

CITY VIEW

MESSAGE FROM MAYOR MIKE TODD

GREETINGS GRAIN VALLEY!

Serving Grain Valley over the past two decades has been one of the greatest honors of my life. What began as a commitment to serve my community has grown into a journey filled with meaningful relationships, shared accomplishments, and a deep appreciation for the people who make this city such a special place to call home. As I step away from this role to pursue new opportunities in public service, I do so with immense gratitude and pride in all that we have achieved together.

Grain Valley has experienced tremendous growth and transformation during this time. From infrastructure investments and expanded public services to the revitalization of our downtown and the strengthening of community partnerships, our progress has been driven by a shared vision and a willingness to work together. None of this would have been possible without the dedication of our City staff, elected officials, community leaders, and residents who care deeply about the future of this city.

As I reflect on the past, I am equally excited about what lies ahead. The future of Grain Valley is bright, with important projects already taking shape. From the construction of a new water tower that will support our growing community, to the completion of a major infrastructure project in the downtown corridor, to continued expansion of our trail system and ongoing economic development—these investments represent not just growth, but a continued commitment to quality of life for our residents. The momentum we have built together will carry forward into the next chapter.

Thank you for placing your trust in me over the years. It has been a privilege to serve you. While my role is changing, my belief in Grain Valley's future has never been stronger. This community is built on resilience, connection, and a shared vision for what's possible—and I look forward to watching it continue to thrive.

MAYOR MIKE TODD

GRAIN VALLEY 2026 CLEAN-UP & DISPOSAL OPPORTUNITIES

Residents of Grain Valley have several opportunities this year to safely dispose of large items, hazardous materials, and yard waste.

The City-Wide Clean Up Event will take place on May 30 from 8 a.m. to 2 p.m. at the Public Works Facility on James Rollo Drive. Residents may drop off bulky items such as furniture, mattresses, electronics, and scrap wood. Hazardous waste will not be accepted, and participants must live within city limits.

A Household Hazardous Waste Collection Event will be held on September 26 at 34900 E. Old U.S. 40 Highway, located between Grain Valley and Oak Grove. This event allows residents to safely dispose of items such as paint, batteries, and household chemicals. Proof of residency is required, and the event is hosted in partnership with the Mid-America Regional Council.

Residents may also use the Eastern Jackson County Yard Waste Facility to dispose of yard waste such as grass, leaves, and tree limbs. The facility is open on Saturdays from April through November, from 8 a.m. to 4 p.m., and accepts credit or debit card payments only.

Residents are encouraged to take advantage of these services to help keep the community clean and safe.

