a condition of employment.

REASONABLE SUSPICION “Reasonable suspicion” means a belief that you have used, or are using, drugs/alcohol in violation of the policy of the City of Grain Valley, based upon such factors as, but not limited to:

1. Observable signs, whether directly or indirectly, such as:
 - the physical symptoms or manifestations of being under the influence of a drug or alcohol while at work or on duty, or
 - drug or alcohol use while at work or on duty.
 2. A report of drug or alcohol use while at work or on duty, provided by reliable and credible sources and which has been independently corroborated.
 3. Evidence that you have tampered with a drug or alcohol test during your employment with the City of Grain Valley.
 4. Evidence that you are involved in the use, possession, sale, solicitation or transfer of drugs while on duty or while on City of Grain Valley premises or operating a vehicle, machinery or equipment of the City of Grain Valley.
-

POST-ACCIDENT TESTING The City of Grain Valley requires you to undergo drug or alcohol testing if you have been involved in a work-related accident that causes a serious injury or property damage.

WORKER'S COMPENSATION If you test positive for the presence of controlled substances, alcohol, illegal drugs, or illegally used chemicals, you may not be eligible for worker's compensation unless you prove that the substances, alcohol, illegal drugs, or illegally used chemicals were not the proximate cause of the injury or accident.

RANDOM TESTING The City of Grain Valley may also institute random testing in accordance with this policy.

“Random testing,” means a mechanism for selection of employees for testing that result in an equal probability that any employee from a group of employees will be tested, and which does not give the City discretion to waive the selection of an employee selected by this random selection method.

Employees who have significant driving responsibilities related to their position will be randomly selected throughout the year.

Upon notification, the employee will immediately undergo the random drug test at the designated testing facility.

SCHEDULED, PERIODIC TESTING In addition, the City may conduct periodic testing on a regularly scheduled basis for employees in designated departments, classifications or work groups.

Normally, such testing will not be scheduled more often than annually.

POST-REHABILITATION TESTING The City of Grain Valley may require an employee to undergo drug or alcohol testing without prior notice for a period of up to two (2) years commencing with the employee's return to work, following a confirmed positive test or following participation in a drug or alcohol dependency treatment program under an employee benefit plan or at the request of the City.

SUBSTANCES THAT MAY BE TESTED You may be tested for your use of alcohol (ethyl alcohol or ethanol), and for your use of commonly-abused controlled substances, which (at the present time) include: Amphetamines, Barbiturates, Benzodiazepines, Cannabinoids, Cocaine, Methaqualone, Opiates, Phencyclidine (PCP), hallucinogens, synthetic narcotics, designer drugs, or any metabolite of any of the substances listed above.

Because the listing of all possible drugs of abuse is quite lengthy, and changes from time to time, you can request a listing of all substances to be tested from the testing laboratory at the time of the test.

TESTING METHODS All testing will be conducted by a licensed independent medical laboratory that will follow applicable testing standards.

Testing will be conducted on a blood, saliva, urine or hair sample provided by you to the testing laboratory under procedures established by the laboratory to ensure your privacy and chain of custody requirements, while protecting against tampering/alteration of the test results.

PAID EXPENSES The City of Grain Valley will pay for the cost of the testing, including the confirmation of any positive test result by gas chromatography, gas chromatography-mass spectroscopy, or an equivalent scientifically accepted method of equal or greater accuracy.

The testing lab will retain samples in accordance with applicable law, so that you may request a retest of the sample at your own expense if you disagree with the test result.

FAILURE TO COMPLY If you refuse to take the test as requested under this policy, you will be subject to disciplinary action, up to and including termination of employment.

UNEMPLOYMENT COMPENSATION Under applicable law, your refusal to take a lawfully requested drug/alcohol test, or testing positive on such a test, may constitute “misconduct” within the meaning of unemployment compensation laws and may disqualify an individual from receipt of unemployment compensation.

TESTING POSITIVE If you test positive on an initial screening test, you may be temporarily suspended while the confirmation test is being conducted.

On receipt of the confirmation test, you may be subject to disciplinary action, up to and including termination of employment.

RIGHT TO REVIEW
RECORDS

You have a right to obtain copies of all test results from the testing laboratory, or from the City of Grain Valley, and should submit all such requests to Human Resources in writing.

RETESTING

If you disagree with the test results, you may request that the testing laboratory repeat the test. Such repeat test shall be at your expense, unless the repeat test overturns the original report of the laboratory, in which case the City of Grain Valley will reimburse you for the costs incurred for the retest.

RIGHT TO EXPLAIN
TEST RESULTS

You have the right to meet with the testing laboratory personnel and with the City of Grain Valley to explain your test results.

These discussions shall be considered confidential except information disclosed in such tests may be communicated to personnel within the City of Grain Valley or within the laboratory who need to know in order to make proper decisions regarding the test results or regarding your employment.

EMPLOYEE
ASSISTANCE
PROGRAM

You will be reminded of the availability of the Employee Assistance (“EAP”) Program at the time that the City of Grain Valley provides you with positive drug/alcohol test results.

The existence or your use of the EAP does not constitute any guarantee of continued employment with the City of Grain Valley.

CONFIDENTIALITY

All records concerning test results will be kept separately from your personnel file.

These test records cannot be used in any criminal or civil proceeding, except where such action has been brought by the City of Grain Valley or involves a suit between you and the City of Grain Valley, unless the records have been ordered released in accordance with a valid court order.

The records cannot be disclosed to any other person by the City of Grain Valley, in the absence of a court order, except where you have signed a release that specifically authorizes the City of Grain Valley to disclose such records to the requesting person.

Except where testing is done as a part of a routine physical examination, testing laboratories may conduct testing only for substances listed above, and may not conduct general testing related to your medical condition(s) unrelated to drug/alcohol usage.

CONFLICT OF INTEREST

POLICY The City has guidelines to avoid real or potential conflicts of interest. It is your duty as an employee of the City of Grain Valley to adhere to the following guidelines about conflicts of interest. If this is not clear to you or if you have questions about conflicts of interest, contact your supervisor, Department Head, or Human Resources.

DEFINITION A conflict of interest occurs when the interest of an employee or another outside party actually or potentially affects the City in a negative way. Employees may not use their positions for personal benefit, for the benefit of friends or relatives, or to further any outside interests or personal agenda. Employees should at all times avoid the substance or appearance of a conflict of interest in their personal affairs and their work at the City.

DISCLOSURE You are required to disclose in writing any real or potential conflict of interest to your supervisor, Department Head, or Human Resources

FAILURE TO COMPLY Failure to disclose a conflict or potential conflict may lead to disciplinary action, up to and including termination of employment.

OUTSIDE EMPLOYMENT

INTRODUCTION

The City respects each employee's right to engage in activities outside of employment such as those that are of a personal or private nature, to the extent that such activities do not create a conflict of interest as described in the Conflicts of Interest policy set forth in this Handbook or adversely affect the employee's ability to perform their job. An example of an activity that might adversely affect an employee's ability to perform their job duties is outside employment.

POLICY

While the City does not prohibit employees from holding other jobs, the following types of outside employment are generally prohibited (to the extent allowed under applicable law):

- Employment that conflicts with the employee's work schedule, duties and responsibilities or creates an actual conflict of interest;
- Employment that impairs or has a detrimental effect on the employee's work performance with the City;
- Employment that requires employees to conduct work or related activities during working times or using any of the City's tools, materials or equipment; and

As such, employees who enter into a romantic relationship must ensure the relationship does not affect responsibilities, work environments, or other colleagues in the organization.

If two employees enter into a romantic relationship, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms and conditions of employment of the other individual. In other cases where a conflict or danger of conflict arises, even if there is no supervisor relationship involved, the parties may be separated by reassignment or terminated from employment, at the discretion of the City.

EMPLOYMENT CLASSIFICATIONS

POLICY

It is the policy of the City of Grain Valley to categorize the status of employees in order to make distinctions in benefits and conditions of employment among employees and to aid in a better understanding of employment relationships with the City of Grain Valley.

EXEMPT
EMPLOYEES

Exempt employees are employees whose job assignments meet specific tests established by the federal Fair Labor Standards Act (FLSA) and who are exempt from minimum wage and overtime pay requirements. Exempt employees are compensated on a salary basis. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisor, Department Head, and/or Human Resources with any questions or concerns regarding this status.

