ITEM XVII: BOARD OF ALDERMEN REPORTS & COMMENTS

- Alderman Dale Arnold
 - None
- Alderman Chris Bamman
 - School Board has voted to waive the fees and grant the easement for sidewalk improvements in front of the high school
 - Alderman Bamman asked if the City has an ordinance on storage pods in driveways; there are time limits in place but often HOA covenants are stricter; the City does not enforce the HOA covenants but will issue notices if the Municipal Code is violated
 - Alderman Bamman asked if the fountain at the Cross Creek/Sni-A-Bar traffic circle was City owned or HOA maintained-it has been vandalized; this belongs to the HOA of the surrounding homes but is not currently active; Mr. Murphy will follow up with those responsible for the maintenance of this area
- Alderman Jeff Coleman
 - Alderman Coleman asked for clarification on the insurance decisions made as he thought the goal was to be more competitive; comparable data came back showing many cities cover at 80-90% and the Board decided to cover 65%; Mr. Hunt shared a schedule of increase via an ordinance could be an option for the future; Alderman Headley shared this was a starting point and moving forward, depending on rate increases and performance further coverage would be discussed; Alderman Bamman asked if this can be looked at every year; rates can be looked at every year or an ordinance can be set which outlines increases regardless of who is on the Board; Alderman West felt this should be done yearly as there is no way to predict what could happen in the future; Alderman Headley shared if a schedule was adopted, stipulations could be attached regarding the health of the city and insurance performance; Alderman Coleman stressed that although this Board is in agreeance that the City should work towards better coverage to stay competitive, four seats will come up for election in 2018 and it is important to ensure measure are in place to maintain commitment; a formal document would achieve this; Alderman Totton asked if there was a way to use training measures in the coverage decisions; Alderman Headley shared that benefits shouldn't be tied to performance; Alderman Bamman shared that his

ITEM XVIII: MAYOR REPORT

- Mayor Mike Todd
 - 24 homeowners have received notification that the location of their sump pump discharge is violating the Municipal Code; Mr. Arroyo shared that a 2010 ordinance addressed this issue because drains (sump pumps, foundation, pools, etc.) that discharged at the curb would freeze and create ice in the road during the winter and moss in the summer; discharge drains should be 10 ft from the curb; Mayor Todd shared that citizens are upset and don't want to tear up their yards this summer; the City is willing to work with homeowners on a timeline for compliance; the Board asks our codes enforcement to be proactive; if the Board wants to enforce the drainage code, it must be enforced for all; often violations are noticed because a call is made to the city; homeowners have been given packets with directions and alternative for correcting the problem
 - Mayor Todd has been contacted by residents who are concerned that improper use of funds are occurring within their HOA; residents can file a police report if they believe theft is occurring