GRAIN VALLEY OFFICIALLY RECEIVES MISSOURI BLUE SHIELD DESIGNATION

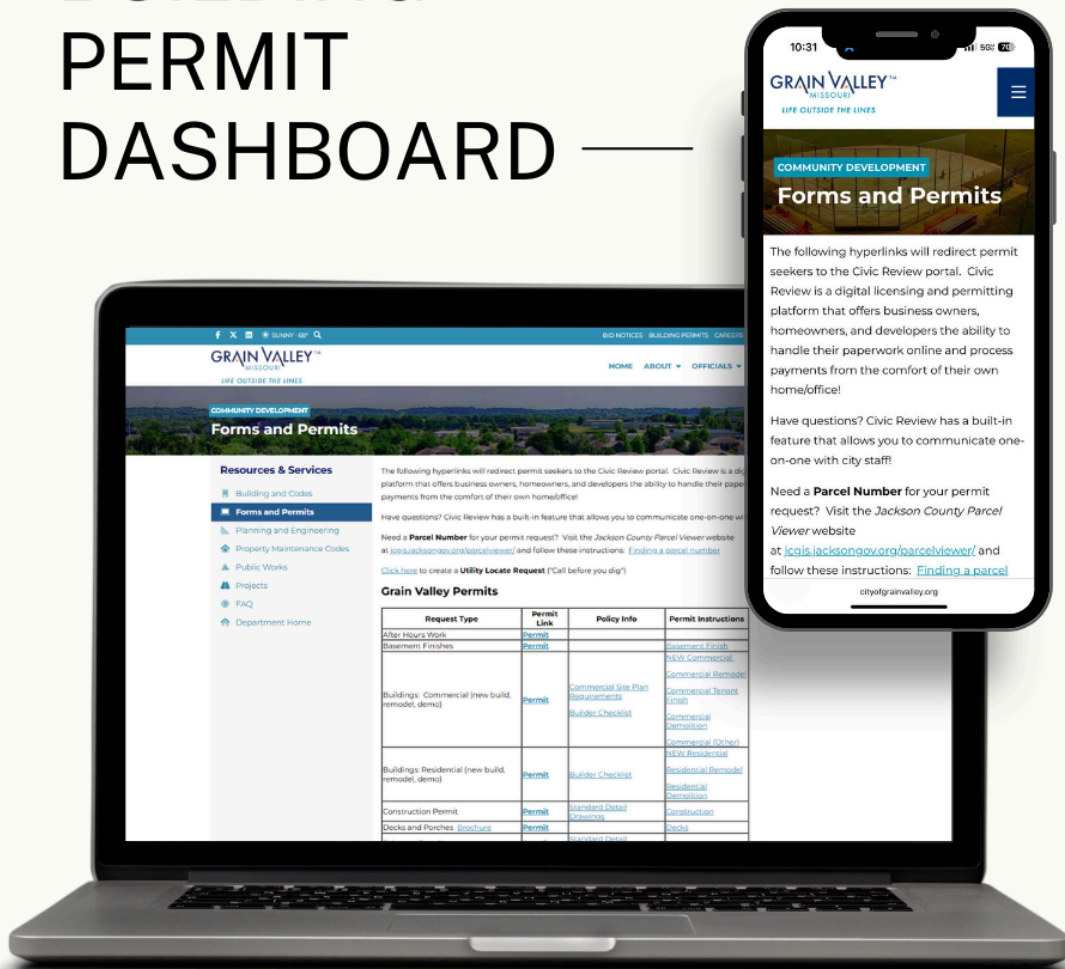

Grain Valley received official word from the Missouri Department of Public Safety that we have earned the Missouri Blue Shield designation for 2026. This honor recognizes Missouri communities that demonstrate their commitment to enhancing public safety, investing in and supporting law enforcement, and building partnerships between law enforcement and our community. Grain Valley was also recognized with a Blue Shield designation in 2025.

Governor Kehoe created the Missouri Blue Shield Program in January 2025 through Executive Order 25-03. In 2025, 201 Missouri communities earned the Blue Shield designation, recognizing local governments' significant efforts to reduce crime and foster law enforcement – community partnerships to strengthen public safety. The opportunity to earn the Blue Shield designation for 2026 opened on February 4, 2026.

“The Blue Shield program has shown what’s possible when communities commit to prioritizing law enforcement and public safety,” Governor Kehoe said. “After awarding \$50,000 grants to more than 200 communities last year, we’re continuing that work by welcoming new communities and renewing Blue Shield designations for counties, towns, and cities that remain committed to the program.”

Communities that earned the Blue Shield designation in 2025 had to reapply this year to be approved once again.

The park currently boasts three picnic shelters with BBQ grills, picnic tables, a gazebo, restrooms, an accessible playground with swings, a skate park, asphalt walking trails, and two lighted baseball fields. For larger gatherings, our Pavilion is a great facility to host your company picnic, banquet, or wedding reception. The Pavilion has three elevated stages, private restrooms and is 2-3 times the size of our regular shelters. Shelter, Pavilion and athletic field reservations may be obtained by calling (816) 847-6230.

BLUE BRANCH CREEK TRAIL

Blue Branch Creek Trail is a 1.5-mile recreational trail that follows Blue Branch Creek between Buckner-Tarsney Road and Southwest Eagles Parkway. There are several points of entry to access the trail using on street parking on Rock Creek Lane, Cross Creek Drive, and Laura Lane. There is a designated trailhead parking lot located at the end of Cross Creek Drive, just a quarter-mile north of Sni-A-Bar Boulevard.

BUTTERFLY TRAIL

This beautiful asphalt trail, located in the heart of Grain Valley at RD Mize Road and Long Drive is a .8-mile, figure eight loop that traverses around a 10-acre lake. Walking, jogging and biking are all allowed as well as fishing. All animals must be leashed and under control while on the trail.

FOOTBALL FIELD COMPLEX

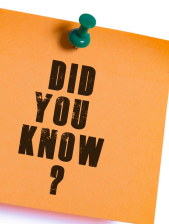

This complex has two multipurpose fields for football and soccer, restrooms and a picnic shelter.

MONKEY MOUNTAIN PARK

This Park is known for its athletic fields. Monkey Mountain Park has 4 baseball/softball fields and 1 multipurpose field. Other amenities include two playgrounds and a picnic shelter for the whole family to enjoy.

NEIGHBORHOOD PARKS

Grain Valley has four "pocket parks" nestled back in the middle of housing developments; Clover Park, Eagle Park, Kirby Park, and Farmington Meadows Park.

Spending 20–30 minutes in nature reduces cortisol (stress hormone) levels by up to 21 percent.
