  - o Wishing the board and City staff a safe and happy Thanksgiving

**ITEM XVII: MAYOR MIKE TODD**

- Would like to discuss the senior baskets and how we do not have anyone doing it for this year. Ryan Hunt, City Administrator mentioned that the City is short staffed. The City has a portion of the money budgeted but that doesn't cover the whole cost. There is approximately 690 seniors.
  - o An individual in the audience suggested to get ahold of the Community Service League
  - o Mayor Todd suggested the board and staff look into different options for the years ahead. Also, if no baskets are delivered this year, then a notice will need to go into the water bill and also the city website. The money that was budgeted for 2015 we should hold onto that money this year and get a group together next year

- *Present: Arnold, Headley, Johnston, Palecek, Stanley, West*

**-QUORUM PRESENT-**

**ITEM III: DISCUSSION**

- Senior Gift Baskets
  - Mayor Todd mentioned the reason for holding this meeting is to make a decision on the senior gift baskets this year. There was a consensus on the November 23<sup>rd</sup> meeting to hold the 2015 budgeted money of \$5,000 for the 2016 budget year. This was due to short staffing and late in the year to get the baskets completed
  - Several board members discussed with Mayor Todd after the November 23<sup>rd</sup> meeting their concerns of letting down the senior citizens and not wanting to sit on the money for the following year if a solution could be found for this fiscal year.
  - Alderman Johnston mentioned Patricia's is willing to do all the stuffing of the gift bags this year. Patricia's will be using the money that was set aside for the baskets and any money that is donated to make a "goody" bag for all seniors this year.
- *Alderman Johnston made a motion to use the 2015 budgeted money of \$5,000 for the senior gift baskets*
- *The Motion was Seconded by Alderman Headley*
  - No Discussion
- *Motion was voted on with the following voice vote:*

## 2015 Budget Amendment Highlights

General Fund: Revenue includes the fund balance and transfer for the purchase of the property on South Buchner Tarsney. An increase in sales tax and franchise fees offset the reduced court revenues. Expenses are estimated to be over the original budget as a result of Board approval for the land and employee final payouts. A savings was recognized from the reduction in fuel costs. The General Fund is estimated to increase fund balance by \$14,000 in 2015.

Park Fund: Overall Park Operating Revenues are estimated to be lower than budgeted. The cool rainy summer reduced the pool attendance, lowered concession sales and additional competition from area fitness centers reduced fitness membership and use fees. This was offset some by an increase in sales taxes. Reduced days of operation of Park facilities also resulted in lower expenses for Parks and Recreation. Over all, the increase to the Park fund balance is an estimated \$65,000.

Transportation Fund: The increase in revenues is due to an increase in sales taxes and state vehicle revenues. Expenditures were below budget primarily from the saving realized by working with Jackson County on the street projects. This will result in an increase to the fund balance of approximately \$40,000.

2011 GO Bonds: Bond proceeds were received in 2011 with the purpose of funding transportation projects. Most of the funds were transferred to MODOT for the I-70 Interchange. In 2015, no additional funds were transferred to MODOT. \$707,000 is available for downtown street improvements.

Debt Service Fund: The Debt service fund saw an increase in revenue due to additional delinquent taxes paid. Estimated addition to fund balance will be \$24,000.

Water/Sewer Fund: Revenue is projected to be below original budget as a result a wet, cool summer and projected commercial project revenues not being received. Expenses were below budget due to capital projects not completed as planned. The net result will increase fund balance by approximately \$42,000. These funds were budgeted in 2016 to complete the projects.
