# COMMUNITY GARDEN

### ***Grain Valley Parks & Recreation offers a Community Garden for its residents.***

A community garden means many things to many people. For some, a community garden is a place to grow food, flowers and herbs in the company of friends and neighbors. For others, it's a place to reconnect with nature or get physical exercise. Some use community gardens because they lack adequate space at their house or apartment to have a garden. Others take part in community gardening to build or revitalize a sense of community among neighbors.

The community garden is located in the heart of downtown Grain Valley on the northeast corner of Walnut and Main. The Garden Plots (4' X 12') cost only \$10.00 to reserve. We provide the soil and water. You provide your own tools and will be responsible for maintaining the plot throughout the growing season. Everything you harvest in your plot is yours to keep. Plots will be tilled and ready for planting at the beginning of April.

**Contact Grain Valley Parks and Recreation at 847-6230 for more information and to reserve your plot today.**

The park currently boasts four picnic shelters with BBQ grills, picnic tables, a gazebo, restrooms, two large playground areas with swings, a skate park, asphalt walking trails, and two lighted baseball fields. For larger gatherings, our Pavilion is a great facility to host your company picnic, banquet, or wedding reception. ## BUTTERFLY TRAIL

This beautiful asphalt trail, located in the heart of Grain Valley at RD Mize Road and Long Drive is a .8-mile, figure eight loop that traverses around a 10-acre lake. Walking, jogging and biking are all allowed as well as fishing. All animals must be leashed and under control while on the trail. ## BLUE BRANCH CREEK TRAIL

Completed in 2019, the Blue Branch Creek Trail is a 1.2-mile (one-way), asphalt trail that follows Blue Branch Creek. The trail extends from Buckner-Tarsney Road west to SW Eagles Parkway. On-street parking is available on Rock Creek Lane just south of Dollar General and at the dead end of Cross Creek Drive in the Cross Creek subdivision. Phase 2 of the Blue Branch Creek Trail was completed in 2021, which included a walking bridge over the creek. Residents in the neighborhoods of Sni-A-Bar Farms now have pedestrian connectivity to the high school campus and existing trail. There is also now a trailhead parking area located at the end of Cross Creek Drive, just north of the Sni-A-Bar Boulevard traffic circle.