NON-EXEMPT
EMPLOYEES

Nonexempt employees are employees whose job positions do not meet FLSA exemption tests, and who are NOT exempt from minimum wage and overtime pay requirements. Nonexempt employees are eligible to receive overtime pay for hours worked in excess of 40 hours in a given week. Employees will be informed whether their status is exempt or nonexempt and should consult their supervisors, Department Head, or Human Resources with any questions or concerns regarding this status.

FULL-TIME
EMPLOYEES

“Full-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work thirty (30) hours or more per workweek on a regular basis. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

PART-TIME
EMPLOYEES

“Part-time employees” are those individuals who have completed their introductory period and are hired by the City of Grain Valley to work less than twenty-nine (29) hours per workweek (and not to exceed 1500 hours per year), based on the needs of the Department or City. This definition shall apply to both “exempt” and “non-exempt” employees, as defined in this Handbook.

EMPLOYMENT ELIGIBILITY VERIFICATION (I-9)

POLICY

The City of Grain Valley is committed to employing only individuals who are authorized to work in the United States and who comply with applicable immigration and employment law.

As a condition of employment, every individual must provide satisfactory evidence of their identity and legal authority to work in the United States within three business days of commencing employment. If the employee cannot verify their right to work in the United States within three business days of employment, the City will be required to terminate their employment immediately.

VERIFICATION OF EMPLOYMENT

POLICY

So that the City can handle requests for job references and/or employment verification in a consistent, fair and lawful manner, all requests for official job references on behalf of the City should be forwarded to Human Resources. No other manager or supervisor is authorized to release references on the City's behalf for current or former employees.

PROCEDURE

All requests must be forwarded to Human Resources.

The following information will be provided to an individual seeking an employment verification:

1. Position Title(s)
2. Dates of Employment

The City of Grain Valley will provide information on salary and/or wages earned by an employee only upon receiving written consent by the employee prior to fulfilling the request.

NEPOTISM – EMPLOYMENT OF RELATIVES

POLICY

A familial relationship among employees can create an actual or at least potential or perceived conflict of interest in the employment setting, especially where one relative, spouse, partner, or member of such a relationship supervises another relative, spouse, partner, or member. To avoid this problem, we may refuse to hire or place a relative in a position where the potential for favoritism or a conflict exists.

If two employees are or become related, they may not remain in a reporting relationship or in positions where one individual may affect the compensation or other terms or conditions of employment of the other individual. In other cases where a conflict or the danger of a conflict arises, even if there is no supervisory relationship involved, the parties may be separated by reassignment or terminated from employment, at the discretion of the City.

For the purposes of this policy, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage (e.g., domestic partnership or civil union status).

In situations involving elected or appointed officials, the City shall not employ persons, unless the employment precedes the appointment, immediately related to an elected official of the City, appointed Commission, or Board member, during the term unless the employment precedes the election. Employees may retain employment during the term of the appointed official if the employment precedes the appointment, if not in the same department, or upon a vacancy in another department in which the employee has the skills and abilities necessary for the position.

REHIRE OF FORMER EMPLOYEES

INTRODUCTION As a former employee, you may be considered for rehire if a position which matches your abilities and experience is available, and if you left the City of Grain Valley in good standing and are eligible for rehire.

ELIGIBILITY FOR REHIRE Good standing is obtained by providing the City of Grain Valley a minimum two-week notice of intent to resign a position and have no disciplinary action counseling reports, which led to the former employee's separation of employment.

EMPLOYEE REFERRAL PROGRAM

PURPOSE The purpose of the employee referral program is to encourage current employees to refer qualified candidates for full-time jobs at the City of Grain Valley.

OBJECTIVE The City of Grain Valley recognizes employees are crucial to the success of its mission and strategic goals. In a highly competitive market, we strive to attract and retain individuals who are accountable, work collaboratively, communicate effectively, are critical thinkers and possess integrity and trust.

PAY PRACTICE POLICY

PURPOSE The purpose of the policy is to outline the pay practice at the City of Grain Valley. The policy addresses base pay, pay-for-performance practices, promotion pay, reclassification and a benefit system for longevity (see Benefits).

INTRODUCTION The following personnel actions shall affect your pay status in the manner described below.

All adjustments to pay will commence at the beginning of the next pay period following the approved change.

PHILOSOPHY The City of Grain Valley recognizes you are crucial to the success of its mission and strategic goals. In a highly competitive market, the City strives to attract and retain individuals who are accountable, work collaboratively, communicate effectively, are critical thinkers and possess integrity and trust.

The City seeks to promote employee retention through a competitive compensation package. The total compensation package consists of base pay, comprehensive benefits and recognition.

- An employee’s base pay will follow the approved compensation plan as well as the pay-for-performance strategy outlined in this policy.
- The City is committed to providing a competitive employer paid benefits program: paid leave, holidays, employer paid medical and dental insurance for the employee, health savings contribution, LAGERS retirement, employee assistance program, life insurance and short-term disability.
- The City is dedicated to recognizing and rewarding an employee’s continued service to the City through a longevity benefit (see Benefits).

BASE PAY Base pay is the rate of compensation an employee receives in exchange for services. The approved compensation plan determines the minimum an employee will be paid for the position. In general, the base pay for a new hire will be the minimum of the position grade. The Department Head will consult Human Resources and the City Administrator to justify a new hire being offered more than the minimum of the grade for the position.

If an employee reaches the maximum base pay of a position grade during their employment, the employee may be eligible for a lump-sum payment in lieu of a base salary increase. The base pay percentage of lump-sum payment will be determined yearly during the budget process.

MERIT PAY/PAY
FOR PERFORMANCE

Merit pay is a compensation structure in which employees are compensated based on how their performance is assessed. An employee is incentivized and rewarded for achieving City-wide competencies, job specific competencies and individual goals.

An employee will receive a mid-year performance review and an end of year performance evaluation by their supervisor. The end of year performance evaluation will take into account the performance of the entire year. The total score an employee receives on their end of year performance evaluation will be used to determine any merit pay the employee will receive effective January 1st.

An annual merit pay matrix will be established during the budgeting process for the next fiscal year. This matrix will clearly establish the merit raises and the qualifications to obtain a specific raise level which are available for the year. The annually established merit pay matrix will be reflective of current revenues, projected revenues, the City's ability to sustain the merit increase over the long term and is subject to Board of Aldermen approval.

The merit matrix table will consist of the total score and the merit increase percentage. The total score measurement is established in the end of year performance evaluation.

Example of a Merit Increase Matrix*

<i>Total Score</i>	<i>Merit Increase Percentage</i>
3.5 – 4.0	3%
3.0 – 3.4	2.5%
2.5 – 2.9	2%
2.4 and below	0%

**Rates listed in the example matrix are examples only; percentages will vary annually*

The merit increase range for the fiscal year will be set during the budget process. Merit increases will be distributed based on the results of the individual employee's end of year performance evaluation, which takes into account the entire year, and will vary among employees based on their total score.

PROMOTION PAY

When an employee is promoted to a position in a grade having a higher minimum salary, the employee's salary will be adjusted as follows:

- If the employee's current salary is less than the minimum salary, the employee's salary will be increased to the minimum salary for the grade or a 5% salary increase; whichever is greater.
- If the employee's current salary is more than the minimum salary of the new grade, the employee will receive a five percent (5%) salary increase.

No increases will exceed the maximum salary of the grade or the amount allowed by the budget.

Discretion may be used by the Department Head to increase the wage more than five percent (5%), so long as the rate does not exceed the maximum salary of the grade.

Promotion pay is subject to Human Resources and City Administrator review and approval.

When an employee is promoted, the employee shall not be eligible for a merit increase for a period of six (6) months from the time of the promotion and the successful completion of the probationary period.

TRANSFER

When an employee is transferred between departments and divisions of the organization or between positions within the same grade, their salary rate can differ or can remain unchanged. This decision will be made at the discretion of the Department Head of the department of which the employee will be transferred.

TEMPORARY
ASSIGNMENT TO A
HIGHER LEVEL

Temporary assignment is defined as assignment to a vacant position. A temporary assignment does not include filling in for an employee on vacation, etc.

When you are assigned temporarily to work in a regular position in a grade with a higher maximum salary than your own, you shall be compensated at the minimum rate established for the higher grade.

If your salary equals or is greater than the minimum salary of the higher grade, a minimum of a five percent (5%) increase salary differential will be paid for the temporary assignment to a higher-level position..

