**Q:** How do I know if my child's little league game is canceled due to inclement weather?

**A:** GVPR utilizes a rainout line in the case of inclement weather. The rainout line is updated periodically throughout the course of the day while field playability is still in question. A final decision is posted on the rainout line no later than 2-hours before the start of the first game of the day. The rainout line is only updated for games, not practices. The rainout line is (816) 847-6230, Prompt #2.
