- Solid Waste Collection
  - Mr. Hunt reminded the Board that at a previous meeting, there was a request for staff to research trash providers, the schedules they follow within the city, and also what nearby cities allow for trash pickup schedules; schedule was provided and reviewed
  - Mayor Todd asked if other cities were regulating trash pickup by ordinance or by trash company preference; Mr. Murphy shared what he knew about surrounding cities
  - Mayor Todd stated that some companies may be operating without a license; Alderman Arnold agreed; Mr. Murphy shared that some may be utilizing roads as a means of travel but not operating services in the city; Alderman Arnold shared that he has seen many companies picking up on or near Ryan Road and he will take note of the specific companies in the future; Mr. Murphy shared that Grain Valley Codes Officer has been taking notes and has a good handle on those operating
  - Alderman Headley shared that AAA picks up on Tuesday at his home which is different than what is shown on the schedule provided
  - Mr. Hunt asked for direction if the Board wants more structure implemented for trash pickup; there is no easy way to enforce inconsistencies; if days were limited, a police officer could cite those picking up trash on days outside of a set schedule; Alderman Headley thinks limiting the number of days would be something worth looking into but recognizes that the city needs to work with the companies to make it feasible
  - Alderman Totton shared that there are recycling trucks in addition to trash trucks
  - Mayor Todd would like staff to research if there are any ordinances locally and if so, how it is working or any problems that occur
  - Alderman Bamman asked for clarification on what prompted this research; Mayor Todd shared that is based on complaints
  - Alderman Arnold mentioned that Blue Springs was looking at an alternative plan; Blue Springs doesn't allow trash at the curb-it must be next to the house; less days limit the potential for animals to get into trash or trash to litter the streets; Mayor Todd stated that Blue Springs may limit the number of trash haulers; the Board could cap the number of licenses issued
  - Staff were directed to reach out to nearby communities for further ideas