INVOLUNTARY
DEMOTION

When you are involuntarily demoted for disciplinary or similar reasons from a position in one grade to a position in a grade having a lower maximum salary rate, your salary shall be reduced to be within the pay range established for the position to which you are demoted. This decision is left to the discretion of your Department Head.

You shall not be eligible for promotion or a salary increase for a period of one (1) year from the time of demotion.

VOLUNTARY
DEMOTION

When you are voluntarily demoted from a position in one grade to a position in a grade having a lower pay range, your rate of pay will be adjusted accordingly within the pay range of the lower grade.

SALARY
REDUCTION

A Department Head may request, for cause, the reduction of your salary within your assigned pay range.

Such a reduction shall not cause your salary to fall below the minimum pay for the position and shall be approved by the City Administrator.

NOTIFICATION OF
PAY DEDUCTION

Notice of intention to request a reduction in pay and the reasons for such action shall be given to you and to the City Administrator not less than thirty (30) calendar days prior to the proposed affected date of salary reduction.

APPEAL TO THE
CITY
ADMINISTRATOR

You may appeal in writing to the City Administrator for a meeting within five (5) calendar days of notice of change in salary.

The City Administrator shall hear matters pertinent to the change. The City Administrator shall forward one (1) copy of the course of action she/he intends to follow to you and one (1) copy to the Department Head.

The City Administrator's course of action is final.

PAY ADJUSTMENT DATES

INTRODUCTION The effective date of any salary adjustments shall be submitted at budget time and approved by the Board of Aldermen.

FAMILY AND MEDICAL LEAVE (FMLA)

PURPOSE The City of Grain Valley will grant family and medical leave in accordance with the requirements of applicable law in effect at the time the leave is granted. This policy is established in compliance with the Federal Family and Medical Leave Act of 1993 (FMLA).

ELIGIBILITY

1. To be eligible for FMLA Leave benefits, employees must: Have worked for the City of Grain Valley for a total of 12 months
2. Have worked at least 1,250 hours over the previous 12 months.

Note: The 12-month period will be measured backward from the date the leave was requested.

REASONS FOR FMLA LEAVE

When you are eligible, you may take FMLA leave for one of the following reasons:

1. The birth, adoption or foster care of an employee's child within 12 months following birth or placement of the child (Bonding Leave);
2. To care for an immediate family member (spouse, child, or parent with a serious health condition (Family Care Leave);
3. An employee's inability to work because of a serious health condition (Serious Health Condition Leave);
4. A "qualifying exigency," as defined under the FMLA, arising from a spouse's, child's, or parent's "covered active duty" (as defined below) as a member of the military reserves, National Guard or Armed Forces (Military Emergency Leave); or
5. To care for a spouse, child, parent or next of kin (nearest blood relative) who is a "Covered Servicemember," as defined below (Military Caregiver Leave).

DEFINITIONS

“Child” for purposes of Bonding Leave and Family Care Leave, means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability at the time that Family and Medical Leave is to commence. “Child,” for purposes of Military Emergency Leave and Military Caregiver Leave, means a biological, adopted or foster child, stepchild, legal ward, or a child for whom the person stood in loco parentis, and who is of any age.

“Parent” for purposes of this policy, means a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the person. This term does not include parents-in-law. For Military Emergency leave taken to provide care to a parent of a deployed military member, the parent must be incapable of self-care as defined by the FMLA.

“Covered Active Duty” means (1) in the case of a member of a regular component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country; and (2) in the case of a member of a reserve component of the Armed Forces, duty during the deployment of the member with the Armed Forces to a foreign country under a call or order to active duty (or notification of an impending call or order to active duty) in support of a contingency operation as defined by applicable law.

“Covered Servicemember” means (1) a member of the Armed Forces, including a member of a reserve component of the Armed Forces, who is undergoing medical treatment, recuperation or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness incurred or aggravated in the line of duty while on active duty that may render the individual medically unfit to perform their military duties, or (2) a person who, during the five (5) years prior to the treatment necessitating the leave, served in the active military, Naval, or Air Service, and who was discharged or released therefrom under conditions other than dishonorable (a “veteran” as defined by the Department of Veteran Affairs), and who has a qualifying injury or illness incurred or aggravated in the line of duty while on active duty that manifested itself before or after the member became a veteran.

“Spouse” means the other person with whom an individual entered into marriage as defined or recognized under state law for purposes of marriage in the state in which the marriage was entered into, or, in the case of a marriage entered into outside of any state, if the marriage is valid in the place where entered into and could have been entered into in at least one State. This includes common law marriage and same sex marriage in places where these marriages are recognized.

“Key employee” means a salaried FMLA-eligible employee who is among the highest paid 10 percent of all the employees employed by the employer within 75 miles of the employee's worksite.

LENGTH OF LEAVE

The maximum amount of FMLA Leave will be 12 workweeks in any 12-month period when the leave is taken for: (1) Bonding Leave; (2) Family Care Leave; (3) Serious Health Condition Leave; and/or (4) Military Emergency Leave. However, if both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 12 workweeks off between the two of them when the leave is for Bonding Leave or to care for a parent using Family Care Leave. The applicable "12-month period" utilized by the City is the 12-month period measured backward from the date the leave was requested.

The maximum amount of FMLA Leave for an employee wishing to take Military Caregiver Leave will be a combined leave total of 26 workweeks in a single 12-month period. A "single 12-month period" begins on the date of the employee's first use of such leave and ends 12 months after that date.

If both spouses work for the City and are eligible for leave under this policy, the spouses will be limited to a total of 26 workweeks off between the two when the leave is for Military Caregiver Leave only or is for a combination of Military Caregiver Leave, Bonding Leave and/or Family Care Leave taken to care for a parent.

To the extent required by law, some extensions to leave beyond an employee's FMLA entitlement may be granted when the leave is necessitated by an employee's work-related injury or illness or by a "disability" as defined under the Americans with Disabilities Act and/or applicable state or local law. Certain restrictions on these benefits may apply.

INTERMITTENT OF
REDUCED
SCHEDULE LEAVE

Under some circumstances, employees may take FMLA Leave intermittently, which means taking leave in blocks of time, or by reducing the employee's normal weekly or daily work schedule. An employee may take leave intermittently whenever it is medically necessary to care for a seriously ill family member, or because the employee is seriously ill and unable to work.

Leave taken intermittently may be taken in increments of no less than one quarter. Employees who take leave intermittently or on a reduced work schedule basis for a planned medical treatment must make a reasonable effort to schedule the leave so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment. If FMLA Leave is taken intermittently or on a reduced schedule basis due to foreseeable planned medical treatment, we may require employees to transfer temporarily to an available alternative position with an equivalent pay rate and benefits, including a part-time position, to better accommodate recurring periods of leave.

If an employee's request for intermittent leave is approved, the City may later require employees to obtain recertification of their need for leave. For example, the City may request recertification if it receives information that casts doubt on an employee's report that an absence qualifies for FMLA Leave.

NOTICE AND
CERTIFICATION

BONDING, FAMILY
CARE, SERIOUS
HEALTH CONDITION
AND MILITARY
CAREGIVER LEAVE
REQUIREMENTS

Employees are required to provide:

- When the need for the leave is foreseeable, 30 days advance notice or such notice as is both possible and practical if the leave must begin in less than 30 days (normally this would be the same day the employee becomes aware of the need for leave or the next business day);
- When the need for leave is not foreseeable, notice within the time prescribed by the City's normal absence reporting policy, unless unusual circumstances prevent compliance, in which case notice is required as soon as is otherwise possible and practical;
- When the leave relates to medical issues, a completed Certification of Health-Care Provider form within 15 calendar days (for Military Caregiver Leave, an invitational travel order or invitational travel authorization may be submitted in lieu of a Certification of Health-Care Provider form);
- Periodic recertification (upon request); and
- Periodic reports during the leave.

Certification forms are available from Human Resources. At our expense, we may require a second or third medical opinion regarding the employee's own serious health condition or the serious health condition of the employee's family member. In some cases, we may require a second or third opinion regarding the injury or illness of a Covered Service Member. Employees are expected to cooperate with the City in obtaining additional medical opinions that we may require.

When leave is for planned medical treatment, employees must try to schedule treatment so as not to unduly disrupt the City's operations. Please contact Human Resources prior to scheduling planned medical treatment.

