During this 4 week course children will:

-  Be introduced to the rules of chess, notations, and tournament etiquette.
-  Learn basic checkmates, how to attack the king and NEW winning endgame strategies.

While helping you to win at chess, we also focus on having fun and good sportsmanship!

Each participant will receive a workbook with follow along activities for each class and National Chess Rating from competition games!

WHY PLAY CHESS?

- Encourages sportsmanship, teamwork & community
- Improves concentration and memory
- Enhances reading and math skills
- Fosters logic, critical thinking & creativity
