Project**I. Project Background and Goals**

The City of Grain Valley, Missouri (City) is located in Eastern Jackson County along Interstate 70. Grain Valley is one of the fastest growing cities in Missouri. The 2020 US Census Population was nearly 16,000 and continues to grow. The highest areas of growth and redevelopment have occurred around the I-70 interchange and in the City’s industrial parks. Additionally, interest in the revitalization of downtown continues to be at the forefront of the community and leadership’s minds.

The City purchased the properties in 2018 with various opportunities for use in mind. Since that time, City leadership has decided the property would be best suited for use by a private party. Preference will be given to buyers who plan to utilize the building in a manner consistent with the surrounding uses.