RECERTIFICATIONS
AFTER GRANT OF
LEAVE

In addition to the requirements listed above, if an employee's Family and Medical Leave is certified, the City may later require medical recertification in connection with an absence that the employee reports as qualifying for Family and Medical Leave. For example, the City may request recertification if (1) the employee requests an extension of leave; (2) the circumstances of the employee's condition as described by the previous certification change significantly (e.g., employee absences deviate from the duration or frequency set forth in the previous certification; employee's condition becomes more severe than indicated in the original certification; employee's encounter complications); or (3) the City receives information that casts doubt upon the employee's stated reason for the absence. In addition, the City may request recertification in connection with an absence after six months have passed since the employee's original certification, regardless of the estimated duration of the serious health condition necessitating the need for leave. Any recertification requested by the City will be at the employee's expense.

MILITARY
EMERGENCY LEAVE
REQUIREMENTS

Employees are required to provide:

As much advance notice as is reasonable and practicable under the circumstances;

A copy of the covered military member's active duty orders when the employee requests leave and/or documentation (such as Rest and Recuperation leave orders) issued by the military setting forth the dates of the military member's leave; and

A completed Certification of Qualifying Exigency form within 15 calendar days, unless unusual circumstances exist to justify providing the form at a later date.

Certification forms are available from Human Resources Division.

FAILURE TO
PROVIDE
CERTIFICATION AND
TO RETURN FROM
LEAVE

Absent unusual circumstances, failure to comply with these notice and certification requirements may result in a delay or denial of the leave. If an employee fails to return to work at leave's expiration and has not obtained an extension of the leave, the City may presume that the employee does not plan to return to work and has voluntarily terminated their employment.

COMPENSATION
DURING LEAVE

Generally, FMLA Leave is unpaid. However, the City will require employees to use accrued paid leave to cover all of the FMLA leave, using personal leave first, then sick leave, then vacation leave prior to any unpaid leave. The use of paid benefits will not extend the length of a FMLA Leave.

BENEFITS DURING
LEAVE

The City will continue making contributions to employee group health benefits during their leave on the same terms as if employees had continued to actively work. This means that if employees want their benefits coverage to continue during their leave, they must also continue to make the same premium payments that they are now required to make for themselves or their dependents. Employees taking Bonding Leave, Family Care Leave, Serious Health Condition Leave, and Military Emergency Leave will generally be provided with group health benefits for a 12 workweek period. Employees taking Military Caregiver Leave may be eligible to receive group health benefits coverage for up to a maximum of 26 workweeks. In some instances, the City may recover premiums it paid on the employee's behalf to maintain health coverage if the employee fails to return to work following a FMLA Leave.

The employee's length of service as of the leave will remain intact, but accrued benefits such as vacation and sick leave will not accrue while on an unpaid FMLA Leave.

JOB
REINSTATEMENT

Under most circumstances, employees will be reinstated to the same position they held at the time of the leave or to an equivalent position with equivalent pay, benefits, and other terms and conditions of employment. However, employees have no greater right to reinstatement than if they had been continuously employed rather than on leave. For example, if an employee would have been laid off if they had not gone on leave or, if the employee's position was eliminated during the leave, then the employee will not be entitled to reinstatement.

CONFIDENTIALITY

Documents relating to medical certifications, recertifications or medical histories of employees or employees' family members will be maintained separately and treated by the City as confidential medical records, except that in some legally recognized circumstances, the records (or information in them) may be disclosed to supervisors and managers, first aid and safety personnel or government officials.

FRAUDULENT USE OF FMLA PROHIBITED An employee who fraudulently obtains Family and Medical Leave from the City is not protected by FMLA’s job restoration or maintenance of health benefits provisions. In addition, the City will take all available appropriate disciplinary action against such employee due to such fraud.

NONDISCRIMINATION The City takes its FMLA obligations very seriously and will not interfere, restrain or deny the exercise of any rights provided by the FMLA. We will not terminate or discriminate against any individual for opposing any practice, or because of involvement in any proceeding related to the FMLA. If an employee believes their FMLA rights have been violated in any way, they should immediately report the matter to Human Resources.

COMMISSIONED
POLICE OFFICERS

Commissioned Police Officers shall receive eight hours pay for each recognized holiday, and shall additionally be paid time-and-one-half for all hours actually worked on any holiday.

LEAVES OF ABSENCE

POLICY

This policy is reserved for extraordinary and unusual circumstances. Requests for leave will be considered and evaluated on an individual basis. The City Administrator may grant a leave of absence without pay for up to 180 days.

Approval or denial of such requests will be entirely at the City's discretion. In determining the feasibility of granting such requests, factors such as the purpose of requested leave, availability of coverage for job responsibility during the requested leave, previous absences, length of employment, prior work records and performance and similar considerations, will be considered. Such requests must be submitted to the City Administrator.

RETURNING TO WORK

Upon expiration of leave without pay, you shall return to work in the position held at the time leave was granted, or to any other similar vacant position.

FAILURE TO RETURN TO WORK

Your failure, without good cause, to report promptly when leave has expired shall be considered a voluntary resignation of employment.

WORKERS' COMPENSATION

POLICY

When work-related accidents, injuries or illnesses occur, employees may be eligible for workers' compensation insurance benefits. The City provides a comprehensive workers' compensation insurance program at no cost to employees and in accordance with applicable state law. This program covers most injuries or illnesses, sustained in the course of employment, that require medical, surgical, or hospital treatment. Subject to applicable legal requirements, workers' compensation insurance provides benefits or, if the employee is hospitalized, treatment immediately.

Employees who sustain a work-related injury or illness should inform their supervisor or Department Head immediately. No matter how minor an on-the-job injury may appear, it is important that it be reported immediately. This will enable an eligible employee to qualify for coverage. This procedure must be followed whether the accident occurred on or off City of Grain Valley premises.

FAILURE TO REPORT AN ACCIDENT OR INJURY

Failure to report immediately any accident involving a work-related injury or illness may result in discipline, up to and including termination of employment.

POST-ACCIDENT DRUG/ALCOHOL TEST

At the discretion of your Department Head, the Risk Manager or the City Administrator, you may be required to take a post-accident drug and alcohol test at the time of a work related injury and/or illness.

Should you be required to perform a post-accident drug/alcohol test, under no circumstances are you allowed to drive yourself to the medical facility performing the test.

NO DISCRIMINATION OR RETALIATION

The City of Grain Valley does not discriminate or retaliate against employees for having filed Workers' Compensation claims.

RETURN TO WORK/
LIGHT-DUTY
COMPENSATION

Employees who are ready to return to work following a workers' compensation-related leave of absence must supply a certification from a health care provider confirming the employee's ability to return to work.

To ensure that employees are able to perform their duties safely, the City may require individuals to undergo both post-job offer and post-employment medical examinations for certain positions or under certain circumstances. Such examinations will comply with applicable law, including the requirements of the Americans with Disabilities Act and FMLA

If you are placed on light duty or part-time duty, as determined by a health care provider, and you perform assigned work duties for the City of Grain Valley, your time will be recorded as actual time worked and you will be paid accordingly.

If you are placed on light duty or part-time duty, as determined by physician health care provider, and you choose not to perform assigned work duties for the City of Grain Valley, you will be required to take sick or vacation time.

Light duty may not be available for employees working in certain positions.

LEAVES OF
ABSENCE/ACCOMMODATION

Employees who need to take time off from work due to a workers' compensation illness or injury may also be eligible for a leave of absence under the City's leaves of absence or reasonable accommodation policies. Employees should consult with Human Resources for additional information.

ADDITIONAL
INFORMATION

Further details on workers' compensation is available upon request from Human Resources.

ATTENDANCE & PUNCTUALITY

INTRODUCTION Prompt and regular attendance is key to the efficient operation of the City of Grain Valley and is considered an essential function of every employee's job.

When you are absent, schedules and customer commitments fall behind, and other employees must assume added workloads. To limit problems caused by employees' unapproved absences, we have adopted the following policy.

Employees are expected to report to work as scheduled, be on time and be prepared to start work. Employees are also expected to remain at work for their entire work schedule, except for meal or break periods, or when required to leave on authorized City business or other authorized reason. Unapproved late arrivals, early departures or other absences from scheduled hours are disruptive and must be avoided.

NOTIFICATION Notification of an absence or tardiness should occur as soon as you know you will not be able to attend work or will be late.

In any event, if an employee is unable to report for work on any particular day, they must notify their supervisor or Department Head at least thirty (30) minutes prior to the scheduled start time of your shift (unless it is impossible to do so, in which case you must call as soon as possible thereafter). Employees who need to leave early must notify their supervisor or Department Head as soon as they learn that they will not be able to complete their scheduled shift. The City may inquire about the general reason for an absence, tardiness or early departure.

