Enjoy reading, exercising, and family time all in one! Families are encouraged to get out and go read with Mother Nature. This is a great event for all to enjoy. During the Storybook Trail time frame, a fun story will be displayed along the Armstrong Park Trail. As you walk/bike/run along the trail, you can stop at each page to find out what happens next! This program is absolutely FREE & FUN! The story will be posted for one week (April 9 - 18) - so make sure not to miss out!
