- Community Development Director Trosen stated this would be on the South Outerbelt Road; licensed by Department of Health & Senior Services; Cultivation will take place on three fully enclosed buildings on site; Zoned M-1 and follows all conditions per our City ordinance regarding cultivation facilities; Proposing to add a public street which would dead end at the entrance of Penny’s concrete; City recommended wrought iron fence vs. chain link for aesthetic purposes; additional landscape along the new public street; CJC/FPD reviewed and provided recommendations; Applicant provided security plans and disposal plan as well as a custom air cleaning system; Public Notice provided by letter of property owners of record within 185 feet and the Examiner; P&Z commission approved
- Alderman Cleaver asked how many employees will be on-site; Steven Lucas attorney for MMM; doesn’t know exact number; Judd Claussen with Phelps engineering said 15 EEs per shift on first building and each additional building would be an additional 15 people (45 people total); Phase I would start very soon once permits in place
- Alderman Stratton asked what background checks employees would go through; Mr. Robert Black with MMM stated each EE has a work permit which includes background investigation, photo id with fingerprint/id card as well as approved by the state of MO

- Steven Lucas said they are seeking approval following all 5 conditions provided
- Alderman Bass said thank you for choosing Grain Valley; asked for hours of operation; 24/7
- Alderman Stratton; how did they choose Grain Valley; Mr. Black said they wanted to be on a major freeway and close to Kansas City, but smaller City where they could be secluded and good neighbors and like the location and they were hoping others wouldn’t pick our City