Failure to provide the notification required by this Policy may result in disciplinary action up to and including termination of employment.

EMPLOYEE RESPONSIBILITY Except in cases of emergency, you are responsible for reporting unscheduled absences yourself rather than having family or friends do so for you.

You must speak to your supervisor or Department Head to properly notify the City of your absence.

ABSENCES EXTENDING MORE THAN ONE DAY Unless extenuating circumstances exist, employees must call in on each and every scheduled day on which they will not report to work, unless they are on an approved leave of absence.

ABSENCES IN
EXCESS OF THREE
(3) CONSECUTIVE
DAYS

Any absence in excess of three (3) or more days may require a doctor's release to return to work.

EXCESSIVE
ABSENTEEISM &
TARDINESS

Excessive absenteeism or tardiness may result in disciplinary action up to and including termination of employment, unless the absence or tardiness is excused or approved. The following are examples of types of time off that will not be considered grounds for disciplinary action under this policy:

- Time off that was previously approved, including vacation and sick leave;
- Approved state and federal leaves of absence, including but not limited to jury duty leave, military leave, leave protected under the Family and Medical Leave Act or similar state laws, and time off or leave specifically approved by the City as an accommodation under the Americans with Disabilities Act or similar state laws; and/or
- Time off due to a work-related injury that is covered by workers' compensation.

Each situation of absenteeism, tardiness or early departure will be evaluated on a case-by-case basis. Even one unexcused absence or tardiness may be considered excessive, depending upon the circumstances. However, the City will not subject employees to disciplinary action or retaliation for an absence, tardiness or early departure for which discipline may not be imposed under applicable law. If the employee believes that an absence, tardiness or early departure is (or should be) excused pursuant to applicable law, the employee should notify their supervisor, Department Head, or Human Resources of this fact as soon as possible, but no later than at the time of the absence, tardiness or early departure. (For the required timing of an employee's notice of the need for a foreseeable leave of absence, see the applicable leave policy). If an employee believes they have mistakenly been subject to disciplinary action for an absence, tardiness or early departure that the employee believes is or should be excused/approved, the employee should promptly discuss the matter with their supervisor, Department Head, or Human Resources. The City will investigate the situation and any errors will be corrected.

NO CALL/NO SHOW An employee's failure to report for work without any notification (No Call/No Show) Not reporting to work and not calling to report the absence is a no call/no show and is a serious matter.

An employee who fails to report for work without any notification to their supervisor or Department Head will be subject to disciplinary action, up to and including termination, on the first occasion of any such absence. An employee who fails to report for work without any notification to their supervisor or Department Head and whose absence continues for a period of two (2) days will be considered to have abandoned and voluntarily terminated their employment, absent extraordinary circumstances.

UNEXCUSED ABSENCE An unexcused absence for non-exempt employees is defined as any time off from a regularly scheduled shift that has not been approved seventy-two (72) hours in advance as an excused absence.

Consecutive day's absences are counted as one absence.

ADDITIONAL INFORMATION Employees should contact Human Resources with any questions about this Policy.

MILITARY LEAVE

POLICY

A military leave of absence will be granted to employees who are absent from work because of service in accordance with the Uniformed Services Employment and Re-employment Rights Act (“USERRA”) and applicable state laws.

The City provides unpaid military leaves of absence to employees who serve in the uniformed services as required by USERRA and applicable state laws. The uniformed services are defined as the Army, Navy, Marine Corps, Air Force, Coast Guard, Army National Guard, Air National Guard, Commissioned Corps of the Public Health Service and any other category of persons designated by the President of the United States in time of war or national emergency. The uniformed services also include participants in the National Disaster Medical System when activated to provide assistance in response to a public health emergency, to be present for a short period of time when there is a risk of a public health emergency, or when they are participants in authorized training.

Service consists of performing any of the following on a voluntary or involuntary basis: active duty, active duty for training, initial active duty, inactive duty training, full time National Guard duty, absence from work for an examination to determine fitness for such duty, and absence for performing funeral honors duty. Total military leave time may not exceed five years during employment, except in certain, defined circumstances.

ADVANCE NOTICE

Advance notice of military service is required, preferably in writing, unless military necessity prevents such notice or it is otherwise impossible or unreasonable (which is defined by the United States Department of Defense). When notice is required, employees must provide their supervisor or Department Head with as much advance notice as possible of any anticipated leave of absence for military service.

PAY

If you are required to fulfill an annual military service obligation, you will be granted time off, and the City of Grain Valley shall pay the difference in wages between the active duty pay and your regular income for a period of up to one-hundred twenty (120) hours.

VACATION AND COMPENSATORY TIME

When on a military leave of absence, you may use any available personal time, vacation time or compensatory time for the absence.

HEALTHCARE
CONTINUATION

Accrued, unused vacation or leave will be paid during military leave at the employee's request. After 30 days of continuous military leave, employees may elect to continue their health plan coverage at their own expense, for up to 24 months or during the remaining period of service, whichever is shorter.

REINSTATEMENT

In order to be eligible for reinstatement, an employee must have provided advance notice of the need for military leave (where required) and have completed service on a basis that is not dishonorable or otherwise prohibited under USERRA.

Employees whose military service will be for fewer than 31 days must report to back to work at the beginning of the first full, regularly scheduled work day following completion of service, after allowing for a period of safe travel home and eight hours of rest.

Employees whose military service will be for more than 30 days, but fewer than 181 days must apply for re-employment within 14 days after completing service.

Employees whose service is greater than 180 days must apply for re-employment within 90 days after completing service.

As with other leaves of absence, failure to return to work or to reapply within applicable time limits may result in loss of reemployment rights. Full details regarding reinstatement are available from Human Resources.

In general, an employee returning from military leave will be re-employed in the position and seniority level that the employee would have attained had there been no military leave of absence. If necessary, the City will provide training to assist the employee in the transition back to the workforce.

Vacation benefits do not continue to accrue during a military leave of absence. An employee returning from military leave is entitled to any unused, accrued vacation benefits the employee had at the time the military leave began minus any vacation benefits the employee chose to use during the leave. Upon reinstatement, the employee will begin to accrue vacation benefits at the rate they would have attained if no military leave had been taken.

FAILURE TO
RETURN FROM
LEAVE

If an employee takes leave and fails to return after the period to which the employee is entitled has expired, for a reason other than the continuation, recurrence, or onset of the domestic or sexual abuse that entitled the employee to leave or other circumstances beyond the control of the employee, the City may recover from the employee the premium the City paid for maintaining coverage for the employee and any covered family or household members under the City's group health plan during such period of leave.

If an employee claims they are unable to return to work for one of the aforementioned reasons, the City may require the employee to, within a reasonable period after making the claim, certify to the City that the employee is unable to return because of that reason by providing the City with:

- A sworn statement of the employee;
- Documentation from a source from whom the employee or family or household member sought assistance;
- A police report or court record; or
- Other corroborating evidence.

Retaliation against employees for use of leave is prohibited.

SUMMARY

Employees who themselves are victims, or have a family or household member who is a victim of domestic or sexual violence are allowed to take a period of unpaid leave from work to address such violence for one of the aforementioned reasons.

The victims of domestic or sexual violence leave allowed does not supersede any provision of any federal, state, or local law, collective bargaining agreement, or employment benefits program or plan that provides greater leave benefits or provide leave benefits for a larger class of victims.

The policy does not create a right for an employee to take unpaid leave in excess of that allowed under the FMLA.

VOTING TIME

INTRODUCTION For Federal, State, and Municipal elections, you are encouraged to exercise your right to vote.

REQUESTING TIME TO VOTE Generally, working hours are such that an employee will have ample time to cast a vote before or after the work shift. If an employee does not have sufficient time to vote, however, that employee should discuss the matter with a supervisor to request time off to vote prior to the day of the election. The City will comply with all applicable state and municipal voting time laws.

BACKGROUND	See Traffic Studies	
SPECIAL NOTES		
ANALYSIS	N/A	
PUBLIC INFORMATION PROCESS	The Police Department requested restricting parking within 30 feet of the intersection because the cars parked Mary and Erin Courts within the 30 feet interfered with traffic trying to enter the Mary and Erin Courts from Greystone Blvd. The attached letter was placed on the door of the residents shown on the attached maps (4 closest buildings to the intersection). No feedback was received from the letters.

Traffic Study Conducted at Erin Court and Greystone Blvd. For “No Parking Here to Corner”

Background:

Erin Court is located in Greystone Place off of Greystone Blvd. Greystone Blvd. is classified as a residential collector and provides the major access to all of the Greystone development. Erin Court is the first turn off of Greystone Court to the north upon entering the Greystone development.

The police department requested that parking be restricted on Mary Court near the intersection as vehicles tended to park right at the intersection. Since Erin Court is across from Mary Court and has an identical situation, a study was performed on Erin Court identical to the study performed on Mary Court. When a vehicle is parked at the intersection and a second vehicle is stopped at the stop sign, there is insufficient room for a third vehicle to enter Erin Court. This problem can cause congestion at the intersection.

Data Collection:

The attached letter was delivered to the 4 buildings closest to the intersection requesting comments concerning the proposed parking restriction. To date no comments have been received.

Standards:

Section 355.010 A.1.c. prohibits parking “Within an intersection”

Section 355.020 states that “No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic.”

Section 355.080 A. states “The City Traffic Engineer is hereby authorized to determine and designate by proper signs places not exceeding one hundred (100) feet in length in which stopping, standing or parking would create an especially hazardous condition or would cause unusual delay to traffic.”

Analysis:

Section 355.010 A.1.c prohibits parking "Within an intersection."

Within the intersection is not defined, however, parking at the intersection causes the same types of problems. Delaying the flow of traffic at the intersection.

Section 355.020 states that "No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic."

The pavement at the intersection is approximately 22 feet wide. Vehicles are approximately 8 feet wide. So with a vehicle parked and another stopped for the stop sign, vehicles entering Erin Court would only have 6 feet of clearance.

Section 355.080 A. states "The City Traffic Engineer is hereby authorized to determine and designate by proper signs places not exceeding one hundred (100) feet in length in which stopping, standing or parking would create an especially hazardous condition or would cause unusual delay to traffic."

An especially hazardous condition may not be created by this situation but hazards are evident. During peak evening hours when residents are returning home delays could be present as vehicles wait to clear the intersection.

Conclusions and Recommendations:

Restricting parking within 30 feet of the intersection will allow traffic to flow freely when a vehicle is stopped at the intersection. Section 355.010 A.2.d already prohibits parking within 30 feet of the approach to a stop sign. Since no comments were received in opposition to the placement of the sign, it is recommended that a "No Parking Here to Corner" sign be placed 30 feet south of the intersection.

Traffic Study Conducted at Mary Court and Greystone Blvd. For “No Parking Here to Corner”

Background:

Mary Court is located in Greystone Place off of Greystone Blvd. Greystone Blvd. is classified as a residential collector and provides the major access to all of the Greystone development. Mary Court is the first turn off of Greystone Court upon entering the Greystone development.

The police department requested that parking be restricted on Mary Court near the intersection as vehicles tended to park right at the intersection. When a vehicle is parked at the intersection and a second vehicle is stopped at the stop sign, there is insufficient room for a third vehicle to enter Mary Court. This problem can cause congestion at the intersection.

Data Collection:

The attached letter was delivered to the 4 buildings closest to the intersection requesting comments concerning the proposed parking restriction. To date no comments have been received.

Standards:

Section 355.010 A.1.c. prohibits parking “Within an intersection”

Section 355.020 states that “No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic.”

Section 355.080 A. states “The City Traffic Engineer is hereby authorized to determine and designate by proper signs places not exceeding one hundred (100) feet in length in which stopping, standing or parking would create an especially hazardous condition or would cause unusual delay to traffic.”

Analysis:

Section 355.010 A.1.c prohibits parking "Within an intersection."

Within the intersection is not defined, however, parking at the intersection causes the same types of problems. Delaying the flow of traffic at the intersection.

Section 355.020 states that "No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic."

**BOA STAFF REPORT
GREYSTONE PLAZA 2nd PLAT
NOVEMBER 22, 2021**

ACTION: Requesting approval of the Final Development Plan and Final Plat for Greystone Plaza 2nd Plat. The property is generally located at the northeast corner of Buckner Tarsney Road and NE Greystone Blvd.

BACKGROUND: The Board of Aldermen approved Ordinance 2548 on June 28, 2021 that changed the zoning on approximately 5.12 acres from District C-2 (General Business) to R-3P (Multi-Family Residential District – Planned Overlay District) and a change of zoning on approximately 1.92 acres from District C-2 (General Business) to District C-2P (General Business – Planned Overlay District) and approval of Preliminary Development Plan for Greystone West Tract A.

The Ordinance included approval of the recommendation and conditions from the Planning and Zoning Commission. The Commission approved the Preliminary Development Plan with the condition that a landscape berm be added on the west side of the four-plex building on Shale Court closest to Buckner Tarsney Road.

The Final Plat is a replat of Tract A, Greystone Plaza, a subdivision in Grain Valley. The property owner is JEHK, LLC.

PURPOSE: The development consists of 13 four plex buildings that will contain a total of 52 units. In District R-3, this development would be required to have 2,680 square feet of play or open space. There will be over 2.5 acres or 112,820 square feet of green space available for play or open space. In addition to the four plex buildings, the applicant is proposing 3 retail/office buildings one 4,200 square foot and two 4,800 square foot buildings for a total of 13,800 square feet of retail space.

ANALYSIS: The final development plan is identical to the preliminary development plan and complies with the requirements of the City's land use regulations.

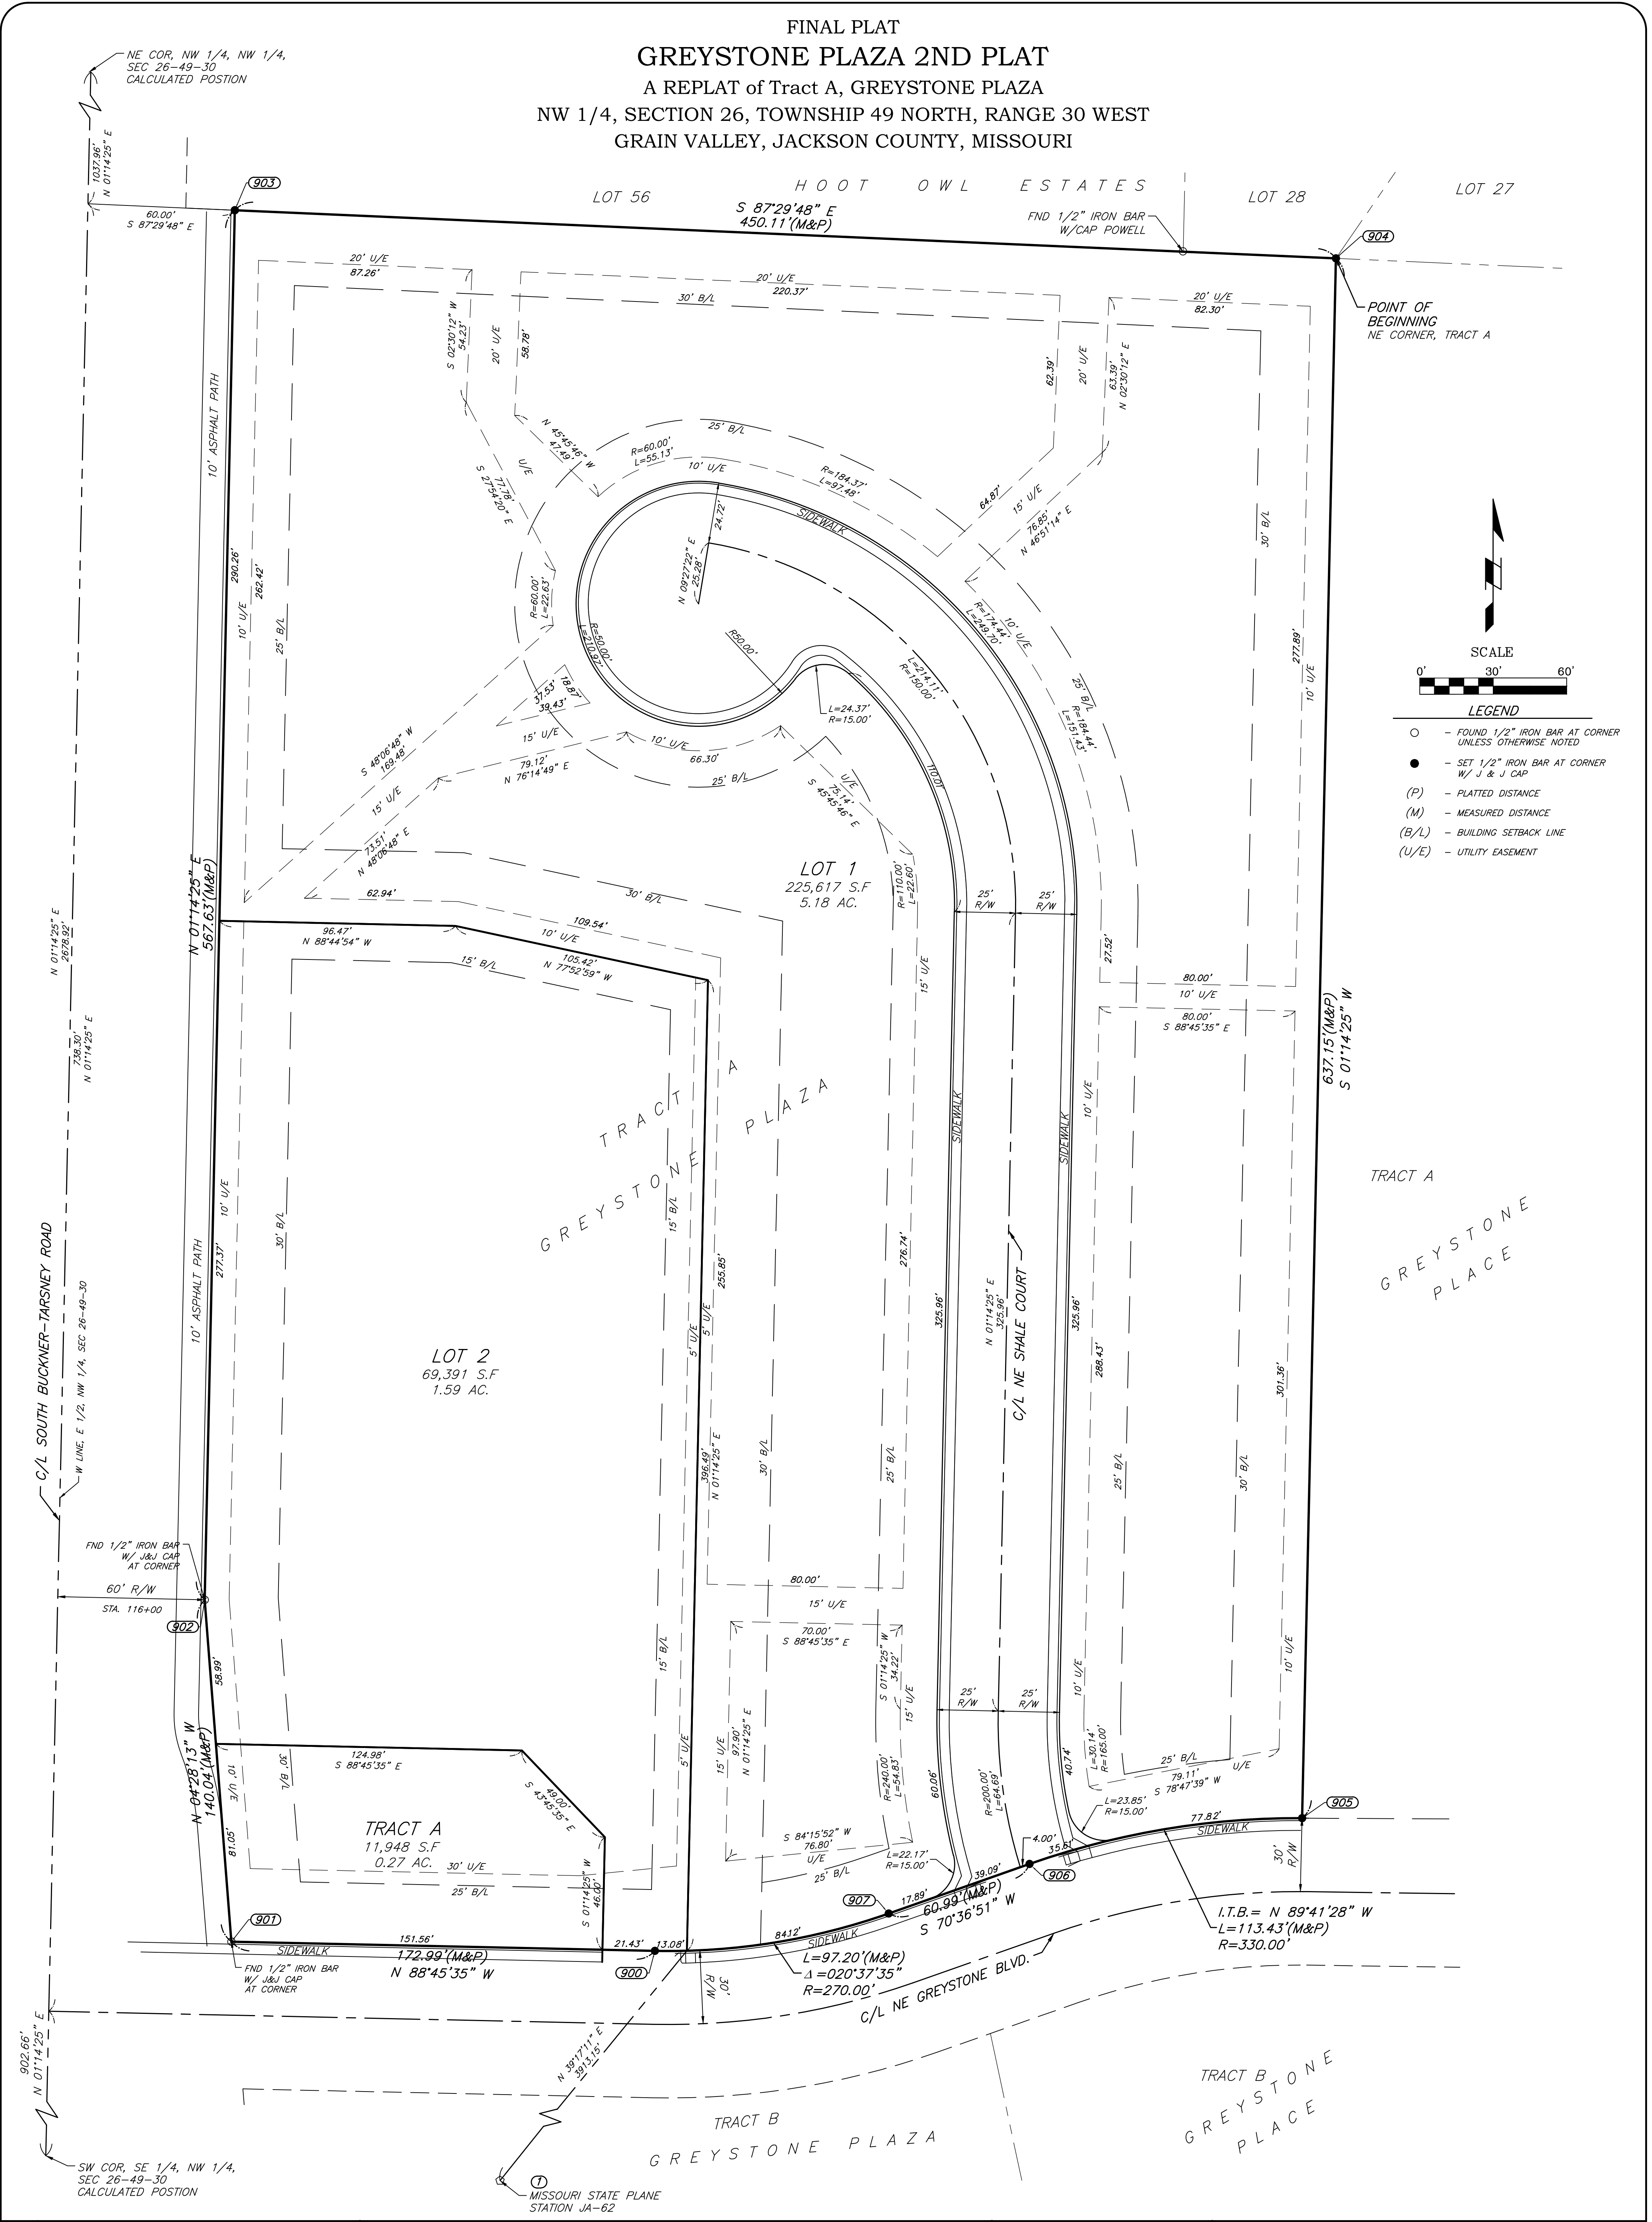

The final plat, Greystone Plaza 2nd Plat, meets all requirements of the City's subdivision regulations.

PLANNING AND ZONING COMMISSION: The Commission reviewed the final plan and plat at their November 10th meeting and recommends approval to the BOA.

ANALYSIS	N/A	

<p>PUBLIC INFORMATION PROCESS</p>	<p>Ordinance 1308 passed by the Board of Alderman on January 24, 2000 included a change to Table IV-A Prohibited Parking that included Cross Creek Drive from Ryan Road to Sni-A-Bar Blvd. However, the No Parking signs were never placed. Upon learning of this requirement, staff placed the “No Parking” signs. Immediately requests began to remove the requirement or allow parking during certain time. Staff completed a traffic study between November 12, 2021 and November 22, 2021 to determine when should “No Parking” restrictions be in place. The results of the study show that if parking restrictions were in place from 7 am to 7 pm on weekdays (except for designated holidays), traffic would be allowed flow freely and without restriction during the morning and evening rush hours.</p>

Traffic Study Conducted at Cross Creek Drive from Ryan Road to Sni-A-Bar Boulevard For “No Parking”

Background:

Cross Creek Drive from Ryan Road to Sni-A-Bar Boulevard is 36-foot-wide Collector Street. Cross Creek Drive currently is listed in in Table IV-A Parking Prohibited of Title III of the Traffic Code. This section of Cross Creek Drive was placed in Table IV-A by Ordinance 1308 which was approved by the Board of Alderman on January 24, 2000. Staff was recently made aware that the No-Parking signs were not installed and had them installed to comply with the Code of Ordinances. Since the signs were not there originally several requests have been made to revisit the need for “No Parking” on this section of roadway.

Data Collection:

A traffic counter was set out on November 12, 2021 to determine the high traffic times and speeds so we could determine if the “No Parking” requirement could be changed or limited. The counter was retrieved on November 22, 2021. Staff wanted to be sure to cover the weekend period to ensure that on street parking wouldn’t interfere with high traffic times.

Standards:

Currently there is only one standard that applies to this situation on Cross Creek Drive.

Section 355.020 states that “No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic.”

However, as a rule on street parking on Collector streets is discouraged due to the higher traffic volumes on Collector streets.

Analysis:

Section 355.020 states that “No person shall park any vehicle upon a street, other than an alley, in a manner or under such conditions as to leave available less than ten (10) feet of width for free movement of vehicular traffic.”

The pavement at this location is approximately 34 feet wide. When 2 vehicles are parked across from each other, approximately 15 feet is available between them. So, this standard is met.

Traffic Analysis:

The traffic information gathered during the November 12, 2021 to November 22, 2021 traffic data collection reveals:

1. Weekday high traffic volumes occurred between 7 am to 10 am and 3 pm to 8 pm. Traffic volumes varied from 100 to 200 vehicles per hour during this time.
2. Weekend high traffic volumes occurred only from 3 pm to 8 pm. However, these traffic volumes were approximately half of those during weekdays with the highest volumes experienced on Sunday afternoons.
3. The 85th percentile speed for the traffic on Cross Creek averages between 32 and 36 mph, but the speed limit is 25 mph.
4. Analysis of speeding vehicles indicates that nearly every vehicle is speeding.
5. The highest speeds were registered during the morning rush hour on weekdays.

Conclusions and Recommendations:

Based on the above analysis, “No Parking” could be restricted to weekdays from 7 am to 7 pm except holidays. Since there hasn’t been a parking restriction for many years this restriction should free up road conditions during the morning and evening rush hours but still allow parking during periods of lower traffic volumes.

Based on most requests received after the parking restrictions were put in place, the above recommendation is a reasonable compromise. Based on all the above data, I recommend allowing parking on weekends, holidays and before and after weekday work hours.

**BOA STAFF REPORT
HOOKERS TOWING
DECEMBER 13, 2021**

PURPOSE: Requesting a Conditional Use Permit for a vehicle tow yard on approximately 0.5-acre lot. The property is zoned District M-1 (Light Industrial). The 0.5-acre is generally located less than ½ mile east of Buckner Tarsney Road on the south side of James Rollo Drive at the end of James Rollo Lane, aka 511 NE James Rollo Drive.

ANAYLSIS: The applicant leases the property from Schneider Bailey, Inc. The term if the lease agreement is one year. The lease agreement stipulates that the applicant can use and occupy the property only as a tow lot.

Referencing the applicant's written description of request, he states that primary use of the property will be the business office and dispatching calls to drivers. The applicant would like to store up to 35 towed vehicles or vehicles owned by Hookers Towing LLC. This will be used as a storage facility only.

The applicant further states that most vehicles that are towed to this site with collision damage will be there for a short time waiting on insurance viewing and then towed to another location. He states that they will not be "junking or parting" the vehicles on this property.

The applicant is going to provide a secure 8-foot fence to secure the front of the building from street view. Photographs show the property and the existing chain link fence with barb wire at top.

In Section 400.240 1. ab. (Conditional Uses) of the City's Zoning Regulations, it states that the towing yard must be shielded from view from streets and from adjacent properties in another district by means of a sturdy, sight-obscuring eight (8) foot high fence in good repair and two (2) rows of alternate planted evergreen trees for screening purposes.

The surrounding properties are zoned District M-1 (Light Industrial) therefore, a privacy fence is not required along generally the south, west, and north property lines. The opaque fence is only required along the front property line to shield the view from the street.

Because of the condition of the property not caused by the applicant, it would be difficult to comply with the two (2) rows of alternate planted evergreen trees. Staff suggests that the applicant only be required to plant evergreen trees in the limited grass areas. The evergreen trees must have a minimum height of 5 feet.

PUBLIC INFORMATION AND PROCESS: Public Notice was given in the Examiner and by letter to property owners of record within 185 feet of the applicant's property.

STAFF RECOMMENDATION: Staff recommends approval of the Conditional Use Permit for a Vehicle Tow Yard subject to the following conditions:

- 1) The Conditional Use Permit will expire in 3 years from the date of the Board of Aldermen ordinance. If the applicant wants to continue the tow yard on this property, the applicant will need to apply for a new conditional use permit at that time.
- 2) The applicant shall install an opaque, sight-obscuring eight (8) foot high fence using the materials allowed in the City's zoning regulations, Section 400.230 C.9, replacing the existing chain link fence, shielding view of the tow yard from street.
- 3) The applicant shall plant evergreen trees every two feet from center of tree within the limited grass areas. The evergreen trees must have a minimum height of 5 feet when planted.

PLANNING AND ZONING COMMISSION: The Commission held a public hearing on November 10, 2021. The Commission voted to recommend approval to the BOA subject to Staff's Conditions and adding additional condition:

- 4) The applicant shall provide to Staff before operating the tow yard either a letter stating that a tow yard is exempt or provide a National Pollutant Discharge Elimination System (NPDES) Permit from Missouri Department of Natural Resources.

Operating Business: Towing Service

Operating Hours: M-F 9-6pm Sat. 8am-12pm

Primary Business: Office and Dispatching

Storage Lot: 35 cars

This tow lot primary use will be to have office staff operate out of the office. And dispatch calls to drivers. Would like to store up to 35 towed in vehicles or vehicles owned by Hookers Towing LLC. This will be used as a storage facility only. Most vehicles with collision damage only remain on the lot long enough for insurance purposes. Or time for us to obtain a title. No fluids will be stored at this location (oil, gas, diesel). We will not be junking or parting the vehicles out at this lot. We are going to provide a secure 8 ft. fence to secure the front of the building from street view. A lot of renovations have already been made to this location. The office has been completely remodeled, new garage doors on the shop, repairs to the outside of the building, painting to the exterior of the building. When this property was purchased, it was in very rough space. Animals had been left in the building. No repairs had been to the building or garage. No trees had been trimmed in long time. We came in made this place look very professional and actually like an operating business. The owner of Hookers Towing has been in the tow business all his life. With his family in the towing industry over 30+ plus years. The owner of Hookers has 2 other locations that are well maintained and taken care of on daily basis. And he has towing contracts with Independence Police, and many other insurance companies. His business is not like a typical tow service. He holds his self to a higher standard level of professionalism. He will follow all rules and regulations placed by the city.
